

Jet Noise Report: March April May 2024

Since 2015 an increasing number of jet noise reports are reported by residents of the Salish Sea region, using the San Juan County Aircraft Noise Reporting Website. Recent reports show a decline in number, perhaps due to a change in the address of the reporting website. However, the tenor of the comments follow similar lines. This document provides data broken out by reports generated inside San Juan County and outside.

Beginning on page 11 read the comments made by those who submit noise reports and feel the frustration, concern, and anger.

INSIDE THIS REPORT:

- ✚ Reports by Type of Noise
- ✚ Reports by Day through the Year
- ✚ Reports by Time of Day
- ✚ Annual Comparisons
- ✚ Monthly Comparisons. Total and by Location
- ✚ Map of Report Locations
- ✚ Comments submitted with each report, revealing human impacts

Disrupting the region...

"3:47pm May 20. **Anacortes** Ferry. Walking in the lot while waiting for ferry. Then 2 Growlers overhead, screaming and roaring. Heading East it seems. Scared a little girl with the ripping roaring noise."

"A couple impossibly loud jets just flew over **Mt. Vernon**. It was mere seconds between the first rumble and when I was blasted by an ear shattering noise. Barely had time to plug my ears. That was a truly painful amount of noise. And it's still going."

"China Lake and Idaho want you. Please leave the **Olympic Peninsula** in peace."

"**S Lopez**. 2pm. 5/21. Growler is SCREAMING overhead. Trying to talk with our neighbor on the porch about some logistics & we simply had to stop talking. Painful to the ears.. Like having fingernails on a chalkboard 100 times the volume. STILL ROARING"

"Began at 8:00 and continuing without a break until present (~9:00pm) multiple aircraft looping much farther east, over **Saratoga Passage**, than is "typical" ... VERY LOUD and frustrating!"

"Growlers doing touch and goes, rattling the windows in our house in **Port Townsend**. They have been going all day ,evening and probably into the late night. Already 9:15 pm and there's no sign of stopping yet. I'm going to bed soon noise is terrible"

"Tandem, in low flight over house on **Camano**. Trying to work in garden and outside play time for kids. Having to cover our ears several times today. There is no reason to fly this low over Camano."

"The Navy peace-destroyers are out terrorizing the entire **Skagit Valley** again. Insane amount of aggressive low frequency noise."

"The noise started at 7:35 and continued to persist at 9:11 PM. NASWI stop destroying the **OLF Coupeville** area with your environmental toxins."

"Another growler jet roaring, ripping the sky apart by **Thatcher Pass**."

Listen to the jet noise that we hear in our region:

<https://sounddefensealliance.org/growler-videos-audio/>

The Navy dismisses noise data:

<https://www.seattletimes.com/opinion/navy-should-use-our-data-on-growler-noise-not-dismiss-it/>

Jet noise raises emotions.

If you are in crisis, you can call the National Suicide Prevention Lifeline 24 hours a day, seven days a week, at 988. Press 1 for the Veterans Helpline.

You can also text a crisis counselor by messaging HOME to 741741.

Crisis lines are available for all Washingtonians regardless of insurance status or income level.

Hints on reporting jet noise:

<https://www.quietskies.info/access-the-county-report-site>

Understanding This Report

The San Juan County Aircraft Noise Reporting website was approved in 2014 by the County Council for people to have a reliable place for recording their reports and comments. Data reports began in 2015.

<https://gis.sanjuancountywa.gov/aircraft-noise-reporting>

Who submits reports? In October, 2019, permission was given for people outside of San Juan County to use this noise reporting website. We are seeing an increasing number of reports from the wider region.

Correcting Location Data

Beginning in January 2023, data reporting addresses a problem with the website's capture of location data. Many reports default to a location in the center of San Juan County (SJC) when the person does not provide their location. This artificially raises the number of reports attributed to San Juan County that actually come from outside SJC.

Here is what we are doing. Some reports with invalid location data can be corrected by their comments or other data. Next we look only at reports with valid locations to determine the normal portion of "inside" and "outside" of San Juan County. Finally we assigned the reports with invalid locations to "inside" and "outside."

Future reports likely will show more reports from outside of San Juan County than previously. Considering the smaller population base of San Juan County compared to nearby counties also affected by Navy jet noise this is not surprising. This has been the trend since 2019 when we opened reporting to outside SJC.

Annual data is continually reviewed. Clarification of duplicate reports, as well as the addition of late reports sometimes adjusts the final numbers to a few more or a few less than previously reported.

Jet Noise Report by Type of Noise Outside San Juan County January to May, 2024

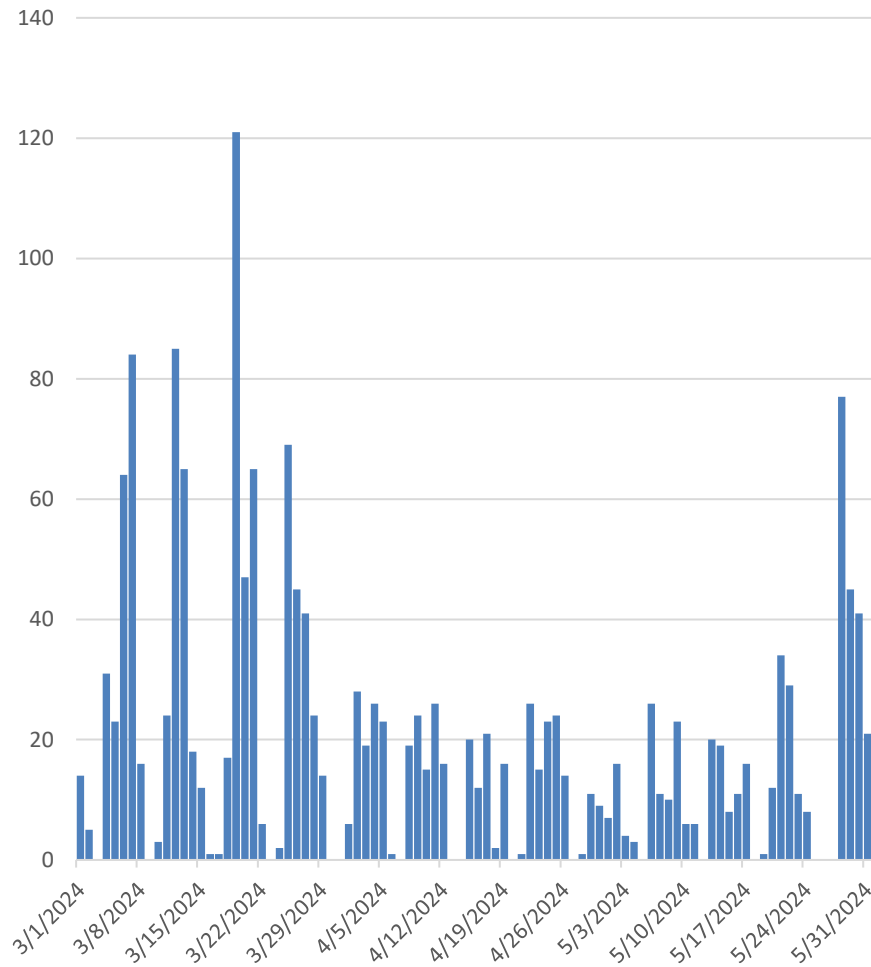

Jet Noise Report by Type of Noise Inside San Juan County January to May, 2024

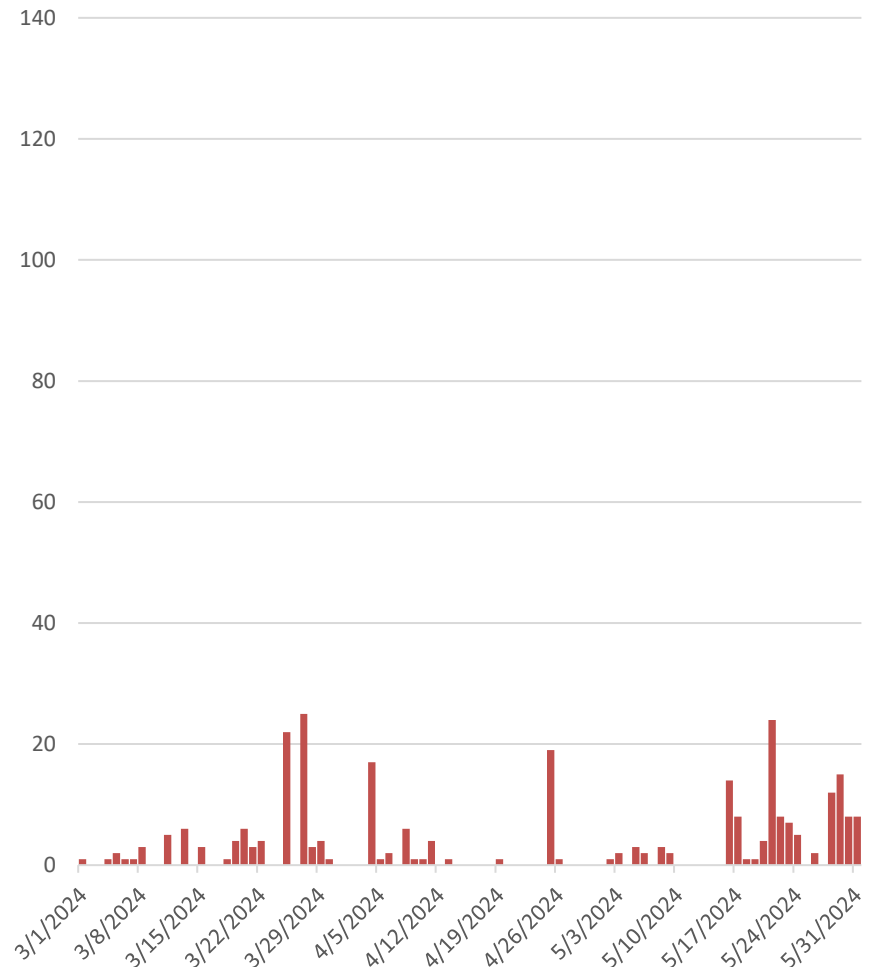

Jet Noise Report by Day of the Month

OUTSIDE San Juan County
March, April, May 2024

Jet Noise Report by Day of the Month

INSIDE San Juan County
March, April, May 2024

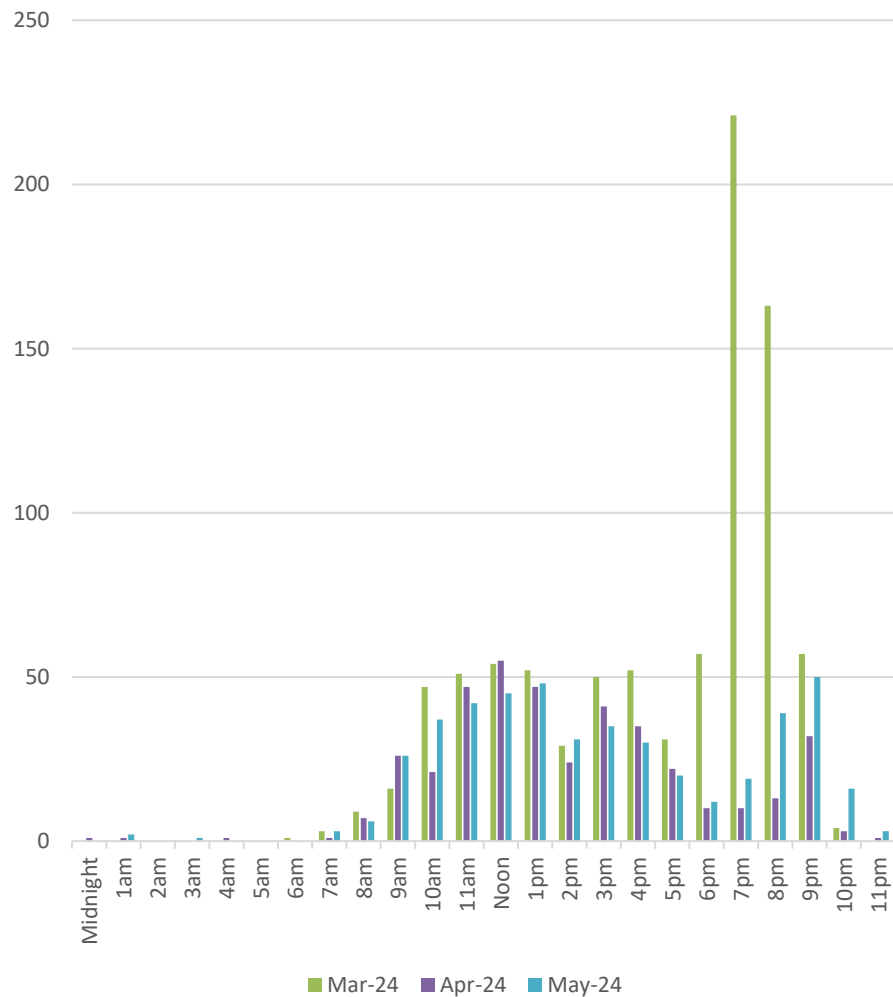

Note the variation in noise experienced by days and by location. The Navy persists in using "annual noise averaging," significantly underestimating the impact of jet noise. There is no "average" noise felt by residents in this region. The noise is variable and unpredictable.

Jet Noise Report by Hour of the Day

Outside San Juan County

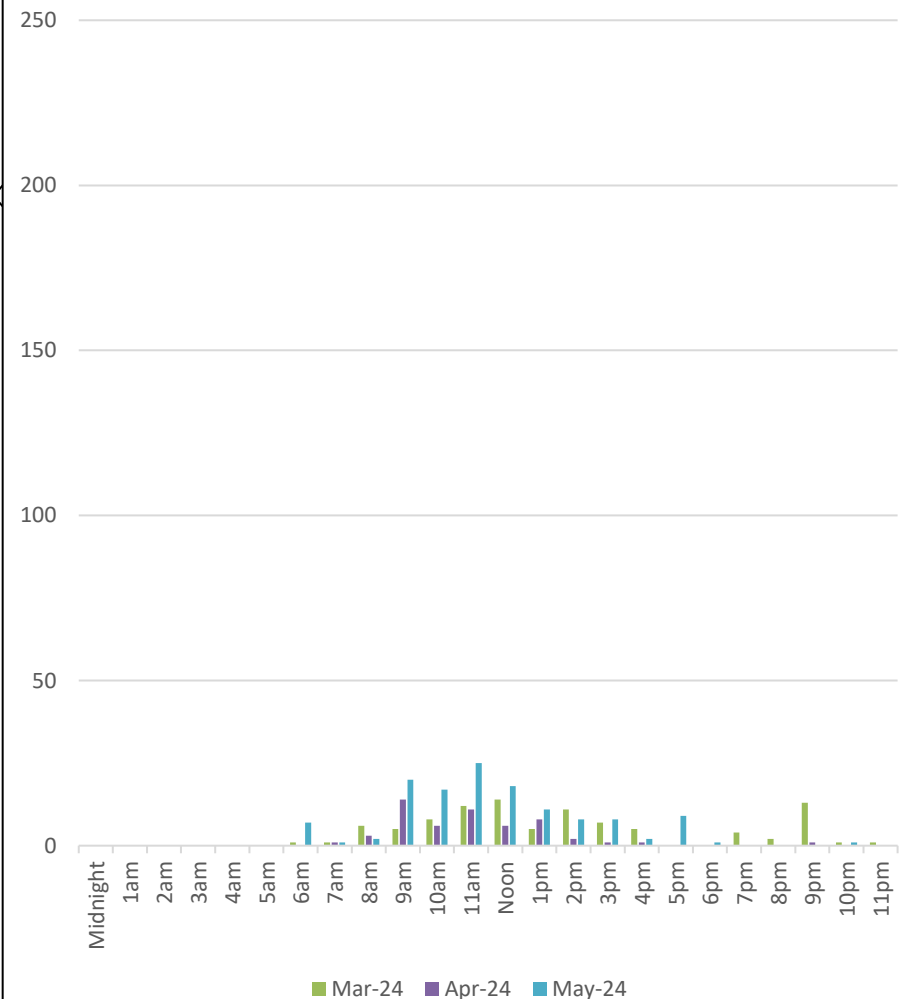

March, April, May 2024

Jet Noise Report by Hour of the Day

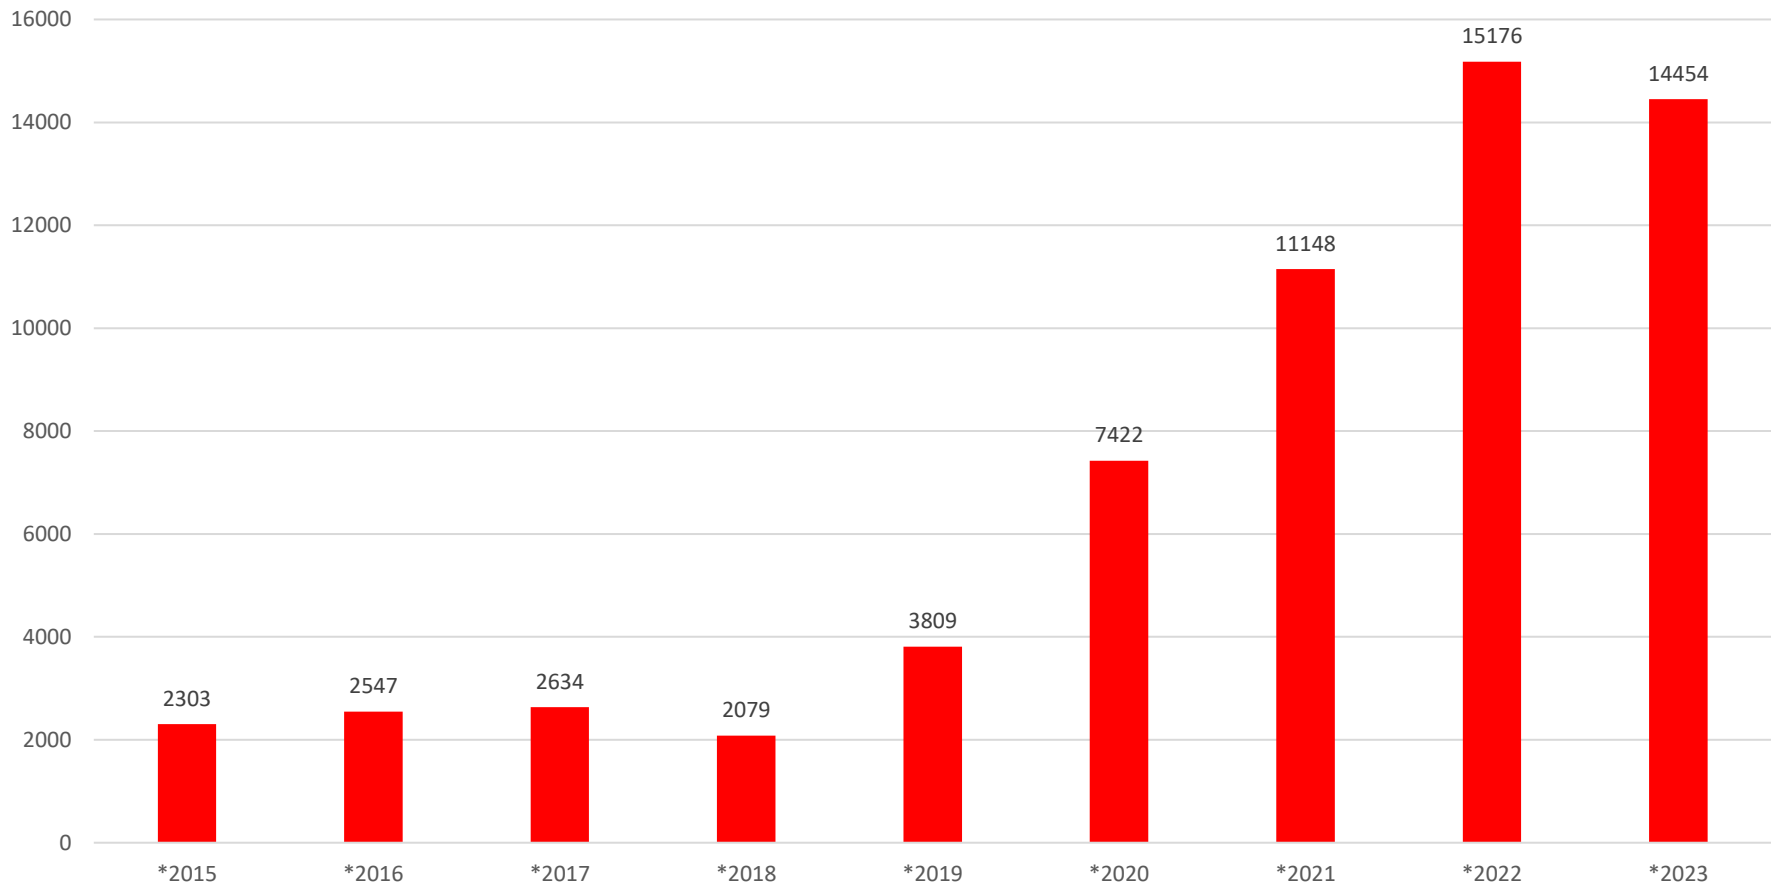

Inside San Juan County

March, April, May 2024

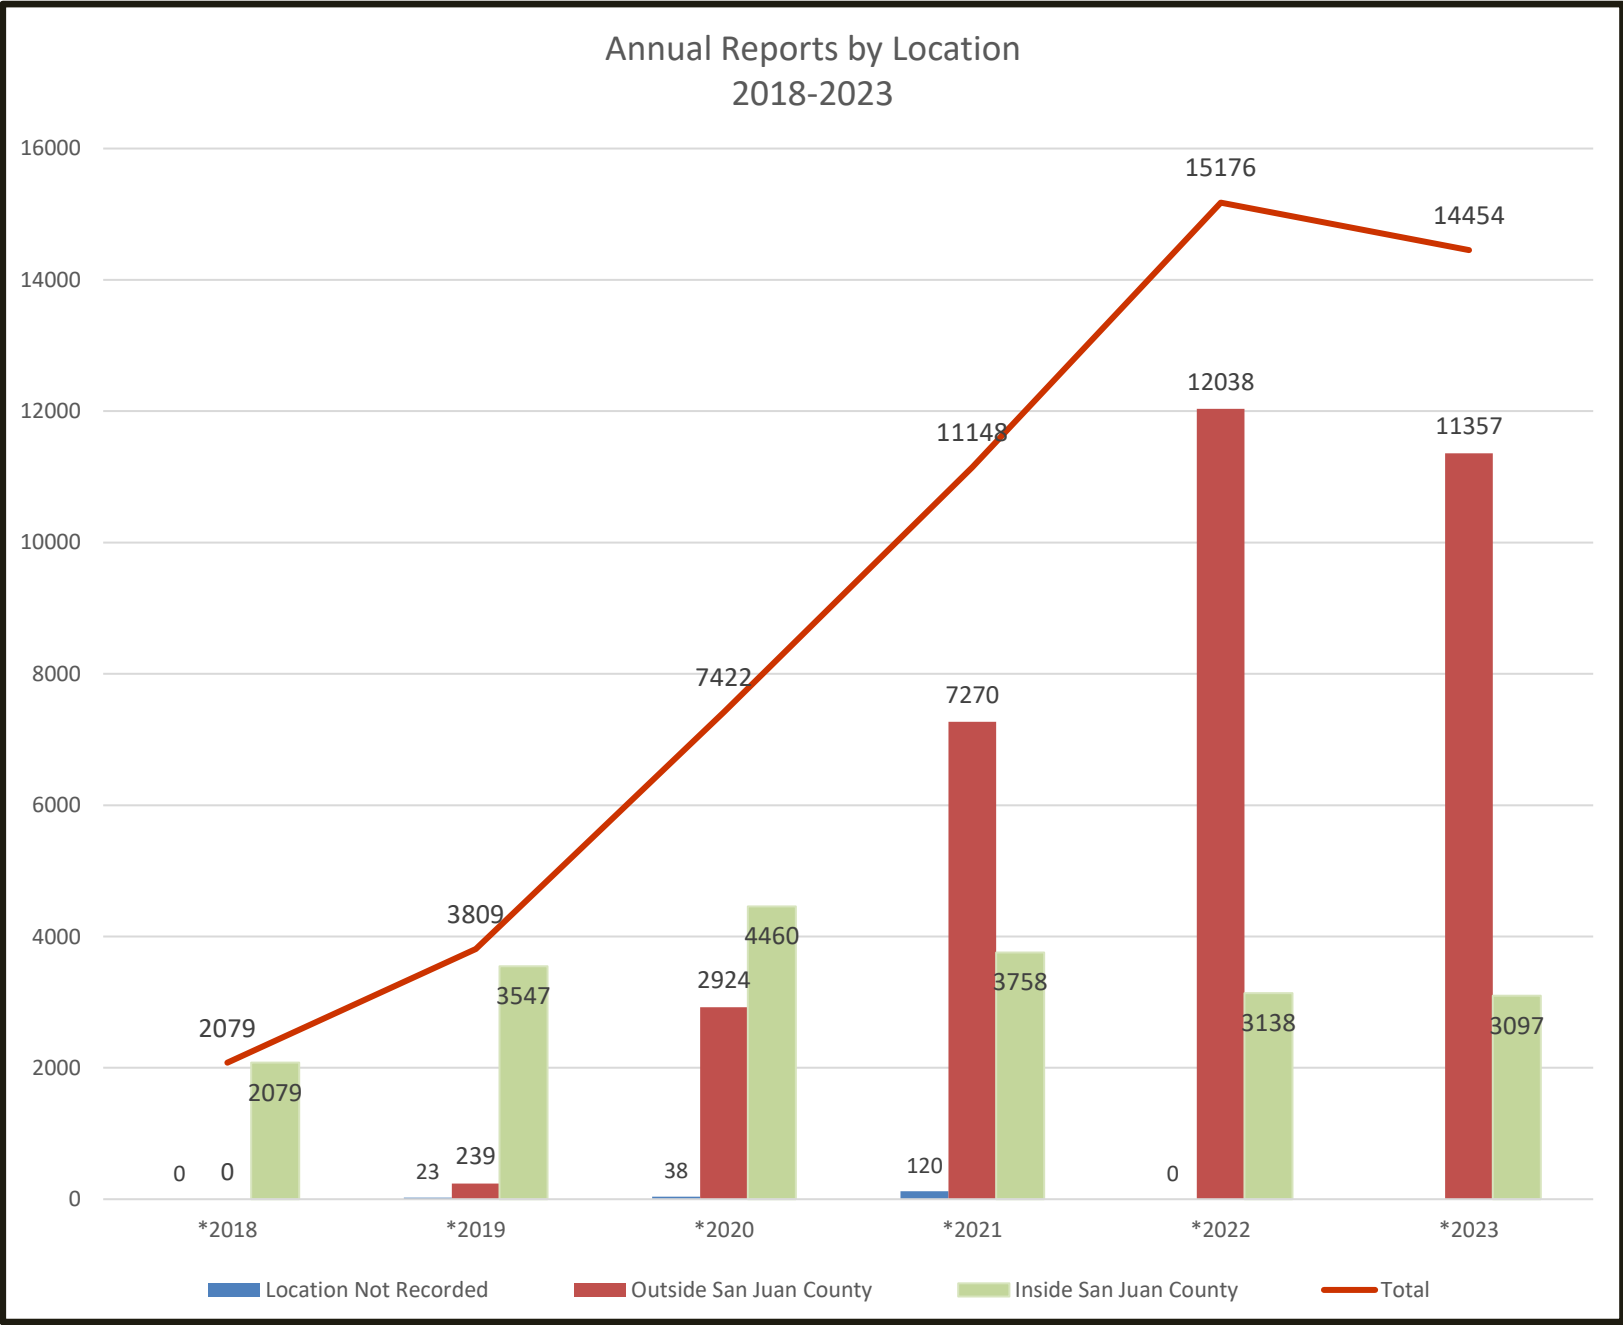

For example, submissions that report noise 11:00 am through 11:59am are clustered in the 11 o'clock hour. Note the variation in noise experienced at different times of the day. The Navy persists in using "annual noise averaging," significantly underestimating the impact of jet noise. There is no "average" noise felt by residents in this region. The noise is variable and unpredictable.

Jet Noise Reports 2015 - 2023

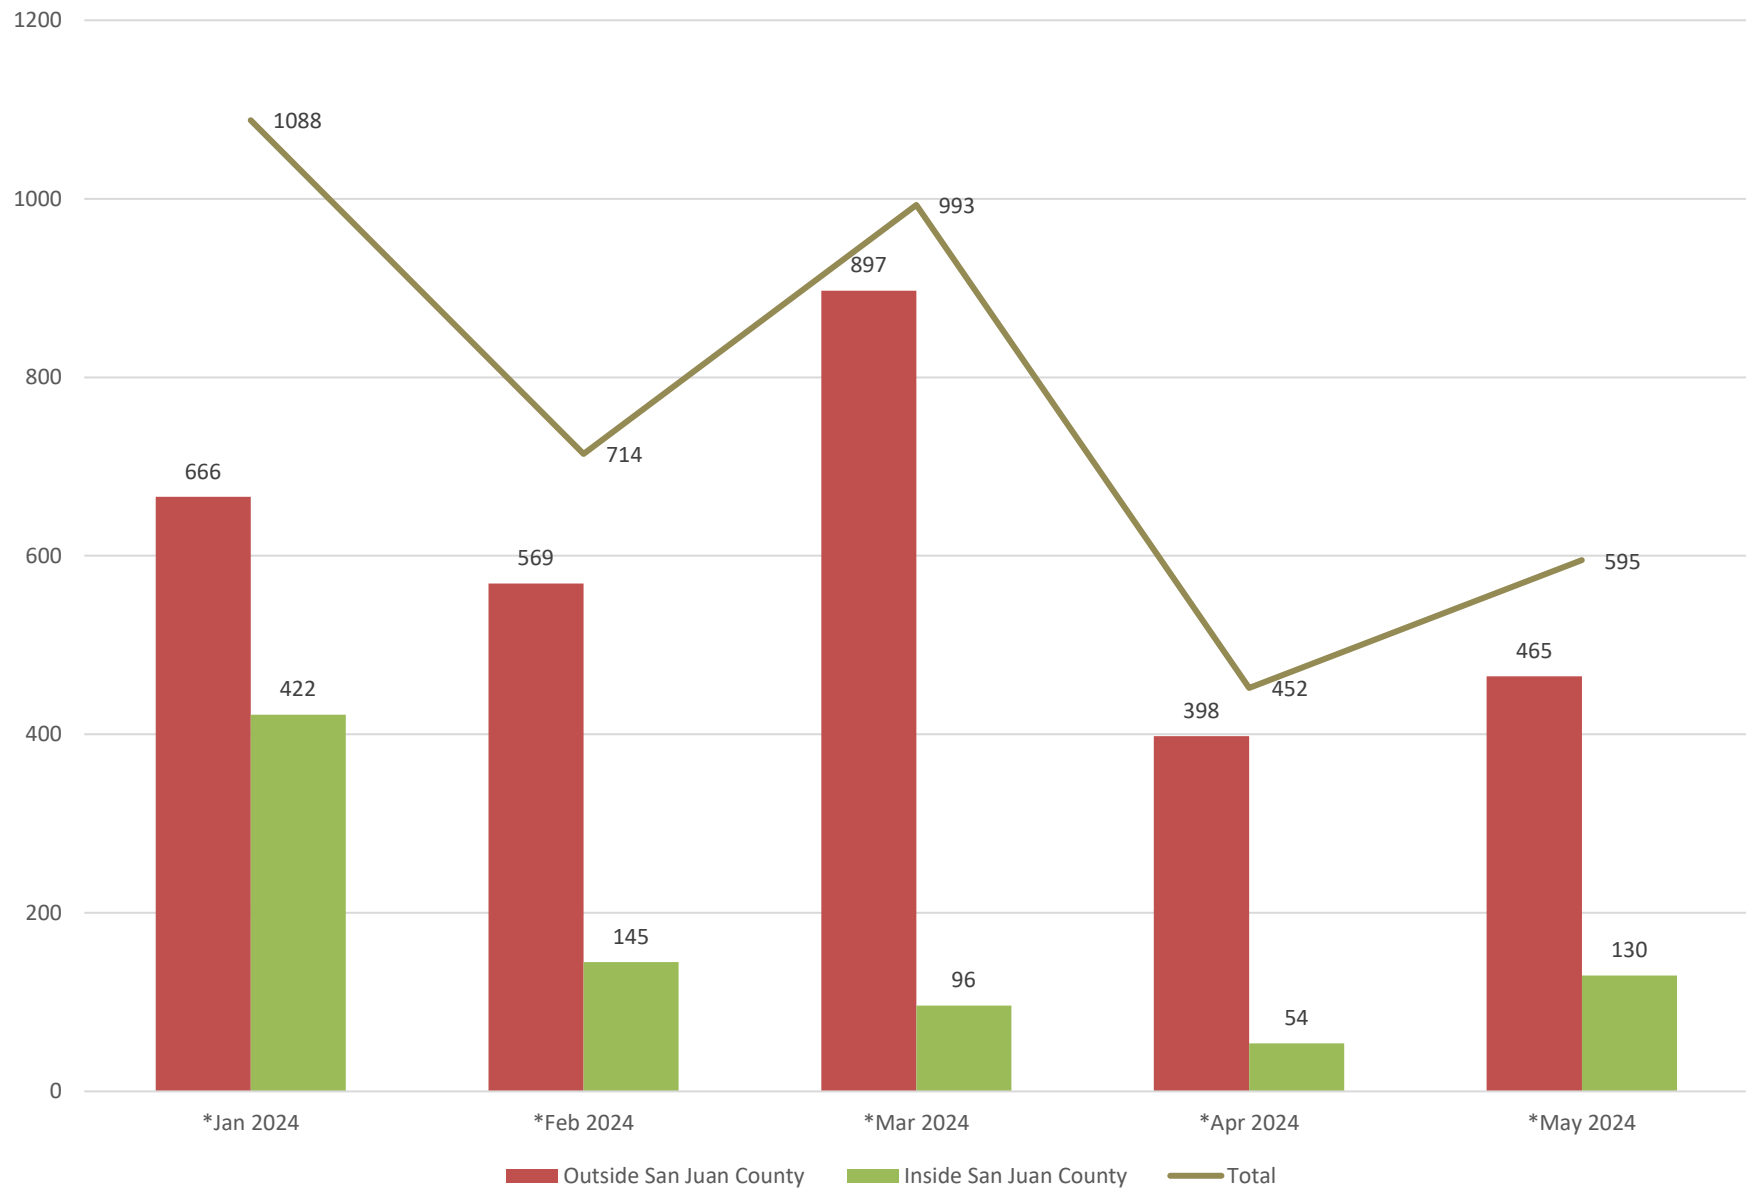

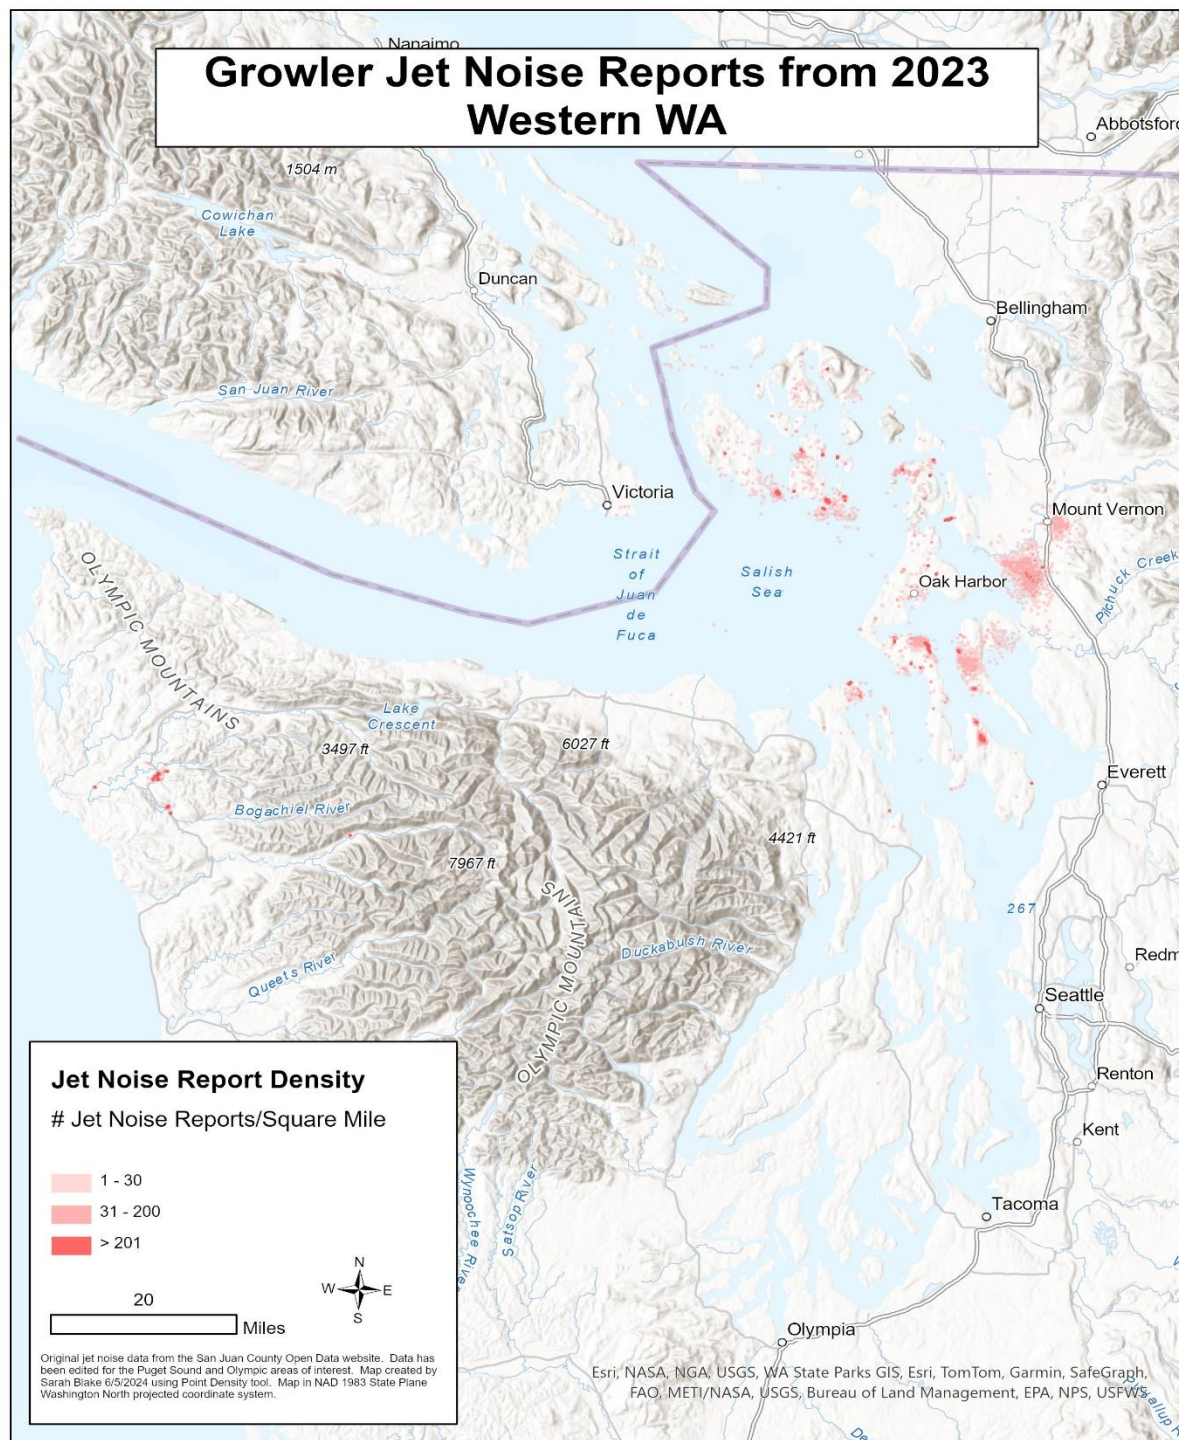

This chart provides some background to the history of noise reporting.

Jet noise reporting began in 2014 when San Juan County implemented a website for reporting jet noise. Data collection began in 2015. In the Fall, 2019, access was expanded to people outside of San Juan County enabling them to enter jet noise reports with the result that the number of noise reports is increasing, as has the number of aircraft at NASWI. This chart provides the totals of all noise reports in the database since 2015 through 2023.

Jet Noise Reports by Location January to May, 2024

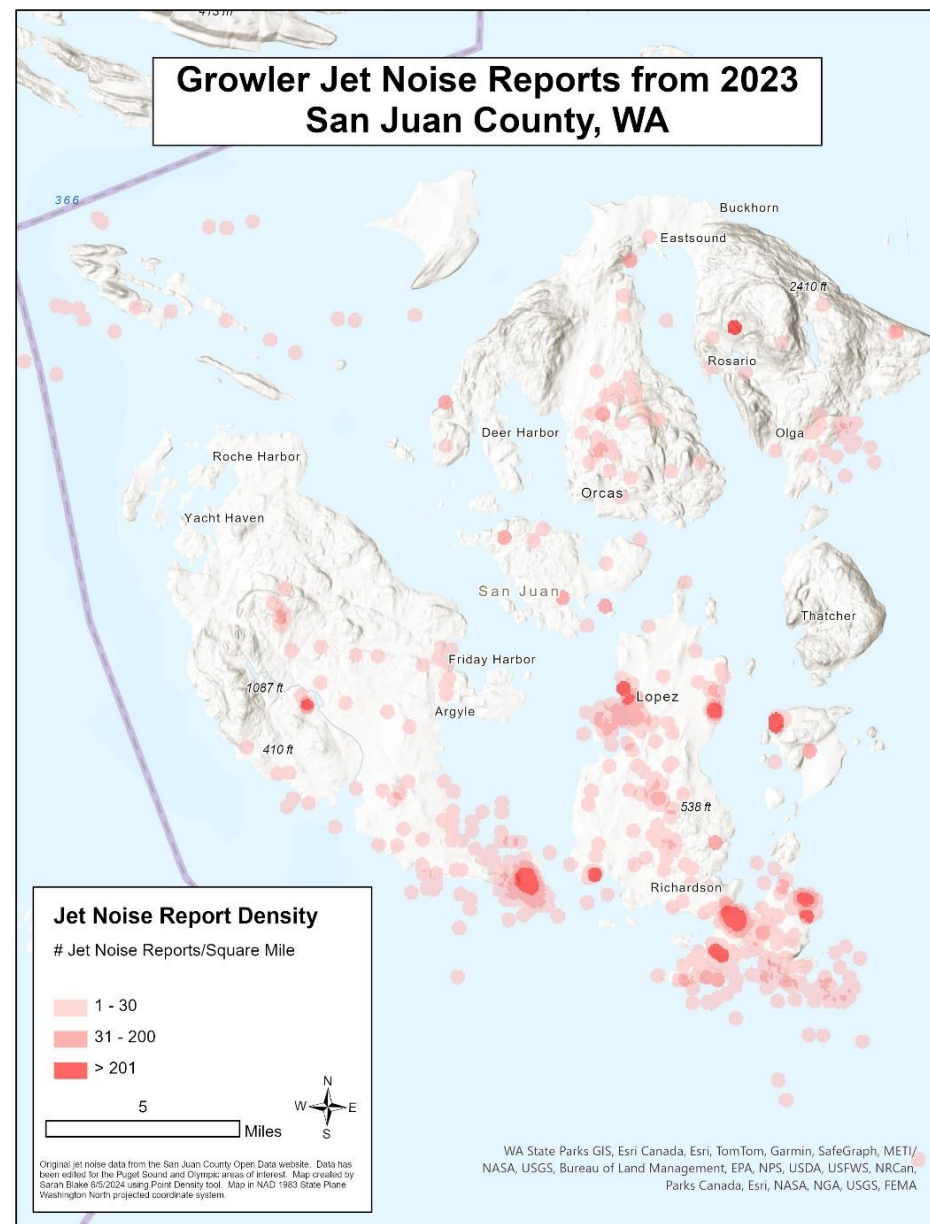

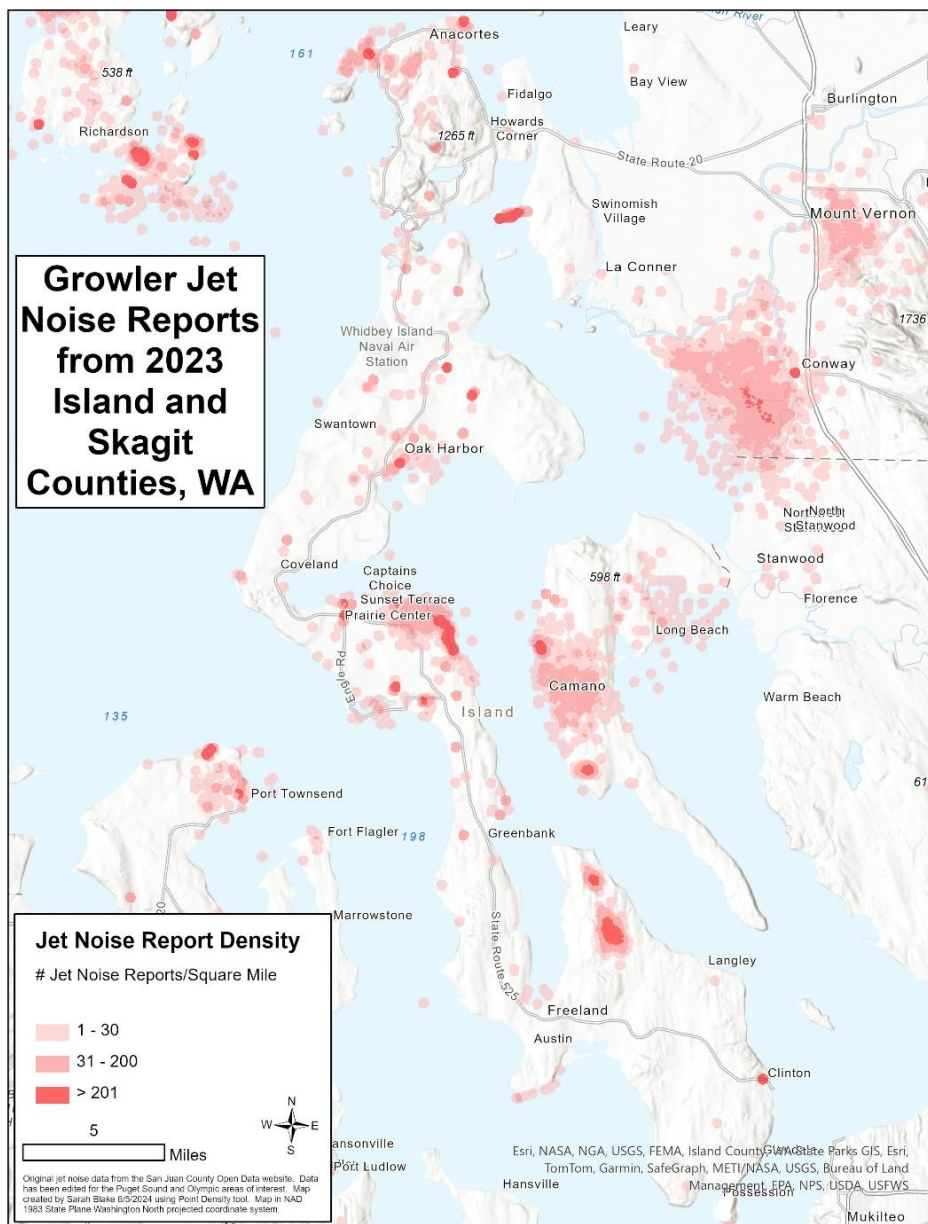

Referred to as a “density map”, this picture, using 14,454 noise reports submitted by users in 2023, offers a view of noise reports in the region.

Impact hits **San Juan, Island, Skagit, Clallam and Jefferson** counties.

Of particular note is the reach of Growler Jet noise to the Olympic Peninsula, particularly the Olympic National Park/Forks area.

On the next page, parts of the map are enlarged for a view of San Juan County and Island County. These maps are reduced to fit the page.

Comments Submitted with March, April, May 2024, Reports

NOTES:

Some reports indicate decibel level. Lawnmowers, for example, generally produce 90 dB. How would you like to have that running inside your home? Noise over 70 dB for a prolonged period of time is harmful to your ears and can cause permanent hearing damage. Noise over 120 dB can cause immediate harm to your ears.

Some of the people who submit a noise report also list their home address or phone number or e-mail. In this report, those personal identifiers are deleted/modified, as are expletives.

12:13am S Lopez. LOUD LOUD LOUD growler overhead. Disruptive to my train of thought as I work at my computer.

Well, the Growler that caused the rumbling vibration through our home a few minutes ago is now ROARING away in the skies. It WAS a quiet evening. The Navy has been steady in its abuse of this region.

All evening JET NOISE! Multiple Growlers circling. Very disturbing. Constant roar all evening without a break!

All day. Still circling. Go to China Lske. You don't belong at a World Heritage Olympic National Park

92dB USN at it again.....one of the best evening of the season. Wonder where the USN Command is spending this time. HEROES? NO.

Second LOUD GROWLER disrupted our meeting again!

Engine runups from Ault.

Even Sunday is not protected- 5pm and it sounds like explosions to the south, horrid sounds of warfare despoiling Sunday afternoon - anacortes near the ferry terminal. Horrid threatening racket.

Measured at 100.1 dB too loud for the community.

Another day of LOUD JETS OVERHEAD!

S. Lopez. Ongoing, persistent rumbling roar and vibration from Whidbey. The house is vibrating. Must have been a rocket launch from the feel of it. 10:44am. (Wish we could launch NASWI to the moon.)

"Yep. We can count on the USN Command to bombard U.S. citizens with 100 dB to destroy the hearing and comfort of children and seniors, one day after Memorial Day.

Ridiculously loud and obnoxious! Even our pets are disturbed and reacting negatively to the vibration and noise. I can't believe the Navy thinks this is the sound of freedom. This is the sound of outdated technology.

Navy out terrorizing Mt. Vernon. Extremely loud noise that lasts a long time over a huge area. I can't even see where the jet is but I can *feel* the noise.

a plane just flew over my house while I'm trying to sleep!

My son can't sleep due to how low and frequently they are flying over our house

A second LOW JET OVERHEAD

Aleck Bay, Lopez

American citizens trying to listen to the State of the Union address. Jet noise making it Extremely difficult to hear.

Annoying LOUD Jet!

C17 very low fly over

Cape St. Mary area, Lopez Island, Washington.

Inside we go 😬

Couldn't hear my tv over the aircraft noise

Direct noisy flyover

Ill in bed and the planes are keeping me from sleeping.

Extremely loud roaring and vibration. HORRIBLE

Flights occur every day. Now going on for two full weeks. At China Lake, flights could occur in darkness. Wouldn't that be more effective and realistic training?

Get your damn jets OUT OF LOPEZ ISLAND AIRSPACE!! WE ARE PEOPLE NOT PRACTICE RUNS!! You would not dare pull this crap over the City of Seattle... don't treat us like we are of no worth because we live in a rural place!! YOU ARE DAMAGING OUR HEARING!!

"Growler flying low over south Lopez

Sounds and feels more like rocket engines than jets

South end Lopez. Growler overhead. Very loud. In fact, annoying. The noise just won't go away. Is that jet just cutting a wide arc over us in order to maximize the noise?

They aren't even supposed to be flying this late. It's bedtime

They flew overhead and I recorded the growler at 114.1 dB . They have done this before but I didn't have my meter out in time to record them. This is too loud for a neighborhood and for the marine life.

They have beat me down? I can hardly do anything. 🙄🐼

They have been flying for over an hour with excessive jet noise and emitting toxic black particulates that kill plants and most likely humans. Do something about it, please.

Another noise event from growler, lasted over a minute 11:37am while I'm filing in comments"

Growlers are flying again today!

Hard to put the kids to bed with these (deleted) jets flying overhead.

"So far all morning- filled with creepy grinding, rumbling, shaking deep thunder that you hear and feel. So very unnerving. Monday, Anacortes near the ferry terminal.

Hey noise ongoing all morning. Mostly flyovers

Loud Growler!

Interrupted dinner conversation

It's the 10-12 minutes of deep, thunderous rumbling from afterburners that's really terrible. It needs to go away.

Lots of growler flyover activity over Salish sea and flyovers property

South end of Lopez. More jet noise coming about every 2-3 minutes.

LOUD GROWLER

South Lopez. Loud Growler jet roaring over South Lopez. Annoying and disturbing while I try to do gardenwork outside.

another unauthorized fly over of Town of Coupeville on way to/from FCLPs

South Lopez. 11:04am May 22. Sound like growlers are going in circles over us. screaming and roaring. Cannot stand it outside. I had to come inside and still it is SO LOUD. Abuse by the Navy.

Lopez

Started about 10 AM with low circling all day long. Please go to Idaho where the folks want you. Or Too Gun your way to desert of California.

Lopez ferry dock. 4:18pm March 27. Extremely loud and prolonged growler scream and roar.

Started about 8:30 and continued circling until 10 AM.

Another day and evening of Growler NOISE! Multiple jets circling over practice landing site. Exceedingly disruptive

LOUD GROWLER disrupted our meeting!

Flyovers

The 5th LOUD GROWLER DISRUPTION of the day!!! Including a massage!

Okay, another day of obnoxious pilots and noise. This is not appropriate over a World Heritage National Park and. marine Sanctuary. Lasted from before noon to after 5 PM. Go to desert of California Top Gun wannabes or to Idaho where they live yiu

Flyovers

LOUD GROWLER OVERHEAD

Can't sleep even with windows closed and fan running

I hate the Navy so much. Why do you have to be so evil? Do you take pleasure in being cruel sociopaths?

Several flyovers but not as disturbing as Wednesday and Thursday. Still raises my BP each time they fly near however.

LOUD LOUD

Loud, anxiety producing and the vibration is uncomfortable to my ears

It's really hard to get any work done with the Navy flying their terror machines all over populated areas.

Low flying growler aircraft disrupting my afternoon

Low flying military aircraft disrupting our evening.

Multiple low level growler aircraft disrupting my sleep

Navy terrorists took a bit longer today to come out of hiding, but they're out committing war crimes against Mt. Vernon right now.

Not sure what the Navy's doing out there on this rainy night, but Hollywood could use it as the sound effects in a kaiju movie. Eerie and loud.

Overflights and landing practice loops ALL MORNING LONG ... Now even louder with multiple Growlers joining in landing sim's.

Please give us a break! Planes are circling at dinner time and disrupting conversations!

Relative peace of the weekend is over- signaled by the deep rumbling, vibrations- sounds like terrible explosions to the south. From Whidbey, Ault field- navy warplanes screaming around the field and shaking my home. Deeply disturbing. Anacortes

Looping group of several jets, touch and go. No break between maximum exhaust noise as each plane accelerates after touch down. Last night it went on until well after 2200 h.

Right over my house. Helicopter

Rumbling engine rub ups heard on Lopez. I was hoping for a quiet evening

S Lopez. 12:20pm. Growler noise fills the skies. So annoying. I am postponing the work I need to do outside since the noise is so irritating.

Second LOUD GROWLER OVERHEAD

I have FlightRadar24 which shows all commercial and civilian aircraft BUT whenever the Growlers are around, they are not shown, either as a graphic or on the radar presentation- so, if I can hear an aircraft and they're not on the screen-- GROWLER!

SERIOUSLY???? It's loud enough that I can't tell if it's a thunderstorm on top of my house or the offing growlers. It's almost 10pm on a work night. WTF?!?!?! So much for sleeping tonight...

Several noise incidents starting around 11am. Seems like ground testing. Rumbling, windows rattle.

Navy abuse of the landscape and its people."

Growler touch-n-go landing practice produces uninterrupted exhaust noise as multiple jets loop.

South Lopez

"South Lopez

Growlers flying over"

Starting right up with threatening, awful deep thunder sounds- like distant explosions. This ruins peace and runs up my blood pressure. Its creepy unsettling sounds that penetrate the body. 10 am thursday, Anacortes near the ferry terminal.

Landing practice started a short time ago and is growing louder as additional planes join in. The Growlers BEGAN a landing practice session last night at 10:00PM !! It went on for sometime ... extremely loud and disturbing.

LOAD JET OVERHEAD

Steady roar again

Still going. Continuous flights. Continuous pain, disruption, headaches. Why aren't these devices of terror operating in a desert somewhere?

super loud in Port Townsend

Terrible sounding threatening roaring thunder coming at my Anacortes home in constant waves- from the south. Growlers doing angry tight circles

by Ault field. Anacortes near the ferry terminal- such a an unnerving experience deeply shaking house.

Thanks for the quiet Easter :-)

The terrorists are back in Mt. Vernon. Loud flyovers are requiring ear plugs.

More flyover

11:17am South Lopez, 3/27 LOUD JET roaring over our home. Why are Navy jets flying over Lopez?

Multiple low flying growler aircraft disrupting our morning

There go the Navy terrorists again. Terrorize Oak Harbor, drop some noise bombs on Mt. Vernon, spread the pain to Sedro, maybe take a swing at Eastern WA. Then loop around and start over. All day. Every day.

HOURS of uninterrupted GROWLER noise!!! Multiple aircraft circling and circling.

This is REDIC!!!! So LOUD!

too loud for our neighborhood 89.4 dB as they fly overhead

Too loud to go to sleep. Noise from growlers has gone on for a while. We have to get up at 4 AM to go to work. This level of noise will make getting a decent night's sleep impossible.

"Too many overflights. Lasted all day, Monday the 25th, again all day Tuesday the 26th, and again for many hours again today.

China Lake and Idaho want you. Please leave the Olympic Peninsula in peace."

Trying to put babies to bed so sad that they torture our children

Unable to concentrate and focus. Loud noises causing anxiety.

Very loud, persistent and induced a big stinking headache.

Disruption to work & concentration.

Extremely Loud and Disrupted Activities. I am trying to listen to a lecture on a DVD and the Growler jet drowns it out. Invading my home!!!!!! South Lopez.

Very loud, very low overflights interrupting work calls.

What is it with cloudy days and low flights lately? We can still hear you even if we can't see you...

Trying to rest make a barn flying over my ass so loud give me a headache and my ears ring and I can't sleep. I can't understand why they do this.

Yet ANOTHER ANNOYING GROWLER OVER MY HOME! ENOUGH ALREADY!!!

Growlers doing touch and goes causing a continuous, horrendous, offensive, painful noise! Destroying the peace and making our lives hell on earth.

Peak of 91 decibels inside my living room. Went on for two hours of flights passing every minute or two. I wear ear plugs inside my house to prevent hearing damage.

10 p.m. flight training? Goal: Serve and protect the children and elderly,

The roar continues .hearing protection outside

10:50am loud growler roaring overhead. South Lopez. Long roar. It does not disappear quickly. On and on.

Just continuous noise. Worried it might wake up kids. Kept stopping movie while flying over. It's 9:30p - too late for this

11:19am 3/27 South Lopez AGAIN!! LOUD JET roaring over our home. Why are Navy jets flying over Lopez?

Get your damn Noise polluting Jets OUT OF LOPEZ ISLAND AIRSPACE!! You are damaging our hearing!! I have migraines and tinnitus from your damn low passes!! WE NEVER AGREED TO ALLOW YOU TO USE US AS "RUNWAYS"!! GET OUT OF OUR AIRSPACE!!

12:00pm. May 29. S Lopez. Growler screaming and roaring overhead. Drowns out the TV and the dishwasher!

2 Growlers flying below the cloud cover. Extremely loud.

An hour later, I tried taking out the earplugs to see if the Navy jets were still out terrorizing Mt. Vernon. Yep. Sounds like a thousand dump trucks crashing through my window.

2 growlers traveling roughly southwest direction. Extremely loud.

"2 LOW LOUD GROWLERS FOLLOWED BY 1 EXTREMELY LOW GROWLER

NOISE REVERBERATING OVER MY HOME

LASTING 5 minutes "

2:34pm. 3/27 South Lopez. LOUD growler overhead. AGAIN!

3 Growlers in formation low over south Lopez

More flyover engine noise

Multiple jet flyovers

3rd jet above 85db in 15 minutes. This one at 91db.

88db on my phone

9:00 pm start going to be a long night

Growler screaming over our home. South Lopez.

9:18pm. 3/25. South Lopez. LOUD LOUD LOUD Growler overhead. Woke my husband up, and he needs his sleep! What business does the Navy have to send roaring Growlers over homes?

95db

95db

98db

A couple impossibly loud jets just flew over Mt. Vernon. It was mere seconds between the first rumble and when I was blasted by an ear shattering noise. Barely had time to plug my ears. That was a truly painful amount of noise. And it's still going.

11am May 22. South Lopez. ANOTHER loud loud growler over us. Disruptive.

A few miles from Crescent Harbor elementary. How is the flight pattern over half of the elementary schools okay ? Horrendous!

"Absolutely ear splitting

Very disturbing.

My core body was vibrating

Anacortes. Wow. Huge jet roar. Like thunder. I pity these folks in Anacortes who have that over their heads.

Upsetting "

After 11pm at night, or 23:00 military time... either way, are you friggin kidding me???? Loud enough that I can't sleep WITH EAR PLUGS IN and a white noise machine. Absolutely unacceptable, and impossible to live with. Be reasonable NASWI— cut it out!

2 very loud jets flying together over Lopez Village, Lopez Island, WA.

Agate Beach County Park, Lopez

All evening and into the night looping Growlers practicing. It's now 10:15PM and it's still going on!!

3:47pm May 20. Anacortes Ferry. Walking in the lot while waiting for ferry. Then 2 Growlers overhead, screaming and roaring. Heading East it seems. Scared a little girl with the ripping roaring noise.

Already reported the jets flying over my home in Mt. Vernon, but wanted to do a followup that about 2 minutes after they passed, I got a massive throbbing headache. These jets are more than just noise. They shouldn't be doing this in populated areas.

Density Altitude: -700'

Bakerview Road on Lopez Island. Low flying multiple military aircraft disrupting our evening.

And they keep flying, low and loud. Our neighborhood is tired of it!

Come on growlers people are trying to live here live here

Another blast of unnecessary Navy jet noise over Mt. Vernon. These jets aren't compatible with populated areas.

Extremely loud and disruptive for most of the ay so far. It needs to be limited to Whidbey Island air space since it is them that want this.

Another growler jet roaring, ripping the sky apart by Thatcher Pass.

Beginning at 9:00AM this morning until present, we have been constantly overflowed by Growlers. The planes are passing low, slow, and extremely LOUD. It appears to be INTENTIONALLY directed at this section of Camano Island.

ANOTHER jet screaming over South Lopez. Is this the day the Navy tortures Lopez? What is the purpose? 3:38pm. May 29.

another loud growler overhead. South end Lopez

3 growlers flying low directly over Port Townsend

Another one immediately after at 92db

ANOTHER ROARING GROWLER OVER US. INTERFERING WITH MY ABILITY TO HEAR THE DVD I AM LISTENING TO....OR TRYING TO LISTEN TO. SOUTH LOPEZ. MAY 17.

Another stupidly loud flyover of Mt. Vernon. Didn't spot it this time so I can't say if it was excessively low altitude.

Awful grinding flyover noise that goes on and on and on

Lopez Island

Multiple, extremely loud low flying growler aircraft disrupting our morning

Low flying growler aircraft disrupting our lives"

Low flying growler aircraft over our house disrupting our afternoon "

"Bakerview Road, Lopez Island

AGAIN! 11:32am South Lopez, 3/27 LOUD JET roaring over our home. Why are Navy jets flying over Lopez?

Low flying, extremely loud growler aircraft "

Multiple, low flying growler aircraft with gear down based on how slow and loud they were, disrupting our morning "

"Bakerview Road, Lopez Island

Very low, extremely loud and annoying growler aircraft disrupting our morning "

Another jet flew over at 9:28. Also extremely loud as we couldn't hear the TV.

"Bakerview Road, Lopez Island

Flying too late and a moral outrage. NASWI is destroying our quality of life and this noise only stresses one out when one should be asleep!

Very low, extremely loud growler aircraft with GEAR DOWN. "

Multiple low flying growler aircraft disrupting my morning. "

ANOTHER Growler over us. South Lopez. 7:57pm. Why are the Growlers flying over Lopez?

Multiple, extremely loud, low flying growler aircraft disrupting our neighborhood!!"

"Bakerview Road, Lopez Island.

Low flying growler aircraft disrupting my afternoon "

Before Noon, 3/27. South Lopez. MORE JET roaring over us. Why are Navy jets flying over Lopez?

Beginning before 6PM, and continuing until after 10PM, Growler landing practice has been UNINTERRUPTED! Seriously disrupting the evening's peace and quiet.

"can you say hearing loss and mental health impacts from all the flights and excessive noise, ridiculous planes to fly over your people you are sworn to protect

Come on this is a place people live. Growlers are too damn loud

"Bakerview Road, Lopez Island

Extremely loud, very low flying growler aircraft disrupting our neighborhood

"Bakerview Road, Lopez Island

Constant LOUD fly by activity for past hour

9:23pm 3/25. Here comes ANOTHER GROWLER flying low over our home. South Lopez. A few minutes ago a Growler woke my husband. Now here is the ROARING again. How are we to sleep? How does the Navy justify flying low over homes?

9:56am, May 17. Growler jet noise has been consistent and insistent all morning. This is abuse.. It is a nice day, I want to have windows open, but the jet noise that invades my home is intolerable. The Navy needs to practice in isolated areas.

Couldn't hear the TV.

And again a growler is roaring over South Lopez. May 29, 4:11pm

Crescent Harbor Elementary

Another night of torture from the sky filled with growlers

Density Altitude: -1000 feet

Density altitude: -800'

Density Altitude: -800'

D***** you terrorist scum! So sick of these F***ing navy jets

Another display of environmental stupidity!

Direct flyover

Began at 8:00 and continuing without a break until present (~9:00pm)
multiple aircraft looping much farther east, over Saratoga Passage, than is
"typical" ... VERY LOUD and frustrating!

Direct flyover. So LOUD

GET YOUR DAMN JETS OUT OF LOPEZ ISLAND AIRSPACE!! We never agreed
to be part of your training ground!!! You are DESTROYING OUR HEARING!!
Your flyovers leave us with ringing ears and migraine headaches!! DAMN
YOU A**HATS FOR DESTROYING OUR HEALTH!!

Direct flyovers

Direct over me double flyover

Another loud growler over South Lopez. I am now irritated and irritable.
This is abuse based on Navy lies.

Ear damaging loud should be a choice.

"Bakerview Road, Lopez Island

Extremely disruptive jets flying above Admiral's Cove at noon on a
Thursday. So much for working

"Ear splitting

Could not hold a conversation"

Eating dinner with ridiculously stupid jet noise that we have reported many
times before.

2 growlers flying towards nasw. In formation causing extreme noise and
disruption to our lives. Saw them from my home in port Townsend

Enormously loud fly over Mt. Vernon. My wife was out on the lawn mower.
She was wearing hearing protection but I still saw her stop and push them
harder to her head because of the noise.

Hate the Navy so much. Since 9pm last night, it's been loud flights every
couple hours.

Get your damn jets OUT OF LOPEZ ISLAND AIRSPACE!! We NEVER agreed to
be part of your practice area!! You are destroying our hearing and our
health!! Your jets are so loud that they blot out all conversation, or ability to
hear TV inside a closed apt!

Excessively too loud. Also, I have decide to discontinue my Wednesday
night study group on The Gospel of St. John in Relation to the other Gospel
by Rudolf Steiner. ACLU reviewed the situation earlier and agreed that this
is a First Amendment issue.

flyover around dusk, Anacortes above the ferry landing- shrieking loud,
drowned out everything in the house, TV, whatever. rumbling thunder for
minutes afterwards. Hope it's the only one- but at the mercy of the navy for
rest and peace here.

"Excruciating. Covering ears did not help.

Two jets flying roughly NE to SW"

GEEZ THAT JET WAS LOW AND LOUD!

Extremely loud blast. Must be dumping fuel .hands over ears did not even help muffle the decibels.

Extremely loud flight overhead, please stop destroying our environment

"extremely loud flights overhead, why are you attacking your own people with sound relentlessly

Extremely loud Growler flying over Cape St Mary area, Lopez Island, WA. Worry of hearing damage. Had to plug ears.

Extremely loud growler noise flying over my house.

"Bakerview Road, Lopez Island

Extremely loud, and my house is shaking

Flying straight over my home

F*** you, Navy terrorists! I hope they toss your base commander in the stockades after it's revealed all the lies you had to tell to get approval to use this base

GET YOUR DAMN GROWLER JETS OUT OF LOPEZ ISLAND AIRSPACE!! You are only flying when it's overcast so we can't take pictures to prove how very low you are flying...jerks! Just because we can't see you doesn't stop your blatant noise pollution!! GET OUT

Good Friday afternoon 🙄🙄

I'm feeling sick from the loud jet noise there's a joke fine stayed over my house I have a headache. My ears are ringing I buy prices. I add my anxiety and I have to take lots of medicine because of them.

Growler screaming over our home. S Lopez. 1:43pm, May 29. Why do growlers fly over Lopez? Sightseeing? I have such a low opinion of the people at NASWI these days.. I think they must have a low opinion of those of us who live here, thus the abuse.

2 growlers flying sw. Excruciatingly loud. Frightened visitors.

Growlers all evening making life impossible

It's not nice of you to destroy people's health by depriving them of sleep. And the wild animals are suffering horribly.

Growlers crazy loud

Growlers doing touch and goes,rattling the windows in our house in Port Townsend. They have been going all day ,evening and probably into the late night. Already 9:15 pm and there's no sign of stopping yet. I'm going to bed soon noise is terrible

Here comes another extremely loud Navy jet over Mt. Vernon (or maybe it won't actually go over. It doesn't matter. One of these jets can impact half the county)

Growler's flying again tonight.Making a hell a lot of noise

I've started joining lots of religions so I can pray to lots of different gods to have the jets stop flying and the base sink into the ocean. Please let me know when it starts working. In the meantime, the Navy continues torturing Mt. Vernon.

Growlers flying loudly and making life hell below

Growlers flying loudly by

Growlers making a hellish amount of noise

I am just back from a 3 week road trip- what a pleasure to have 3 weeks break from this horrid threatening shredding, thundering, intrusive noise. Monday morning- a little thunder then shrieking sky splitting sound. Anacortes near the ferry.

Growlers making a ton of noise making life hell

Another LOUD LOW GROWLER OR 2!

Growlers making life hell

"Bakerview Road, Lopez Island

Growlers making life hell below

Excessively too, lacking a moral compass and lacking compassion for anything living.

Growlers tearing up the sky and our eardrums

Guess the U S Navy Command did not like the Seattle Times articles. Hopefully the Judge will acknowledge that the claim the US navy cannot find an area for this training that does not threaten the health and well being of US citizens is absurd.

Helicopter flying low over dugualla bay @1:14 am.

FULL AFTERBURNER RIGHT OVER TOWN. HORRIBLE!!!!

Here comes a THIRD low flying Growler over our home. Almost 9:30pm. South Lopez. Are the pilots lost? Are they on joy rides? I have NO FAITH in the Navy. They are abusers and domestic terrorists who hide behind rhetoric about national safety.

Hours long Growler landing practice destroys the evening peace.

So LOUD ~~100~~ "

It's late.. worked 9 hours.. tired/ my cat and I are feeling terribly stressed! STOP!

Hours of Growler noise, practicing landings. Beginning in late afternoon and continuing to present (circa 9PM) with no indication of when the overflights will end.

House shaking roars all morning

I am eating lunch and the noise is too loud and now and feel like puking up.

Iceberg Point on Lopez

Go away!!!!!"

In port Townsend the growlers are once again destroying our quality of life. Extremely loud and obnoxious noise from NASWI jets practicing takeoff and landing. They need to go somewhere else and F*** up a different place. We have paid our dues.

F*** YOU Navy s***bags! That was way too F***ing loud, too F***ing low. Get the F*** out of Mt. Vernon!

Insanely too LOUD! A relenting destructive abuse to the environment and all living beings.

Time approximate

Too loud! Toxic noise and particulates.

Growlers went quiet around 9:30pm. Everyone fell asleep then they came back in full roaring force and woke everyone up again. This is not right or fair to families and kids.

Trying to put the babies to sleep this is so bad for them. I have babies can't wear plugs, nor should they

Woke me up.

Trying to sleep they' keep lying over around all day at around 8:00 PM and it is now 10 AM now Gill flying over.

"Spencer Spit SP, Lopez Island.

Two growlers right over the house very loud

Unbelievably loud jets just flew over Mt. Vernon. Stupidly low and loud. These criminals should be locked up

"Unbelievably loud.

Inside store

It's bedtime. Please stop this horrible noise.

It's bedtime. STOP THIS! I do not feel safer with you there. It's not at all comforting that Ground Zero is just across the water from us.

"Bakerview Road Lopez Island

Low flying growler aircraft disrupting my morning walk"

"Bakerview Road

It's like they want to annoy us. Right over the terminal again. All the bicyclists waiting for the quiet of the islands and the... Has to use their afterburners

It's outrageously too loud and I can see the planes from my bedroom window—an achievement of NASWI's environmental stupidity.

"Jeezus!

I have a half a million dollar house!

Just as school lets out !

Just in time for the bell to ring and the kids to head outside

Landing practice NOISE, now constant, after a full day of overflights. While the UW study shows Camano getting 65dB, I have had meter readings of OVER 90dB at my home!

Let the war zone noise begin again. A little cloud cover and we are overwhelmed with growler jet noise.

"Lopez Island, Bakerview Road.

Multiple low flying growler aircraft with gear down. "

Lopez multiple planes direct flyover center of Lopez. Shattering noise

Growlers making life hell below

Lopez. Continuous roar

i guess you must be gearing up to bomb some palestinian kids?

I have the day off from work. When asked what I wanted to do, I said I didn't care as long as it was somewhere without Navy jets. They're flying over Mt. Vernon right now and I'm so glad to be getting out of here.

Lopez. Continuous roar and vibrations

Once again, the noise is outrageously too loud. And we here on the ground experience NASWI's military authoritarian consciousness of death and destruction.

NASWI helicopter with I assume new EA18G Growler trainees to soon engage in the destruction of the environment where I live. They lack a moral consciousness by engaging in the destruction of the environment under the pretext of protecting us.

ONE HORRENDOUSLY LOUD FLYOVER, NASWI NEEDS TO GET THEIR NOISY GARBAGE OUT OF THE SKY THAT IMPACTS EVERY LIVING THING. IN THE AIR, ON THE LAND, AND IN THE SEA!

Loud growler jet roar. South Lopez.

Every time I take my earplugs out, I'm blasted by jet noise. These jets are constantly terrorizing Mt. Vernon. Move them away!

Loud growler overhead. South Lopez.

Navy scumbags are out terrorizing Mt. Vernon (and likely the entirety of Skagit County with how loud these bastards are)

Navy terrorists showing up just on time to ruin lunch. Mt. Vernon is under attack again. Won't someone save me from these meddling pilots?

Loud jet roaring this afternoon while I was out for a walk. Disturbed. Lopez.

Hard to sleep when the Navy is terrorizing Mt. Vernon at 11pm

Helicopter. So loud. Not cool.

Loud jet roars over the ferry.

Measured 95+ db on my phone

Low flying growler aircraft disrupting our afternoon

Low flying growler aircraft on Bakerview Road, Lopez Island

It seems to be official US Navy policy to see whether they can ruin every beautiful sunset in the greater Coupeville area. They missed one a few weeks ago, but right on schedule today - thanks guys.

It's impossible to think when this noise happens!

Low flying, extremely loud growler aircraft disrupting our morning

Low loud S Lopez

NASWI has no moral consciousness with these flights. nothing, but nothing is being protected here!

Low over S Lopez

I was in bed about ready to go to sleep, then this idiotic Growler jet noise started to invade and destroy my space. This shows absolutely no care for the people who live here. This is called protecting us, my ass, it is nothing but moral decadence.

Multiple aircraft circling; practice landing so NO BREAK between planes accelerating away. Just ONE CONSTANT exhaust blast!!!

I'm feeling extremely stressed!

Low over South Lopez

Many flights today Friday morning...through afternoon.

May 28, 1:37pm. South Lopez. Growler SCREAMING and ROARING over us. Startled me.

F*** the navy from Port Townsend eat my s***

F*** The navy!! F*** the military in. General. There's no respect for civilians or anything else that is around a military base. The navy will lie, cheat and steal to make sure nothing will interfere with their mission. They abuse us every day

"Jeezus!!!!

Maybe there is a man or woman w/in USN Command that will at least contemplate the harm the Navy Growlers are causing to the U.S. residents of Puget Sound.

Navy has been out terrorizing Mt. Vernon for much of the morning. Just got an extra loud one. They should be in the desert.

measured 87db

Mud Bay, Lopez. Growler roaring over our home. 7:49.

"Multiple growler simultaneously flyovers

Vibrating my whole body"

Multiple low flying growler aircraft disrupting my afternoon

Outrageously too loud. We cannot hear President Bidens State of the Union speech on TV.

Overflight of multiple jets. Had to stop yard work and go into house!

Multiple low flying growler aircraft over Bakerview Road on Lopez Island

Low flying helicopter. Two extremely loud passes in 5 minutes

Tandem, in low flight over house on Camano. Trying to work in garden and outside play time for kids. Having to cover our ears several times today. There is no reason to fly this low over Camano.

This is reported from home connections and Hand in Hand building. Serving homeschoolers and children under the age of five with delays in development.

Low flying, extremely loud growler aircraft

Multiple planes JUST BEGAN landing exercises AT 10PM, for christ-sake. What are they trying to prove????

Roaring over S Lopez

My Apple Watch showed 96 dB for several minutes. Growlers are ridiculously loud

"Bakerview Road, Lopez Island

Low flying growler aircraft disrupting our morning "

"Bakerview Road, Lopez Island

My ears are ringing my house is shaking, and I have anxiety and high blood pressure. They don't care about us. No one has ever called back on the hotline.

Insanely, impossibly, loud flyover in the Mt. Vernon area. The extreme noise lasted for over a minute. Pets are still hiding under the bed.

NASWI continues to engage in a catastrophic breach of moral & ethical thinking reflected in imposing these flights on the environment and the living beings that live here with their toxins that portend the death & destruction of all living beings.

Navy anti-heroes are out terrorizing Mt. Vernon again.

I hope you jerks get to take your toys into a real battlefield. And get ****
****.

Navy committing acts of violence against its own citizenry. These are no heroes.

Navy destroying the peace of our region again. Flying over Mt. Vernon in their weapons of terror.

Navy's out terrorizing Mt. Vernon right now. Also some enormously loud flyovers about an hour ago.

Roaring over Aleck Bay

Noise and spectrum of other toxins are dangerous to the life of all living beings.

Northbound and curving to the east, over the top of Whiskey Hill and Rum Runner Roads, just east of Fisherman Bay on Lopez Island, Washington.

Oak Harbor Elementary/ public pool / senior center

2 ac

Several loud passes today. Many hit over 90dB as they went over our home. So loud much of the time we couldn't even carry on a conversation outside

GET YOUR DAMN JETS OUT OF LOPEZ ISLAND AIRSPACE!! WE ARE NOT YOUR PRACTICE GROUND!! WE ARE REAL HUMAN BEINGS AND YOU ARE DESTROYING OUR HEARING!! WE DO NOT DESERVE TO BE SCREWED OVER JUST BECAUSE WE LIVE IN A RURAL AREA!! DAMN ALL OF YOU!!!

Navy's been out being aggressively horrible today. Dozens of extremely loud flights over Mt. Vernon.

Multiple low flying growler aircraft disrupting my day

Navy's being a bunch of a**bags over Mt. Vernon right now. Noisy flyovers and general rumble.

South Lopez. 11:12am Now we have jets roaring in the skies. LOUD LOUD LOUD. We live in a war zone.

Two extremely loud Navy jets just flew right over Mt. Vernon on their way, I assume, to terrorize the East side.

Port Townsend is under assault by the US navy again! Constant bombardment of extremely loud growler jet noise from touch and goes at NASWI! F*** the navy , they lost in court and are still operating under a phony EIS .

Once again we not only have horrendous jet noise and other toxins, but a display of the being of military consciousness of death and destruction that has no reverence for the Earth and all living things above and below the Salish Sea.

Second pass over South Lopez

OVERFLIGHTS all morning and increasing now in afternoon. Very disturbing while working outdoors.

piece of s*** a*****. I can't believe anyone pretending to have honor would do something like that. I hope you F***ing pricks feel shame.

Playing a DVD a friend made for me, and I cannot hear it due to HUGE ROARING GROWLER OVERHEAD. May 17 9:04am. South Lopez.

Jeezus!!! So loud!!!!!!!

Please STOP!

Port Townsend excessive,disrespectful,infuriating,belligerent noise emanating from naswi . F*** the navy! I hate the navy. They suck , they are ruining the Salish Sea, the Olympic National Park, Olympic National Forest and everywhere they fly.

Afternoon and the sky is still roaring and groaning- creepy threatening low sounds. Despoils this Thursday- makes my home uncomfortable. Anacortes near the ferry terminal.

Low flights over Lopez all day. Rattled windows and shook structures.

Low flying growler aircraft

Two selfish scumbag Navy pilots just flew right over my Mt. Vernon home at low altitude. I don't even see helicopters flying that low. It was *extremely* loud and they were going fast enough that I had almost no warning before I was blasted.

Rattling house windows. This is too much.

Ridiculously loud to the point of not able to have a conversation within our home. Guess there was a need for a sunset run?

Several in a row. Can't talk to others and have to stop what we are doing! Just obnoxious

Ridiculously loud. If iwas just a single flyover maybe twice a day, I wouldn't complain. But it is the constant noise that has persisted for an hour and a half already. I can hear them while wearing hearing protection, operating craftsman lawnmower

Right over the house growlers making huge amount of noise

May 28. Excessive jet noise over South Lopez this afternoon. Disrupted my walk outside. It was just not pleasant to be outside with all that thundering.

May 30, mt vernon. Loud growler overhead. Hurts my head.

Right over the house. Very disturbing this time of night.

Roaring over south Lopez.

Rumbling and howling noises

Apple watch alerted me to Loud Noise environment, may impact your health. Just another Growler flying low. "

S Lopez. 2:41pm. May 29. ANOTHER roar from a Growler.

S Lopez. 2:15pm. May 29. The noise begins as a scream, then it sounds as if the sky is being ripped apart, then it's a deep dull roar, & that roar just keeps echoing & rolling around, & echoing.

Once again we are witness to and suffer from the EA18G Growler jets toxins of horrendous noise, carcinogenic Black Particulates and Unburned Jet Fuel Mists..

Too loud! We are having to vacate our house and seek another palace to exist this afternoon. NASWI has no care or reverence for anything living in/above the Salish Sea, only about death and destruction for what exists in the guise of protecting us!

S Lopez. 3:10pm, May 29. WHAT IS A GROWLER DOING FLYING OVER OUR HOME? OVER ANY HOME FOR THAT MATTER!!!! Screaming loud!

SCREAMING JET OVERHEAD HORRIBLE NOISE LASTING over 3 minutes!!!!!!

Scum-bag slime-ball low-life toilet-licking self-aggrandizing piss-drinking Navy wankers flying over again, making their big self-important noises.

Lots of loud flyovers today"

"SE Lopez

Was in garden, had to stop talking with helper as we couldn't hear each other and we were 5 ft apart. "

Several annoying low loud overflights lingering.

so loud I had to go inside. My ears are still ringing

Terribly loud and disruptive! We were having a quiet evening when suddenly Growlers exploded over Saratoga Passage, literally rattling windows. Now their in the constant looping of multiple planes practicing touch-n-go landings. HORRIBLY LOUD !

Thanks for waking everyone up growlers

Some people are trying to sleep! The noise is awful!

Pattern 14 at dinner hour shows zero respect for our community.

South Lopez . I am outside doing some gardening. Loud loud roaring growler overhead. 10:57 am May 22.

Oak harbor elementary/ senior center / community pool

OMG! Seriously??????????

South Lopez. 1:17m. Another Burst of loud jet roar over us.

The noise makes meditating before going to bed an impossibility. NASWI has no reverence for our First Amendment Rights and Freedom to live in a toxic free pastoral place.

Stop already! Feels like we're living in a war zone and this is not that. Please find a new area of this vast country to cast noise and disruption into.

Stop killing us with you NOISE!

STOP! So freaking LOUD!

Sunday Sunday 🤔

Terrible terrible flying engines overhead

That darn growler is circling over us again. 1:41pm, May 28. S Lopez.

The flying terrorists just made an enormously loud pass over Mt. Vernon again. And I think I hear the next batch on the way. Can these jack***** please move to an unpopulated desert?

Multiple low flying growler aircraft disrupting my walk"

The jets started as I was finishing yardwork, flying so loud and low they drowned out my heavy-duty gas-powered line trimmer. I was wearing ear protection; without it, the jets would have caused immediate and lasting hearing damage. This is not ok.

State park on a Sunday

The Navy can go to hell (Or I suppose keep creating hell around them). For the last three minutes, the sky over Mt. Vernon has sounded like an entire stadium filled with millions of shop vacs.

Look, you a*****!! I'm trying to record training videos and I've had to start sections over three times because of your flights!

The Navy peace-destroyers are out terrorizing the entire Skagit Valley again. Insane amount of aggressive low frequency noise.

Unrelenting jet noise from multiple Growlers practicing landings over central Whidbey. HORRIFICALLY loud, circling without interruption!

The noise just keeps going and going...

Unbelievably loud. I thought the base was 20 miles away. Sounds like it is at Fort Worden. Time to do an honest EIS on the jet noise.

The noise started at 7:35 and continued to persist at 9:11 PM. NASWI stop destroying the OLF Coupeville area with your environmental toxins.

The terrorists are out over Mt. Vernon. All day earplugs and headaches again. The Navy has options, but they're sadistic and selfish.

so loud that I had to go inside. my ears are still ringing.

The US has a policy of not negotiating with terrorists, but apparently we still let them fly over our cities and use our military bases.

They are flying too low and some people are trying to sleep. The house is shaking and rumbling

S Lopez. Uh Oh, right on the heels of the 10:45 rocket launch, we are again vibrating from another one.

They just buzzed the ferry terminal. At a couple thousand feet. Yet the base is 8 plus miles away. No reason for this. Another attack on the civilian population

They Navy has been circling Mt. Vernon for at least the last half hour and now they're doing an enormously loud flyover. If I was outside, I'd have to drop everything and plug my ears as hard as I can.

Hard to explain, I will try. Jets are flying and sharp pains shoot through my head as the sound penetrates the house.

This growler aircraft was really low with likely gear down. The house was rattling it was so loud. Stop the noise!!!

Walking in the woods with my dog disrupted again by growler over flights. Constant harassment from the navy

Three growlers heading west over Cape St. Mary, Lopez Island, Washington.

We have triple pane windows and still can't hear the TV in the evening.

Growlers flying all day"

Unreal that this is permitted over a residential neighborhood on a peaceful, touristy island. Trying to work at 1pm and cannot be on any meetings because of the noise, absolutely shameful this continues. Stand up for your citizens Washington.

USN Command.....your courage is admirable.

Very loud to the point where I had to cover my ears while inside

Even when the jets are way off in the distance or when they're just firing up the engines on the ground, it can make the whole region sound like you're living in a tunnel under a freeway. There's a constant low rumbling growl. Belongs in the desert.

Very loud trying to put babies to bed they can't wear earplugs

Started flying. I can not explain what happens in my body accurately. The facts are my heart starts reacting, anxiety hits, stress and to list a few

Very very loud and very low growler aircraft

War zone on Bakerview Road, Lopez Island

Was trying to recover from a panic attack but the Navy joy riders spoiled it. Guess I'll be stuffing the earplugs back in and dealing with the headaches. I hate the Navy.

Constant loud flights. Probably sleeping in unfinished basements to try and minimize noise in o try and sleep. Dog is cowering because of the noise. It affects everything.

South Lopez. ANOTHER JET RUMBLING ROAR from NASWI. Invasive.

South Lopez. Another LOUDER rumbling roar from NASWI. Is this what we are going to endure today? May 21.

Was up in Vancouver over the weekend. It's amazing being around people who have a reputation for kindness instead of the US reputation for chest thumping and unearned machismo. Back in Mt. Vernon getting tortured by the Navy again.

Even when they're not flying right over and causing headaches and ringing ears, you can hear the growling rumble off in the distance. It's a horrible sound that raises blood pressure.

First low rumble of the day- after deep , low frequency house vibrating sounds delaying my falling asleep yesterday. Not "loud" but still felt deep in the body. This is unnatural and most akin to feeling of earthquake.

Anacortes by ferry. BAD

We are eating dinner under the most disruptive conditions. NASWI Growler jet noise has no place here and it is the voice of stupidity.

Why does theNavy bother putting out a schedule it is never the truth !

10:47am S Lopez. So, it is now one after another. Continuous vibrating roars, I feel it in the floor.

Calling someone!"

Why on earth should I consider that I could listen to something in my own home without disturbance? ANOTHER #\$\$%^&Growler roaring above, drowning out anything. South Lopez.

"Windows shaking!

China in China closet too"

"WTF!!!!!"

Yep. USN Command decided tonight would be a great night for training....keeps the children and elderly awake while they lose their hearing. Same Command that tried to hide the decibel readings of the Growlers in the initial EIS

You guys are the epitome of courage and common sense."

Almost constant roar. I will need to go somewhere else.

Beautiful evening after pouring rain for days now drowned by jet noise. Stress not knowing how late this will be going on tonight.

Came out to work in the garden and have kids play outside. Now stressful and full of anxiety on this beautiful day due to the constant jet noise in the background. Opposite of a relaxing spring day.

It is after 8pm. Flights are so loud and constant. You can hear them through the house with a dishwasher going, a heater fan, dinner being made, kids and ear plugs in. I could even hear them in the basement, so there is no escape. This is not right.

Constant sound like thunder

S Lopez. 2pm. 5/21. Growler is SCREAMING overhead. Trying to talk with our neighbor on the porch about some logistics & we simply had to stop talking. Painful to the ears.. Like having fingernails on a chalkboard 100 times the volume. STILL ROARING

Deep rumble from navy jet. It was quiet, now noisy. Lopez.

Difficult to hear tv

Flights are so bad. I could not imagine being closer. Can't sleep and it is 9:30.

Growler roaring over South Lopez.

I want this in writing. If I go to the hospital it is because of these jets and the Navy should be held responsible

I would not call it a low rumble. It shakes your chest and brain. Trying to enjoy a peaceful evening and you have these things flying. I can even imagine what it is like on Whidbey.

Jet flying over a ballet class. Stopped class for a few minutes with an age group of 5 yr olds. It's still rumbling in the background. There is nothing these jets don't interfere with.

Too damned loud. Growlers need to move to remote location

Too loud over flight!

Jets were noted not to be flying today. I wish we could attach pics and recordings to this

Load flights interrupting work from home. Can not hear my calls. These flights are out of Oak Harbor not and I am South h Camano. The loudness of this type of jet should be banned in areas that are populated.

"Low RUMBLE interrupting a lovely

morning walk."

More noisy rumbling from Whidbey this rainy morning. Doors and windows closed but the noise walks right in. South Lopez.

Not sure how people are expected to be rested for work or school with this terrible jet noise. It is past 9pm and they have been flying all evening.

So hard to sleep because of the flights. Work and school night. The noise is so agitating. Everyone in the house is anxious and grouchy and it is due to the constant noise

So loud could be heard in crowded restaurant

Sound penetrating the entire house. No where to escape as everyone is trying to go to bed on a school and work night. It is war on us.

South Lopez. ANOTHER DISTURBING RUMBLE from Whidbey. May 21.

Time may be slightly off.

Unusual fly over town of Coupeville

Went to the state park to enjoy the sunset and CISP. Had to leave because of the jet noise.

Woke us up. It is 9:45pm and they had stopped. We all went to bed and now they wake us up on a work and school night at 9:45pm. So wrong

yo suck it

It rattles every nerve in my body. The sound penetrates every corner of the house. The fight or flight kicks in. You feel guilty for being angry at the people who are there to protect you but angry because they harass with noise and laugh online

USN Command.....think about your delivery of extreme harm to the U.S. citizens living in Puget Sound. May your aggression and ego haunt you next time around!

7:39pm. I am reading, quiet at the end of a hectic day, and I feel a vibration through the house, and hear the loud rumbling. I am disturbed, distracted, and now less relaxed. Mud Bay, Lopez

8:58am May 21. Several jet roar rumbles this morning already. Always make me jump because the noise could signal someone in the driveway,

something wrong with the washing machine, etc. Instead, the Navy is invading my home.

9:48am. 3/27. South Lopez. JET ROARING ROARING ROARING RUMBLING RUMBLING RUMBLING from Whidbey.

Aircraft noise felt inside home,

Causing landslides my house triangles rumbles and vibrated so much that I had a water leak from my refrigerator in rocket from the icemaker line and flooded my house I didn't find out until the floors started bubbling up then mold started growing

Constant noise from multiple jets looping in landing practice.

Deep, loud, low rumble went on for at least 3 minutes. Stopped at about 3:57pm.

"Engine noise from Ault all morning

Now flyovers. Very loud"

Engine run up rumbling on Lopez

Flight directly over the trees of the house. Not on their island but ours at 9:25pm

Flight shook the windows and I could not hear my meeting

Helicopter

Very loud, startled my family and dogs. This needs to stop. We didn't buy next door to an airport

here we go again

I hear the Navy off in the distance, like a rabid weasel preparing to tear apart everything in its path.

I've been putting up with this five years no response from the Navy when I called the hotline and give them my address and they have my location. They just dive booming us more.

Jet noise ALL morning long!

Lopez island. House shaking from noise vibrations

What is needed is the moral maturity of Humanity's consciousness. Each of us can put an end to the death and destruction of this place that we know as our home. Our reverence for the earth is our soul's origin within the cosmos.

Why does the Navy put out anything about flights when here in Oak Harbor they are always flying ?

Low flying helicopter. Raddled windows, scared the dog and stopped conversations. Could have flown over open water and not over houses

May 21. South Lopez. MORE rumbling roar from Whidbey slams into our home.

S Lopez. Rumbling Growler Roar disturbs the peace of our home.

Tandem flight directly over house that left ears ringing even while in house. Recorded flight to prove. No reason to fly over to his location without them trying to harass.

NASWI continues to engage in catastrophic breaches of moral & ethical thinking reflected in imposing these flights on the environment & the living beings that live here with their spectrum of toxins that portend the destruction of all living beings.

Engine runups Ault

Very low, very loud as if in a statement of reporting them. After harassment on line, it would not surprise me. I know this flight was too low in this area to follow standards.

Vibrating the house

F* The navy**
