

# Jet Noise Generated by Naval Air Station Whidbey Island

## Report: June, July, August, 2025

### Apparently, the Navy thinks sleep is unnecessary.

- Was difficult to fall asleep due to jet activity even with the windows closed. 12:50 am was the last time I was woken up from sleeping by jet noise.
- 12:10am. July 21. Yes. This has been going on all night. Now into early morning. Could not get to sleep and it appears the Navy is determined to make noise all night. **S. Lopez**. Closed windows do not keep this noise out. It slams right into our home.
- After less than an hour of peace since the last episode of Growler overflights, they are at it again. Multiple Growlers are BLASTING along west side **Camano**. Last night Growlers were overflying at 11:00 PM. Now another is passing over!
- Are you kidding me? It's 12:28 in the morning on what's now a Tuesday. Great time to practice the bombing run guys, really winning hearts and minds
- Jet noise in **Port Ludlow** interfering with sleep. Have to work tomorrow.
- It's getting worse every minute- louder and louder. My kids can't fall asleep.
- Woken from a deep sleep. Bell Street Addition, **Port Townsend**. No good reason for flying at this time, harassing my neighborhood!!!!
- They finally finished, but that was sadistic. Nearly non-stop from 9:20pm to 12:40 am. 3-1/2 hours of 100+ decibel flyovers every minute or so. I don't understand how they can do that to the people and animals of **Coupeville**.
- Our home is not in any of the listed flight paths, yet the jets fly directly over our neighborhood on a regular basis. The past two nights have been extremely disruptive to sleep.
- It's 12:51 in the morning and there are f\*\*\*\*\* war machines flying over small residential neighborhoods on **Whidbey island**. Does common sense simply not play a role here, folks?
- It's no longer late night. It's early morning now and it'd be nice to be able to sleep! This week's schedule says nothing about early mornings!!
- No break from 830p and still going after midnight on a weeknight. We can't open the windows or sleep. Outrageous lack of consideration for the community that supports you.
- On and off all evening, 7/21, until 12:30 AM 7/22, loud, sleep disrupting roar of jet engines. Impossible to shut out sound with ear plugs: sound penetrated bones and muscles.

Since 2015 jet noise reports are submitted by residents of the Salish Sea region and Olympic Peninsula, using the San Juan County Aircraft Noise Reporting Website. This document provides data broken out by reports generated inside San Juan County and outside.

The noise is not going away, see page 4.

Beginning on page 11 please read the comments made by those who submit noise reports and feel the frustration, concern, and anger.

#### INSIDE THIS REPORT:

- Reports by Location
- Reports by Type of Noise
- Reports by Time of Day
- Reports by Day
- Map of Report Locations
- Comments submitted with each report, revealing human impacts

## Understanding This Report

The San Juan County Aircraft Noise Reporting website was approved in 2014 by the County Council for people to have a reliable place for recording their reports and comments. Data reports began in 2015.

<https://gis.sanjuancountywa.gov/aircraft-noise-reporting>

Who submits reports? In October, 2019, permission was given for people outside of San Juan County to use this noise reporting website. This has enabled reports from the wider region.

### Correcting Location Data

Beginning in January 2023, data reporting addresses a problem with the website's capture of location data. Many reports default to a location in the center of San Juan County (SJC) when the person does not provide their location. This artificially raises the number of reports attributed to San Juan County that actually come from outside SJC.

Here is what we are doing. Some reports with invalid location data can be corrected by their comments or zip code. Next we look only at reports with valid locations to determine the normal portion of "inside" and "outside" of San Juan County. Finally we assigned the reports with invalid locations to "inside" and "outside."

Future reports likely will show more reports from outside of San Juan County than previously. Considering the smaller population base of San Juan County compared to nearby counties also affected by Navy jet noise this is not surprising. This has been the trend since 2019 when we opened reporting to outside SJC.

**Listen to the jet noise that we hear in our region:**

<https://sounddefensealliance.org/growler-videos-audio/>

**The Navy dismisses noise data:**

<https://www.seattletimes.com/opinion/navy-should-use-our-data-on-growler-noise-not-dismiss-it/>

### Jet noise raises emotions.

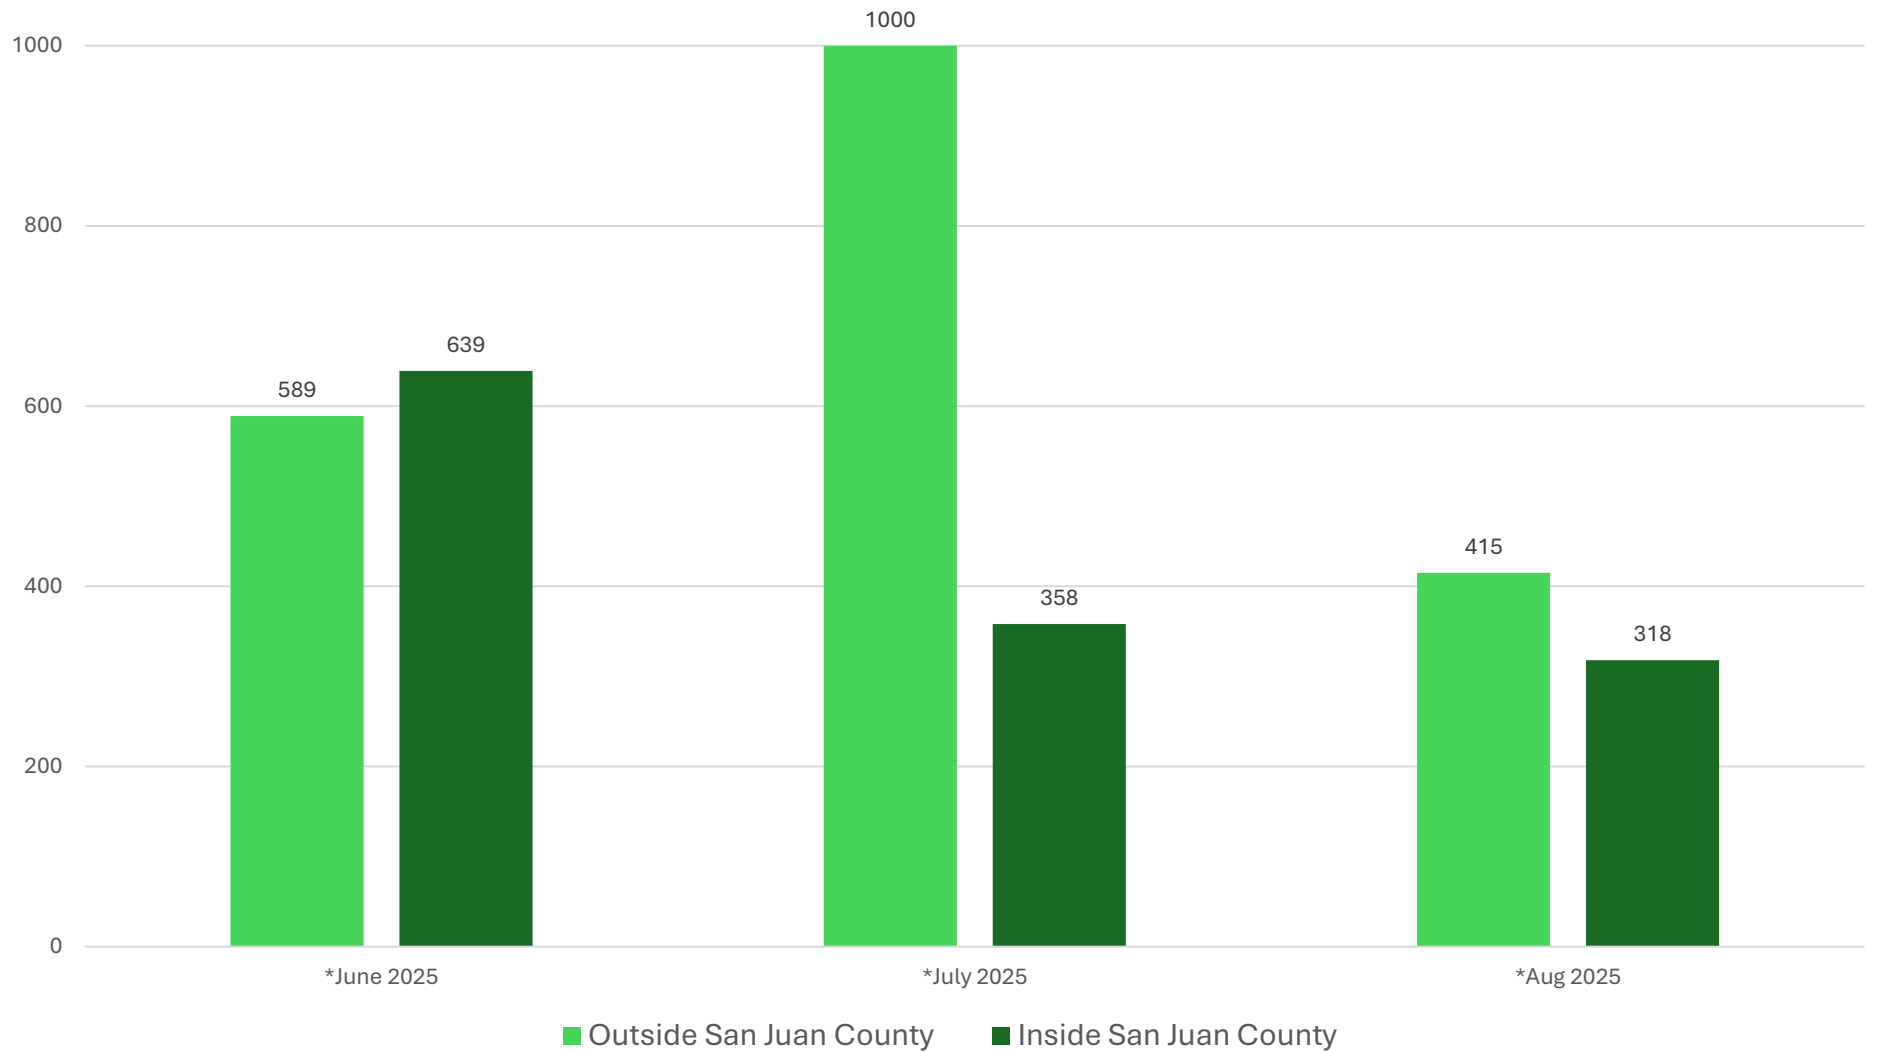

**If you are in crisis, you can call the National Suicide Prevention Lifeline 24 hours a day, seven days a week, at 988. Press 1 for the Veterans Helpline.**

You can also text a crisis counselor by messaging HOME to 741741. Crisis lines are available for all Washingtonians regardless of insurance status or income level.

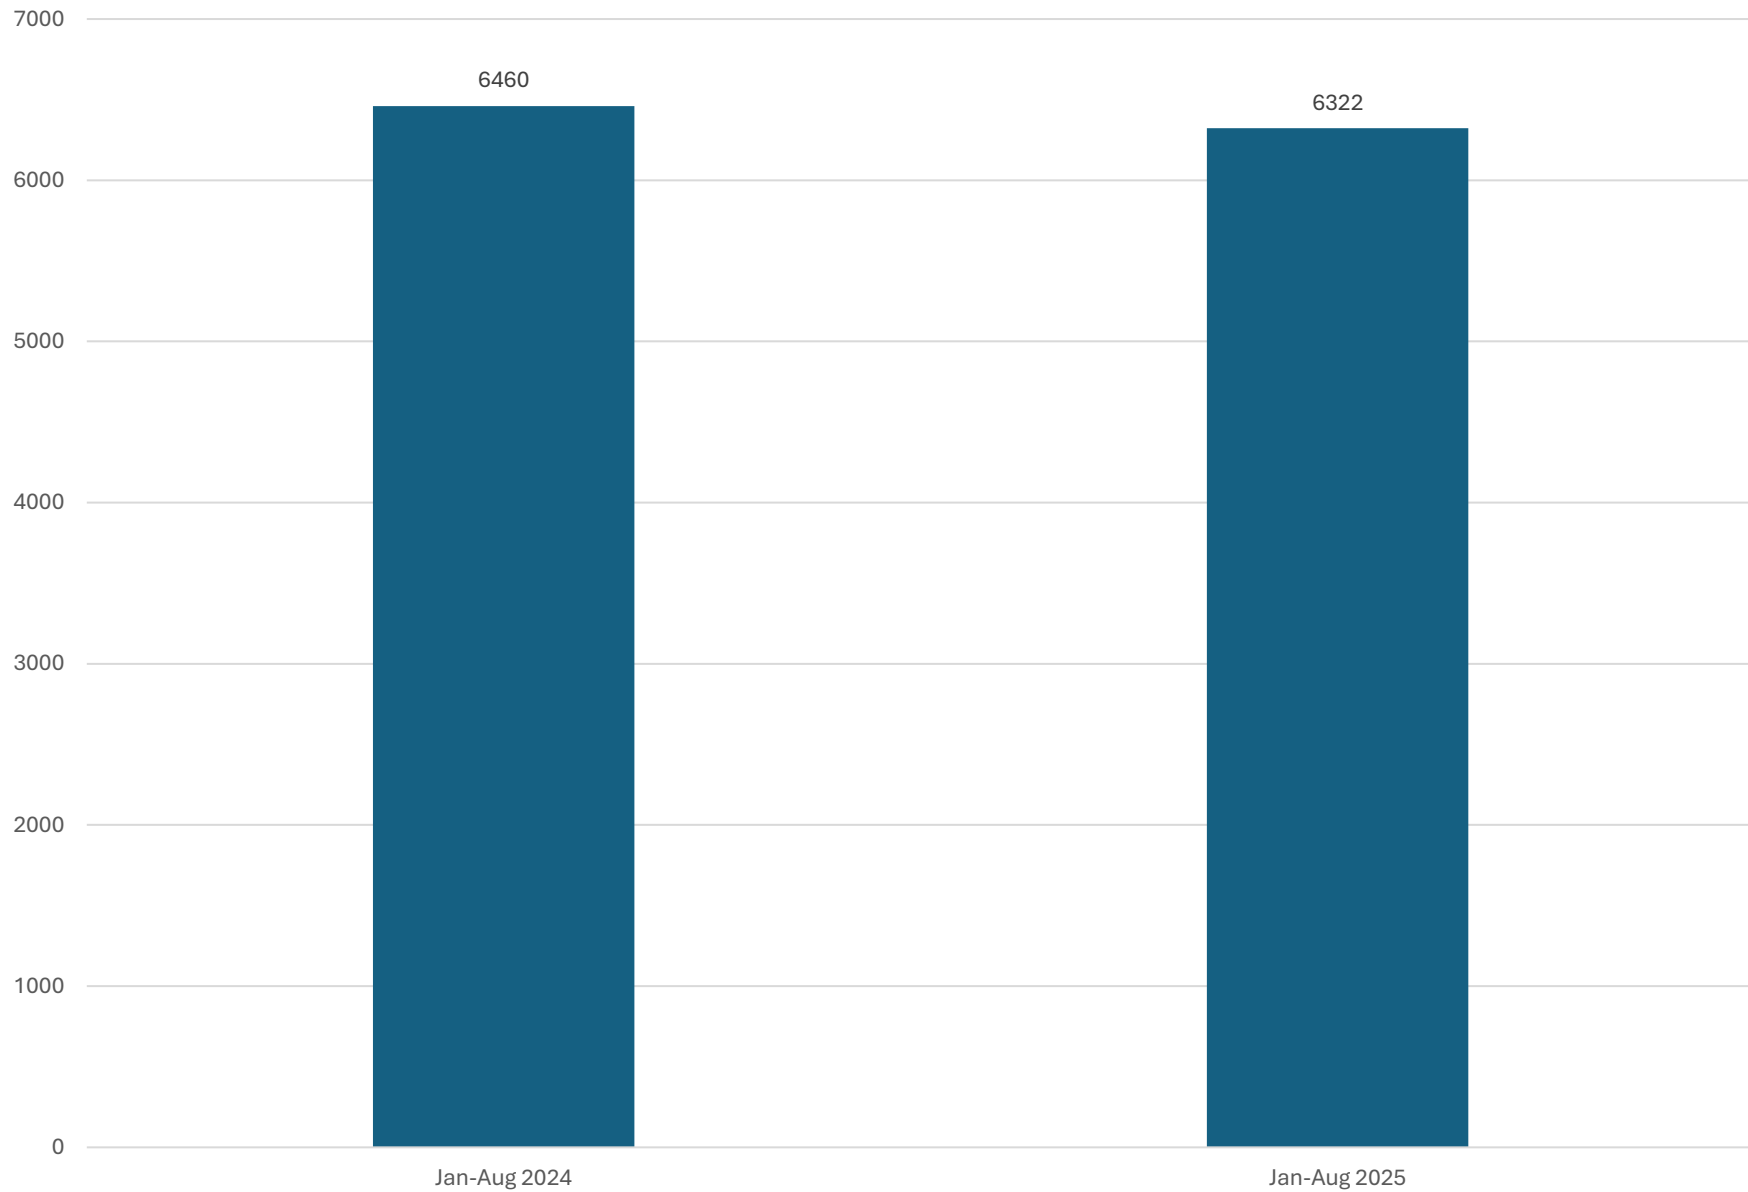

### Hints on reporting jet noise:

<https://www.quietskies.info/access-the-county-report-site>

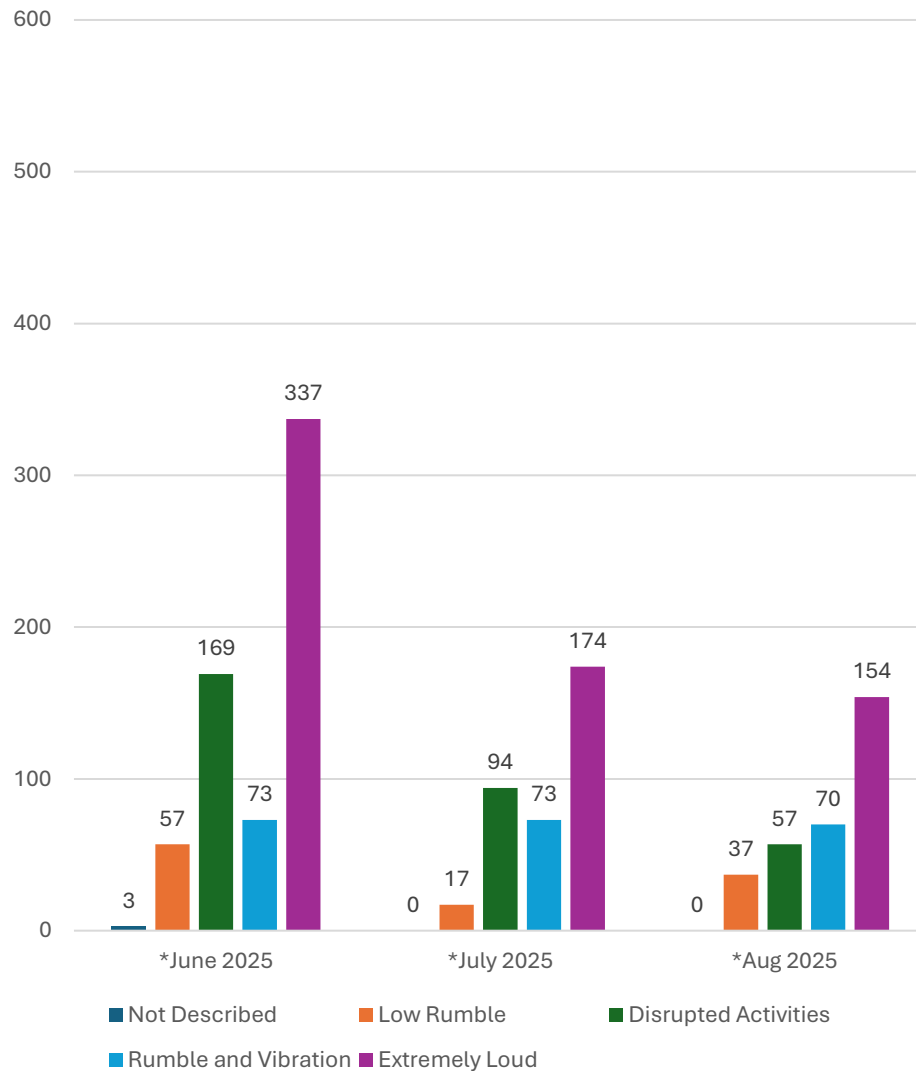

## Jet Noise Reports by Location June, July, August, 2025

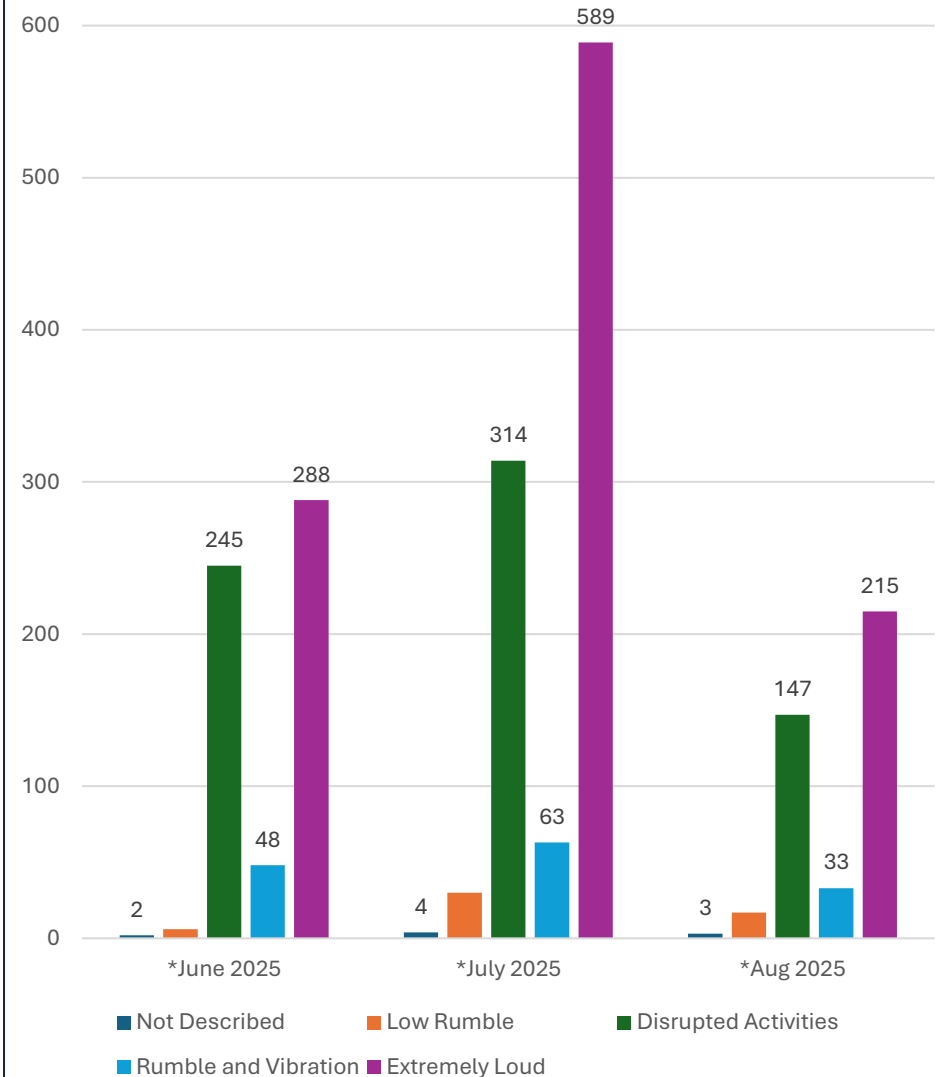

### Comparing Jet Noise Reports First Eight Months, 2024, 2025

### Type of Jet Noise June, July, August 2025 Inside San Juan County

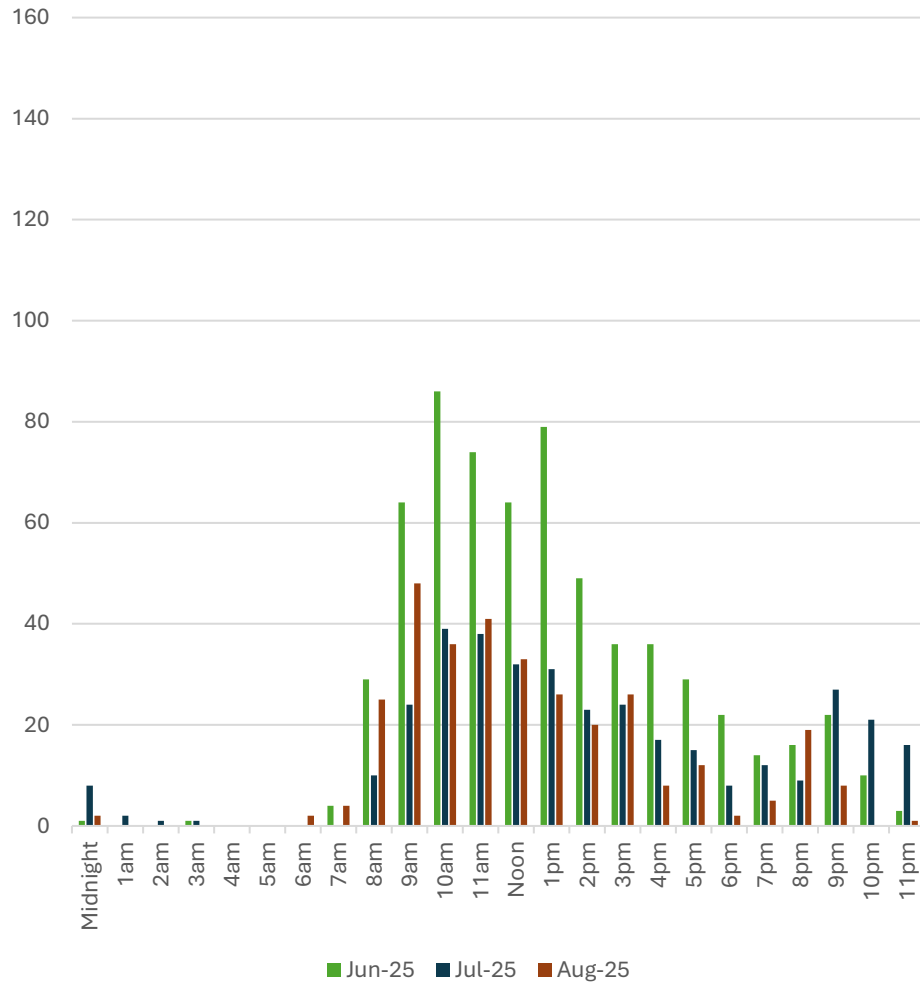

### Type of Jet Noise June, July, August 2025 Outside San Juan County

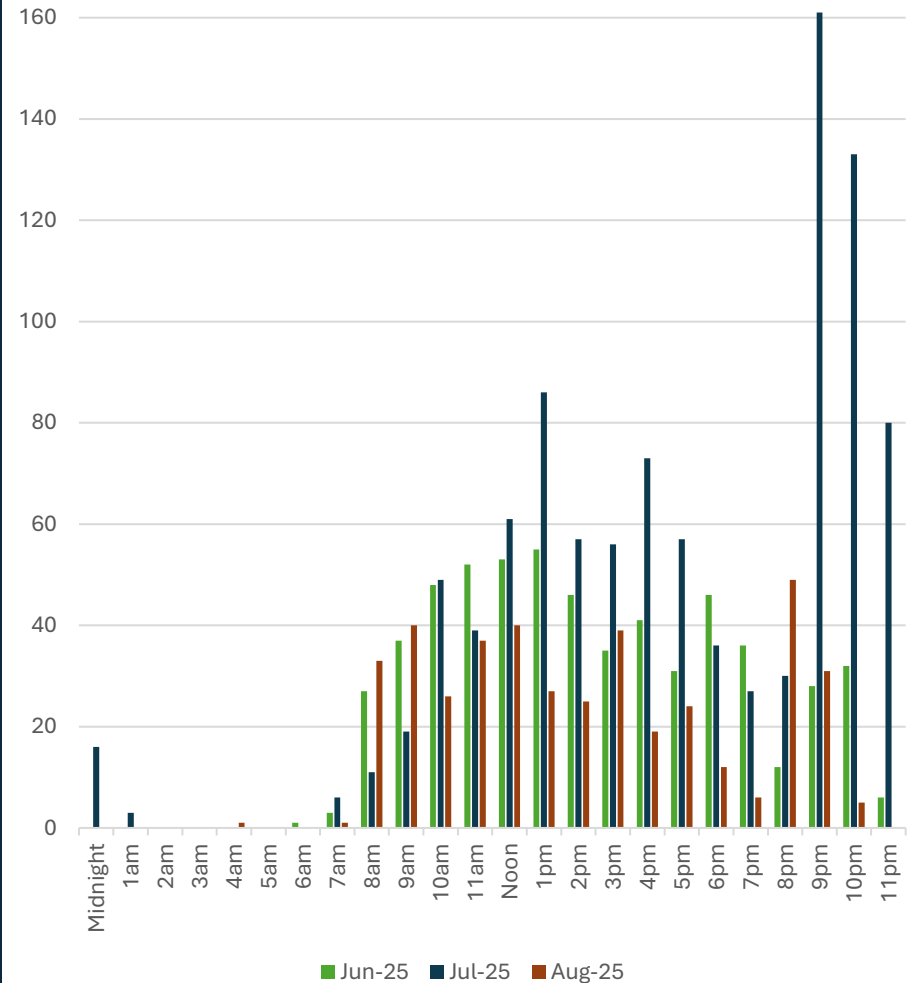

**Note the variation in noise experienced by location and compared by month. The Navy persists in using “annual noise averaging,” significantly underestimating the impact of jet noise. There is no “average” noise felt by residents in this region. The noise is variable and unpredictable.**

### Jet Noise Reports by Time of Day June, July, August 2025 Inside San Juan County

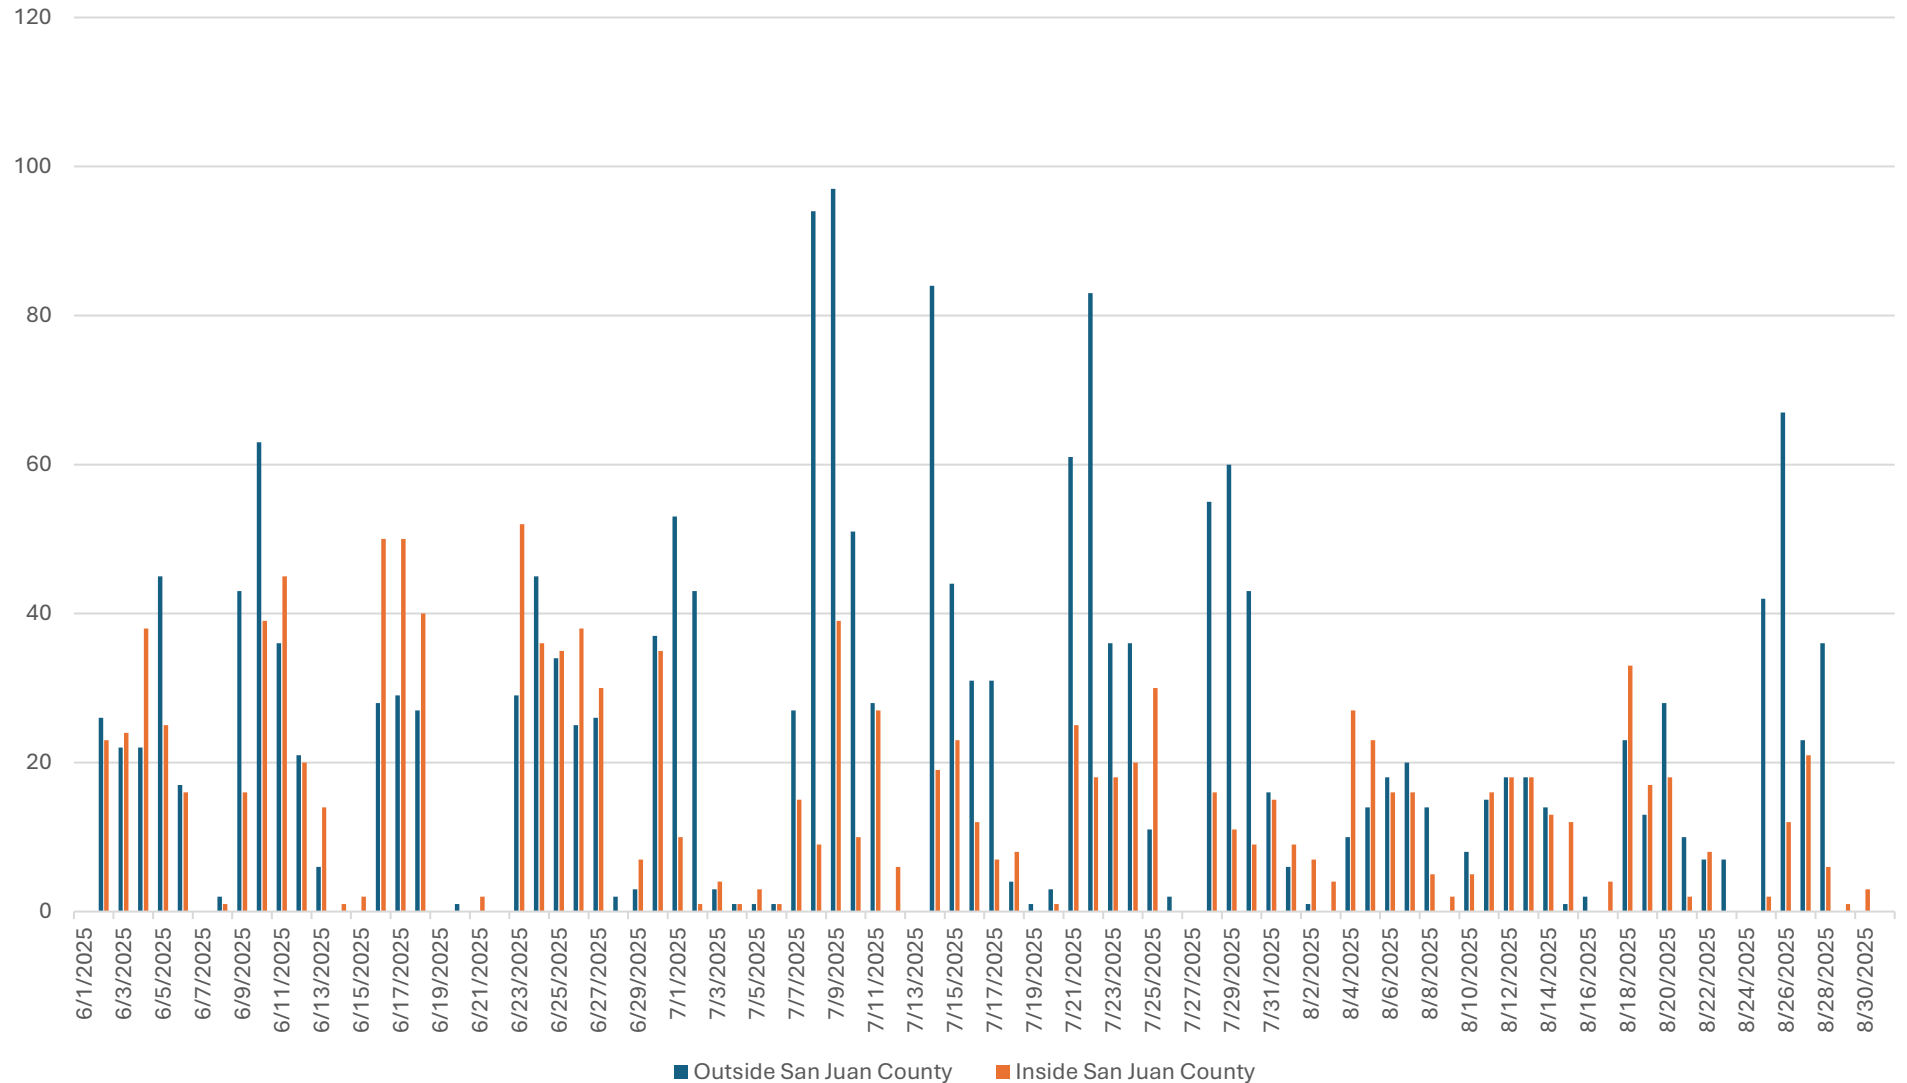

### Jet Noise Reports by Time of Day June, July, August, 2025 Outside San Juan County

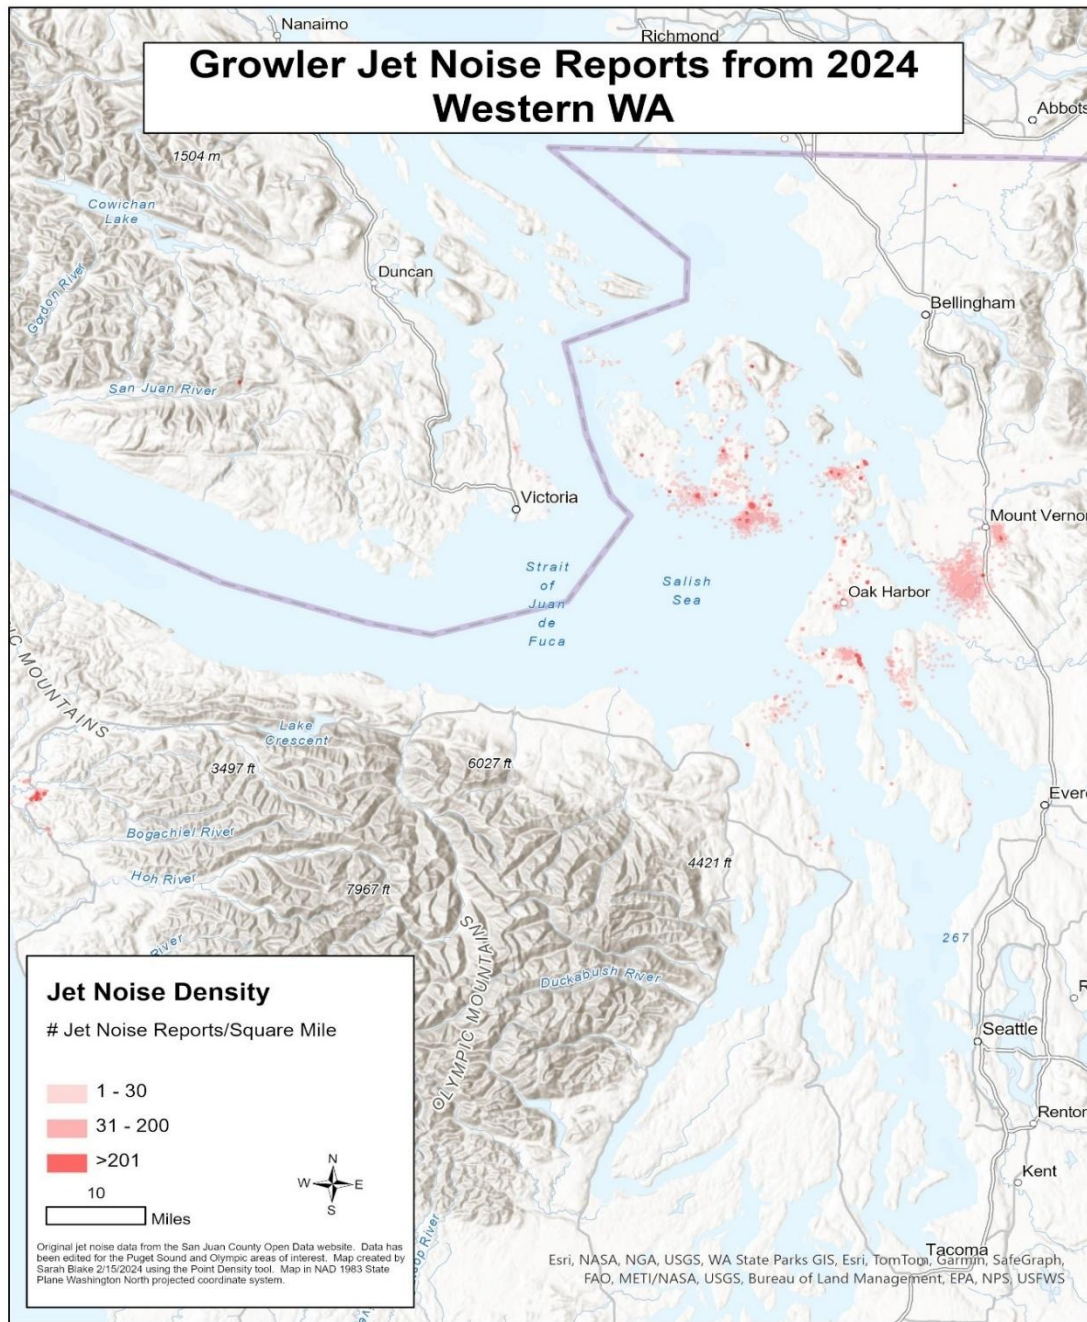

**Note the variation in noise experienced by location and time of day. The Navy persists in using “annual noise averaging,” significantly underestimating the impact of jet noise. There is no "average" noise felt by residents in this region. The noise is variable and unpredictable.**

### Jet Noise by Day of the Month June, July, August, 2025

**Note the variation in noise experienced by location and day. The Navy persists in using “annual noise averaging,” significantly underestimating the impact of jet noise. There is no “average” noise felt by residents in this region. The noise is variable and unpredictable.**

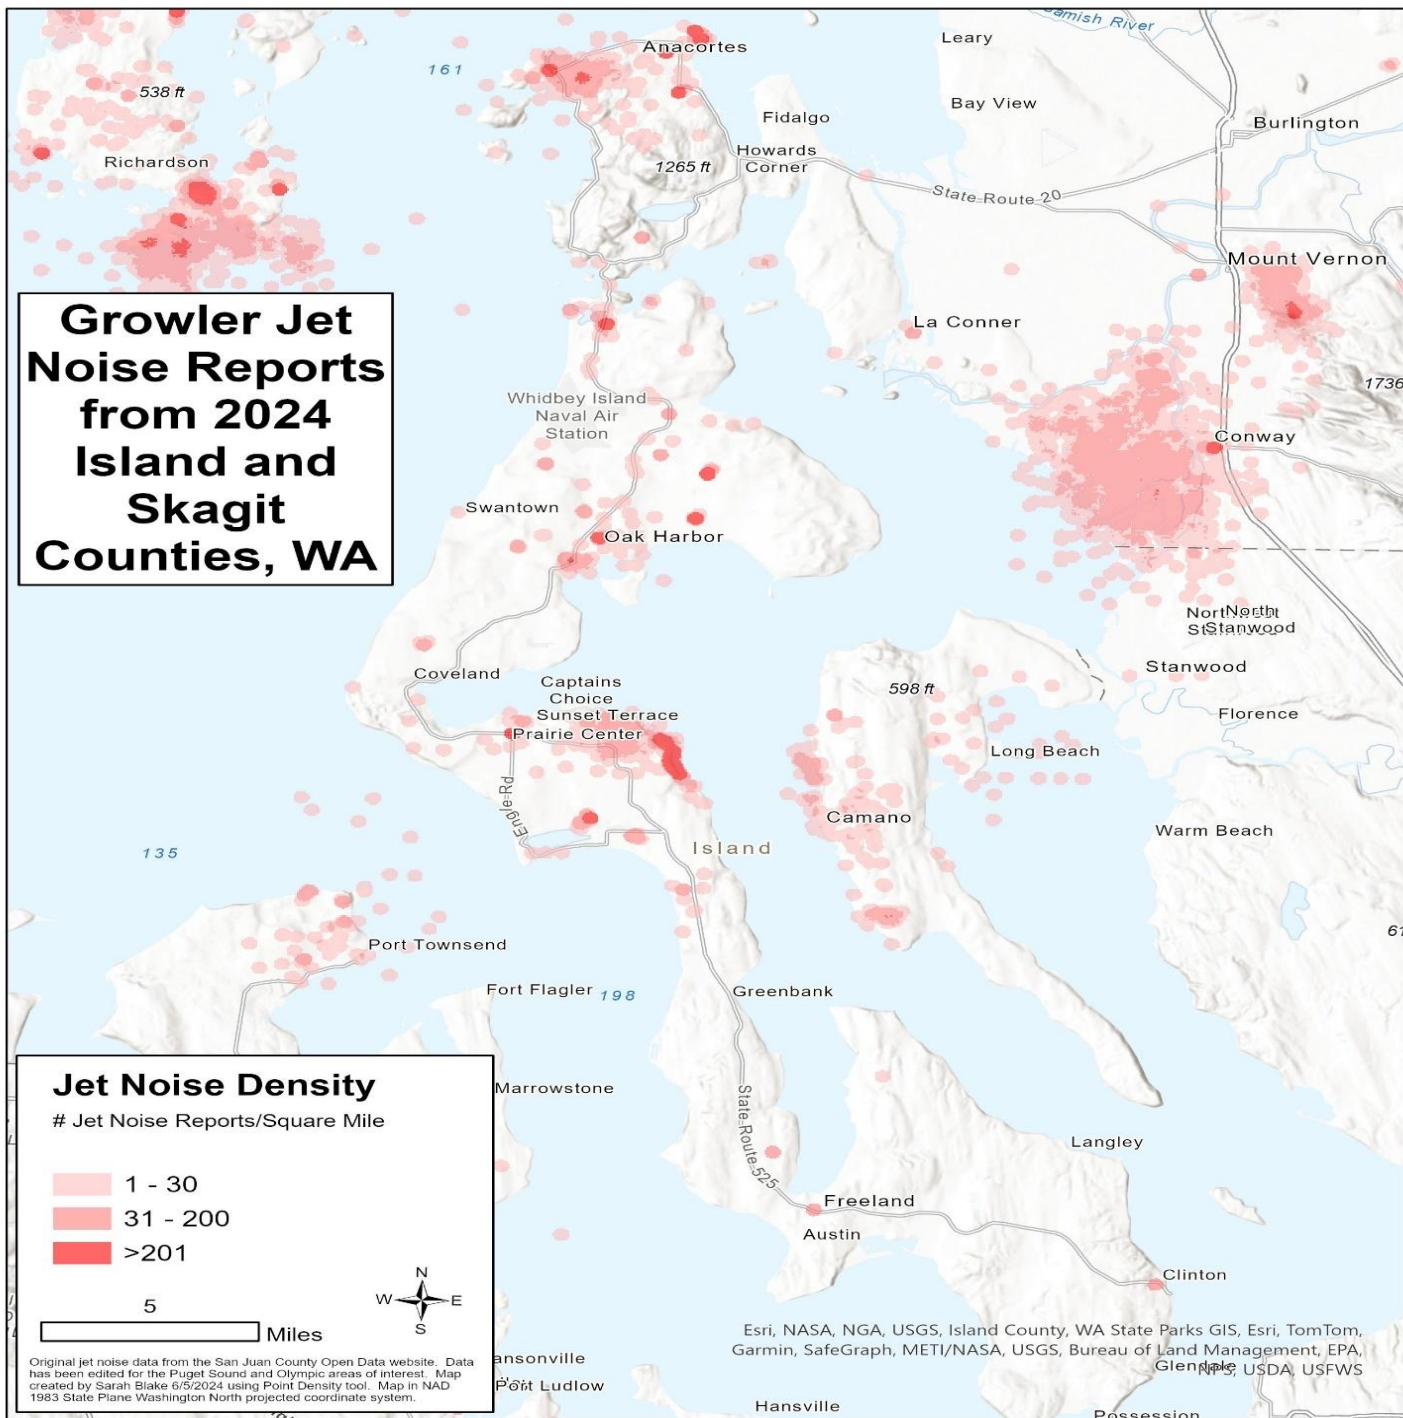

Compiled annually and referred to as a “density map”, this picture, using 9,787 noise reports submitted by users in 2024, offers a view of noise reports in the region.

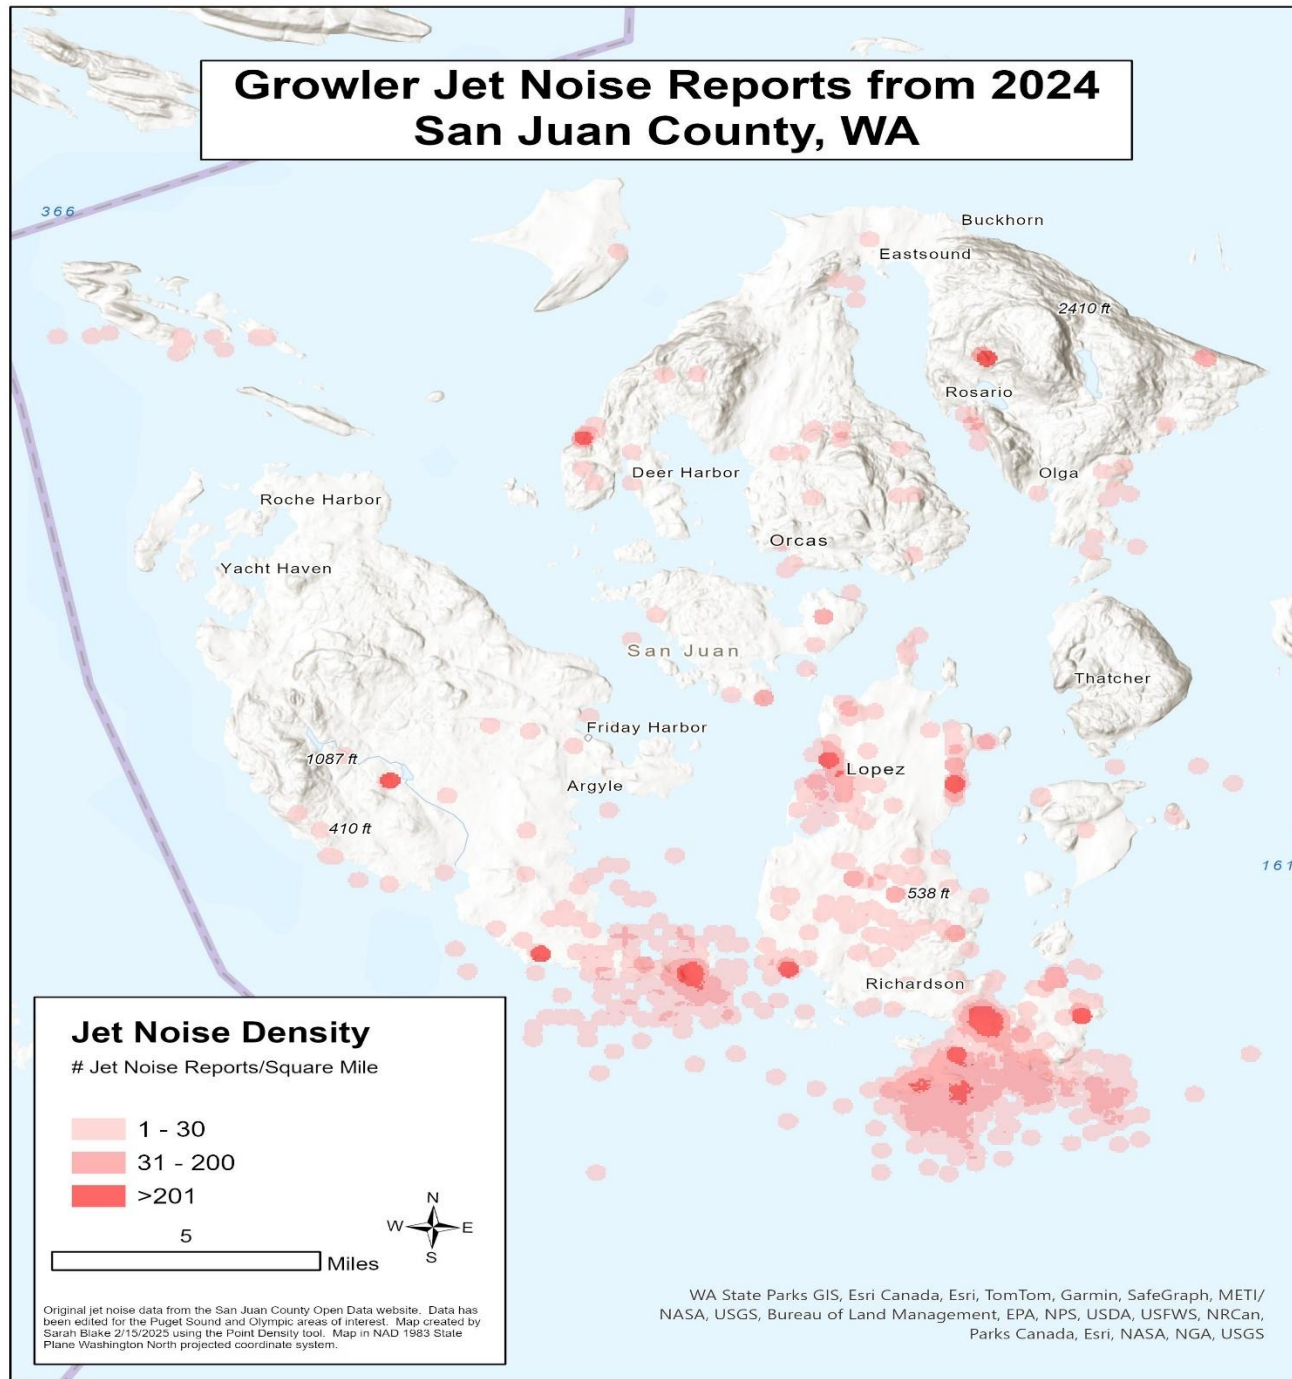

Impact hits **San Juan, Island, Skagit, Clallam and Jefferson** counties.

Of particular note is the reach of Growler Jet noise to the Olympic Peninsula, particularly the Olympic National Park/Forks area.

On the next page, parts of the map are enlarged for a view of Island and Skagit Counties and San Juan County. These maps are reduced to fit the page.

# Growler Jet Noise Reports from 2024 San Juan County, WA

## Comments Submitted with June, July, August, 2025 Reports

### NOTES:

**Some reports indicate decibel level. Lawnmowers, for example, generally produce 96 dB. How would you like to have that running inside your home? Noise over 70 dB for a prolonged period of time is harmful to your ears and can cause permanent hearing damage. Noise over 120 dB can cause immediate harm to your ears.**

**Some of the people who submit a noise report also list their home address or phone number or e-mail. In this report, those personal identifiers are deleted/modified, as are expletives.**

93db

Was difficult to fall asleep due to jet activity even with the windows closed. 12:50 am was the last time I was woken up from sleeping by jet noise.

"Wonderful. Just what we needed—another round of low-flying jets tearing through the skies above Olympic Park, the Hoh Rainforest, our state parks, and beaches. Because clearly, paradise wasn't quite frayed enough yet.

12:10am. July 21. Yes. This has been going on all night. Now into early morning. Could not get to sleep and it appears the Navy is determined to make noise all night. S. Lopez. Closed windows do not keep this noise out. It slams right into our home.

"94db

Incredibly loud a half hour after midnight

The Growlers are too loud tonight and have been for most of this week. They are training past midnight making sleeping very difficult. They are so loud we can't carry on a conversation or enjoy our favorite TV program.

97dBa at Skyline Marina Anacortes

102dBa, Two growlers at Deception Pass Park

They finally finished, but that was sadistic. Nearly non-stop from 9:20pm to 12:40 am. 3-1/2 hours of 100+ decibel flyovers every minute or so. I don't understand how they can do that to the people and animals of Coupeville.

Way over the top: 102 dB IN MY HOUSE! This has to stop.

the fighters and the larger planes fly directly over our house. It starts around noon and goes to about 3 r 4:00 then it starts up around 8:00 and goes till after midnight. It has affected our sleep patterns

Woken from a deep sleep. Bell Street Addition, Port Townsend. No good reason for flying at this time, harassing my neighborhood!!!!

72.2dB

Disruptive loud jet noise over Olga this morning.

Continuous rumbling and roaring much of this afternoon, with LONG overflights, all of them loud, two or three of them in the 100 dB level for a while. VERY hard to get work done.

The vulnerability to our nation's air attack capacity is huge because many growlers are Whidbey based. Easy for drones to be hidden on oil tanker, cargo ship or even a cruise ship. Growlers gone."

8:04am early morning growler loud roar. S Lopez

All day everyday lately. Unbelievable.

83 dB roaring low south Lopez

Flights over Camano have intensified in frequency this past week. They are also passing at higher altitudes heading from the west to east over the Cascades. The noise footprint is huge and terrible over our communities.

50th anniversary celebration of Evergreen Islands, who helped develop Deception Pass State Park, a founder of the organization could not speak to us, even with a mike, due to relentless Growler noise, often ear-splitting, 100 dB. Unconscionable.

Loud noise lasting a minute, can faintly still hear this or maybe it is lingering damage in my ears causing the faint Whidbey noise

"Nothing complements the peaceful majesty of misty forests and gray skies quite like the roar of jets overhead. Truly, nature's soundtrack was missing that touch.

S Lopez 8:48am June 24. Growler jet engine roaring has begun at Whidbey . At first I thought the dryer was acting up and rushed to see what was going on. Waste of time. It was reverberating jet roar. Angry.

The sound of war this morning. Thanks for disrupting our peace and quiet.

Two jets flying one behind the other. The level of sound is so disruptive and disorienting. Before I can report the noise the vibration has to stop as it affects my ability to process. Horrible feelings of dread. Very intimidating.

A few other Whidbey jet noise occurrences earlier this morning

8:24am. S Lopez. The jet roaring from NASWI has started. Early morning. Sign of another bad jet noise day. June 23

Ault engine runup

Beginning of the week as the pilots get another chance in their great big Growlers to blanket our region with noise. Rumbling deep vibrating roar from Whidbey 8:58am. If I sound angry I am. The Navy continues to disregard options for minimizing noise.

Engine noise Ault

Rumbling and vibrating roar from Whidbey growlers. S Lopez. June 10 8:59am

2nd loud noise from Whidbey this morning

8:37 am S Lopez. Jet roaring fills the skies. Very loud.

"I hear growlers every day in Port Townsend WA.

Suffer from an anxiety disorder and the noise from the planes are big triggers."

SCREAMING JET over South Lopez. Deafening. 8:42pm

Engine noise growler

Too loud, cannot hear the TV.

Jets flying over Lopez. No sense.

Rather early for Growlers to be disrupting the peace.

Vibrating house.

#F\*\*\*thenavy

Growler roaring over S Lopez. 8:52am Aug 11.

It's not bad enough with the noise but now with all the F18 variants crashing it makes us wonder if one of these will fall out of the sky as it's passing over homes and businesses

Roaring Growler over S. Lopez. Very loud!!! Still roaring!! 8:56 am Aug 12

Rumbling so loud it's shaking our house

South Lopez. 8:31am. Skies are filled with jet roaring.

Woke us all early this morning

I believe this was the time. Could be off by an hour.

very loud

8:26am A thundering vibrating rumble from Whidbey. Another day of jet noise begins. S Lopez .

Aug 1, 8:04am big jet rumbling from NASWI. S . Lopez

Horrible roaring and vibration. Ugh

Quite a few rumbling vibrating roars this early morning. Here is another long one at 8:56 am. Aug 1. S Lopez

A few other Whidbey jet noises earlier this morning

Ault engine runup growler

Growler roaring over South Lopez. 8:30am June 11.

June 30, S Lopez. 8:32am. Roaring Growler over us.

Ault engine runups

12:26am. 7/22. S Lopez. As the crow flies we are 12-13 miles from Ault Field, yet the jet noise carries straight into our home. The Blast a minute ago was followed by jet noise in the air. Hard to imagine how this noise affects folks who live closer.

12:21am. July 22. That certainly sounded like a long explosion - Growler jet activity from NASWI. A deep jarring boom. When is this going to end? I need to sleep. S Lopez.

Ault noise

"Engine noise Ault

Growlers in the air"

"Extremely high volume of direct flyovers yesterday....too many to count

Growler overhead

Growlers flying and Ault field engine noise

This happened two times more before. But I couldn't report it because of no Internet.

This one isn't as loud

9:18am, June 2. Here we go again. A roar, like a freight train coming down the driveway. Growler over S. Lopez.

"Another loud blast of noise

Didn't last as long

Can also hear Growler flying further north"

Can't hear the road when running due to jets

"Driving over Deception Pass bridge headed south in our car. over flights of two jets at a time taking off from the Navy Runway circling around from west to head east. Noise so loud.

Dangerously distracting to driver.

Two sets of jets. "

Growler approaches with a lot of screeching, now it is roaring over south Lopez. Growlers make more noise for longer time. Still roaring....still roaring.....still roaring. June 3 9:40am. Still roaring.....

Here we go again. South Lopez 9:52. Huge roar following one a few minutes ago. The Navy begins its harassment campaign.

"Jet testing noise

Loud

Continuous "

Long constant loud noise

Extremely loud engine runip Ault

Fairly brief growler noise but very loud

Long loud blast from Whidbey

Loud Growler noise. South Lopez. 9am. June 11. Is this the start of a Jet Noise Day? If so, I will make efforts to report. I have to say how disrupting this is to daily life on Lopez. Noise Noise Noise. Never knowing when the next blast is coming.

Loud growler over South Lopez 9:32am June 30.

"Many flyovers happening this morning

Sorry can't stop to report them all"

Navy starting another day of tormenting civilians. They're truly selfish.

Painful to my ears / actually painful!

Rattling windows

Direct excruciating flyover noise

"Rattling windows in house

Lasted over 2 minutes, last part not as loud, correction getting louder again around 3 minutes solid noise mark, keeps going"

Roaring Growler over the southend of Lopez. 9:07am June 3

S Lopez. A few minutes ago, noisy jet roar from NASWI.

South end Lopez. More jet blasts from Whidbey. June 11. Around 9:10am

South Lopez. Yes, another Growler Noise blast. June 11

Turn and burn. Loud

"Two growlers over south Lopez

Very loud"

"Uncountable number of growlers overflying

"Very loud long jet noise from Whidbey

Lasted going on 2 minutes solid noise

Not stopped yet"

Like a constant low Vacuum cleaner noise

"South Lopez

Constant low level noise coming from Whidbey, has lasted about 4

minutes so far.

Also louder noise now that seems like flyover but sound level isn't varying as when growler turns, maybe this is louder jet test noise."

A Noisy Morning. LOUD rumbling and vibrating roars coming from Whidbey. S. Lopez. 9:26am, June 10.

Another rumbling roar from NASWI. S Lopez. 9:20am

F\*\*\* The navy

Jet noise has been really super loud for the last three days to the point where it is really causing anxiety and disruption. We can't even talk in the house when they are flying over as the Jets have been flying very low.

S Lopez. 6/24. Another rumbling vibrating roar from Whidbey. I am tired of using the same words, but that is what it is, Deep rumbling roar. Reminds me of a coal train rumbling nearby, and of an earthquake I experienced.

South Lopez. Loud rumbling jet roar from Whidbey . 9:47am

Crazy loud

Extremely loud for anytime at all, but horrible to deal with this from before 8 am this morning. Every 5-10 minutes. Is there no way to limit this noise? It is criminal.

Getting louder than disrupted activities as sound continues

Growler direct flyover

Several jet noise incidents from Whidbey in past 1/2 hour

Very loud long blast from Whidbey

Another rumbling roaring vibration, on the heels of one previously. S. Lopez. 9:30am

Loud deep roar and vibrating rumble. I am in a room at home that has no outside window or door and I hear it and feel it. S Lopez 9:26am.

"Growler

South Lopez"

Makes being outside hard

There have been so many flights over us lately that I just haven't had the time to respond. What's going on?

#F\*\*\*thenavy

#F\*\*\*thenavy

ANOTHER BIG GROWLER ROAR. 9:53am, Aug 7. S Lopez.

Another growler over south Lopez

"Another low loud growler headed north over south Lopez

Should hit repeat repeat repeat as it looks to be one of the heavy loud growler noise days"

August 4. LOUD Growler over South Lopez.

August 4. Now here is another roaring Growler over South Lopez, Also, earlier this morning, more rumbling from NASWI.

Extremely loud growler flying over south Lopez

Extremely low and loud growler headed north over south Lopez

Growler jet screaming. Coming at us? The loud roaring is everywhere. Aug 7 9:01. Still roaring. S Lopez

Growlers overflying making as much exhaust noise as POSSIBLE! Why? They CAN, and occasionally DO, fly with much LESS NOISE!

Here comes another roaring jet. South Lopez 9:23am August 7

House shaking noise, windows rattling, conversation impossible.

I'm used to the Navy being absurdly, impossibly, painfully loud. But the flight at 8am and then at 10am over Mt. Vernon felt like they were testing how much louder they can get. That HURT

LOUD GROWLER NOISE OVER LOPEZ. 9:51am Aug 13

"Loud Growler noise. South Lopez 8/12."

Loud Growler over S. Lopez 9:17 am

Low growlers flyover south Lopez

More loud growler noise. School Road . Lopez. 8/11

Mud Bay Lopez. GROWLER SCREAMING OVER US!!!!!!!!!! Startled me. Aug 15 9:50am

Orange helicopter flying WAY too low right over my property

Stop flying here. Stop flying here. STOP FLYING HERE and DESTROYING

THIS PLACE. YOU REPRESENT THE DEATH AND DESSTRUCTION of the ENVIRONMENT.and ALL LIVING BEINGS.

9:29 am Aug 1. The jet rumbling continues. S Lopez.

Another early start

More thunder from NASWI. Loud rumbling from Growler engines. S Lopez.  
August 5. 9:44am

multiple loud sounds on and off

Rumbling from NASWI this morning. A bad way to start the day. S. Lopez.  
Aug 5.

And so another week of Navy jet noise begins. 9:20am. Rumbling vibrating roar from Whidbey. I felt it through the floor into my body. S Lopez.

LOUD!!

More jet noise rumbling from Whidbey. 9:47am S Lopez.

Coupeville WA 98239. Growler at 90.1 dB. too loud for my ears and mental health.

57 dB annoying south Lopez

All day flights

Flight noise now instead of engine test

Growler

Growler flying over south Lopez

Growlers flying again but not overly loud or often so far.

Growlers for hours upon hours

Growlers launching over Whidbey. Disturbing otherwise peaceful morning.

More flyovers

South Looez

1 growler very low pt Colville

10:36am. June 11. South Lopez. Jet noise blast from NASWI. A morning of noise interruptions.

10:40am. The cowardly Navy is out tormenting Mt. Vernon and surrounding areas again. There's barely a point in having the loudness choices be anything other than "Extremely Loud". With these jets/pilots, it's a matter of degree of Extremely Loud

10:56am. June 5. First the approaching scream, then the deepening roar, and then the full-throttle vibrating thundering roar. Over Mud Bay, Lopez. Completely obliterated all household sounds. The Navy just invaded our home. Not acceptable.

13 jets right over Lopez in the last two hours!!!

2 growlers flying low headed towards Olympics

6/24/ S Lopez. Here we go again. Another blast from Whidbey. Sounds like a Growler taking off.

74 dB south Lopez. Annoying

80 dB roaring low over south Lopez. Can't have a conversation

"82.1 dB directly over house

86.3 dB 4 min. earlier"

A redundant expression of NASWI's environmental destruction and failed consciousness to do otherwise.

ANOTHER ROARING SCREAMING GROWLER over South Lopez. June 18, 10:14am

ANOTHER SCREAMING ROARING GROWLER OVER OUR HOME. SOUTH LOPEZ. June 18. 10:20am

Camping near Cranberry Lake. Jets flew so close and low that people ducked, covering their heads. I'm used to the sound but this was unacceptable.

Can not have a conversation with all the noise!

Cape St Mary, Lopez Island, WA.

Could hear and feel this with house canceling earbuds playing music and ear protection over those and operating a gas weedwhacker. Incredible db level.

"Direct f

Verla's engine noise from Ault"

Direct flyover

Direct flyover

EAGLE COVE

Earsplitting; takeoff from Ault?

Extreme growler activity with endless noise, destroying the peacefulness

Extremely painful to the eardrums Ault engine noise

"Flyover

Was interviewing person for job yesterday when several loud flyovers occurred. He asked, like this often? We replied 'At times'. He said he couldn't work in place with that much random noise that he could not protect himself against. "

Flyovers

"Growler flying over south Lopez

Also at 10:30am"

Growler flyover

Growler flyover

Growler flyover headed southwest

Growler jet roaring over Mud Bay, Lopez.. June 18, 10:05.

Growler noise shaking the house

Here come the Navy jets, ready to start another day of torment over Skagit. Mixture of evil and incompetence.

Hunter Bay Lopez. Loud growler screaming overhead . June 10 10:49

If you think one is loud, now they are flying in Pairs!

In community pool people thought it was an earthquake

Jet Roaring from Whidbey. A noisy morning. S Lopez.

June 16. S Lopez Another jet roar from Whidbey.

June 16. South Lopez. Jet roaring in the skies after a rumbling blast from NASWI.

Louder than the trucks driving by. This is not a safe environment

"Loudest military jets in the world.

The Growlers have been flying all morning in fifteen minute increments, 2 planes at a time. Over Camano heading east. The noise is deafening and at horrific levels. "

"Low flyover south Lopez

Due to jet noise. Could not hear each other, inside shed, door closed, 1 foot apart"

Low over south Lopez

More engine test loud noise

More noise from Whidbey

More of the same outrageous noise. Keep in mind this is ordinarily a pastoral environment. Why mindlessly destroy it?

Second run over south Lopez

Sounds like engine testing at Navy Whidbey

South Lopez. 10:20am. June 11. A morning filled with Growler jet noise. Miserable.

South Lopez. Here we go. A morning of jet noise. The skies are filled with it. June 11.

South Lopez. June 11, 10:25. What is the use of a nice day with doors and windows open, when jet roaring invades your home? This is abuse by the Navy. The loudest jets, and they fly them over homes. Rotten.

That same roaring screaming jet is now roaring again as it must be making a turn. South Lopez. June 18 10:16am

The cowards in the Navy are out attacking civilians again. Just had an extremely loud flyover of Mt. Vernon.

The NASWI Growler jets continue to practice how much they can damage the environment & adversely affect all living things: Earth, Water, Air, & Fire by releasing horrendous toxins of all kinds, such as jet noise, microparticles, and CO2 emissions.

They cause my wife and I to both tense up when they fly over us.

Three growlers headed back to Oak Harbor couple thousand feet up extremely noisy. What a sad system we have here on earth.

"Time may not be the exact

Many flights

Not able to stop and record each one"

Unbelievably loud Navy flyover of Mt. Vernon at 10am. My family is visiting from out of state and wanted to go on a hike to Little Mountain today. I warned them they'll need earplugs to enjoy outdoor activities in this region.

Eagle Cove. Very long and loud

Eagle Cove. Loud and long.

We have been hearing the rumbling all morning.

June 16. S Lopez. Noisy rumbling from NASWI.

MORE loud rumbling from Whidbey. The noise rolls right into my home. Engine run-ups? Take-offs? Whatever happened to Rep Larsen's interest in noise mitigation? I thought he is interested in our environment, or is that just talk? South Lopez.

10:50am. 7/22. S Lopez. Last night the jet roaring continued past midnight. Now the Navy is at it again. Briefly outside for some fresh air and BINGO the skies are full of jet noise. Came back in. PTSD with the jet noise. Another day & night of it?

had to move inside, deck too loud to sit on

Just wanted to water plants 🙄

Long loud blasts of noise from whidbey

Low growlers fling over south lopez

Several growlers overhead

Two in a row.

Two in a row.

Two in a row.

Two in a row. Defining noise.

Absolutely deafening screaming growler over Mud Bay. 10:09am. July 25

All night long and now all morning!!!

Another screaming growler over S. Lopez. 10:33am 7/25

"Direct

Flyovr"

disruptive flights overhead, deafeningly loud

Disruptive jet rumbling from Whidbey. Very loud and long. Ruined my concentration. Are we in for another awful day from The Navy? south Lopez 10:14.

Growler roaring over South Lopez AGAIN. July 24. 10:57am

Growler screaming over Mud Bay right now. July 24 10:36am

Growlers are at it again! The Growlers flew until after MIDNIGHT last night. Miserable racket to live with multiple days each week!

I've had to stay inside. I measured them at over 85 db at the lower level.... they weren't as loud when I got my phone as they were initially. In the Methow Valley in May they flew down the river so low and loud that my RV walls were shaking.

Jet engine test noise from whidbey

Loud jet noise over South Lopez. July 29.

Low growlers flying to north over south Lopez

Low growlers headed north over south lopez

NASWI's perseverance in "training" is much more. It is about the hidden destruction of the environment with the Growler's jet noise, the release of carcinogenic microparticulates, huge amounts of CO2 emissions, and contamination of wells with PFAS.

New jet noise on the south end of Whidbey. Very annoying. Never had this problem before. What can be done?

Our home is not in any of the listed flight paths, yet the jets fly directly over our neighborhood on a regular basis. The past two nights have been extremely disruptive to sleep.

Right over the hospital!!

Roaring jet noise over S Lopez.

Roaring low over south Lopez. Day after day

Screaming growler over S Lopez. July 25 10:04am. It has been a loud and rumbling morning.

SCREAMING GROWLER OVER S. LOPEZ. Noise invades our home. 10:52am

Screaming Growler over South Lopez. 10:16am

South Lopez. 10:03am July 17. Growler screaming over Mud Bay. Roaring. Breaking the environment up into little pieces. Broke my concentration in my work. WHY ARE YOU FLYING OVER LOPEZ? NOTHING ELSE TO DO? GROWLERS ARE WRONG FOR POPULATED AREAS.

South Lopez. July 17 10:06am. More jet roaring. Is it the same one as screamed through here 3 minutes ago, just circling around? Or worse, the Navy is sending growlers one after the other over us. It has certainly been doing that recently.

The incompetent Navy commanders still haven't figured out how to train pilots without justifying their choices with lies, deception, and self-delusion and our region suffers every day as a result. Just got blasted by a jet in Mt. Vernon.

The jets have been so loud the last few days. We're used to hearing them occasionally in the north. However, they have been very loud overhead. Not only this morning, but the last couple of nights way late into the night. What is going on? Not okay.

The worst week of obnoxious noise in years. These jets are obsolete, unsafe, incompatible with a civilian population. Polluting on top of a heat wave with zero regard for humans and wildlife. A ruined summer!

This has never been a problem on North side of Island. Constant intense noise (headache inducing) in the mornings and up to 11 PM at night. They are circling over the Island very low.

This one was extremely loud, preceded by a number of semi-loud. We were sitting on deck and went inside to avoid the stress.

Why are you flying over such a populated area?

You just don't want to give us a break do you and that guy, Mr. hotdog, who flies with his wing tip up creates an unbearable noise. This is too much for any Community to be exposed to.

South Lopez. Skies are roaring again with growler flights. 10:12am July 17  
This was bearable.

Friend was going to come over and kids were going to play in the sprinkler. I had to tell her not to come over, the jets are too loud.

July 14. Middle of Lopez. After 10am. Riding my bike, pausing for a rest and BOOOOOOOM comes the rumble from Whidbey. So loud.

rumbling and disturbing, shaking the deck

Rumbling vibration from Whidbey. Very loud and prolonged. Growler taking off. 10:13am. 7/25 S Lopez

growlers overflying low and loud

4 engine transport Right overhead! Less than 2000 feet plus jets. This sucks

57 dB. Roaring low over south Lopez

Another day, More jet noise. 10:54am Aug 8 South Lopez.

Another deep roaring growler over south Lopez. Aug 7 10:44am.

ANOTHER LOUD GROWLER OVER SOUTH LOPEZ. Now we are getting the deep vibrating roar from hell as it turns away. 10:48am

ANOTHER SCREAMING GROWLER OVER SOUTH LOPEZ. 10:41AM. AUG 4.

Apparently the Navy has decided to run its practice war raids over South Lopez. Tremendous noise in the skies. DEEP DEEP ROARING, which is the growler signature. Guess the Navy's technologists are not up on drones, eh? America the Dumb. 10:25am.

BIG NOISE of a growler...taking off from Whidbey? Very deep penetrating roar. S. Lopez. 10:05am

Coming home from the veterinarian and my pet was already unhappy when we were walking towards the house in Anacortes 2 jets above were making that ear splitting scream that can damage hearing. Horrible. Horrible. Abusive to Americans.

Ear shattering Growler overflying. Full afterburners producing maximum noise!

Extremely loud and disruptive flights overhead, why do you attack your own people with sound?

Flight after flight after flight after flight. It's been Hell in Mt. Vernon today.  
Growler flying very low over south Lopez

"Growler over south Lopez

For a moment it drowned out the engine blast noise from Navy Whidbey but once again hear the long loud blasts of noise"

Growler ripping up the sky over Mud Bay, Lopez. 10:28am Aug 15. Why are growlers flying over Mud Bay? Deafening scream, and still roaring.

Growler screaming to the east of us. Filling the sky, and my home, with jet roaring. August 11. 10:44am. South Lopez.

Impossible to conduct business while the jets are constantly flying overhead, do you even want businesses on the island or do you want them to pack up and move because it's impossible to have meetings and phone calls with the jets so low flying.

Loud growler flying over south Lopez

Loud Growler noise in the skies again. Deep and prolonged. Lopez. Aug 13, 11am

On the heels of one a minute ago, ANOTHER ROARING GROWLER over S. Lopez. TOO LOUD. Drowns out all household sounds. The Navy is invading my home! 10:50am

Prolonged loud rumbling from Whidbey. What are they doing? Firing up all the engines? 10:08am. S Lopez. Still rumbling.

SCREAMING AND ROARING GROWLER. DEAFENING. THUNDEROUS ROAR. Mud Bay, Lopez, Aug 13, 10:01am

SCREAMING GROWLERS over us. Aug 7 10:01pm. S. Lopez. DEAFENING. Cannot hear what my husband is saying to me.

South Lopez. Growler roaring around. HUGE roaring in the skies. 10:16am Aug 20

Another long thundering rumble from NASWI. Aug 5. 10:50am. S Lopez.

August 4. Rumbling vibrating growler noise from Whidbey. South Lopez.

Growler noise in sky and at Ault

Growlerflyover pretty loud now

Many other flights from Whidbey late morning but not able to document them all

S Lopez growler flyover

81 dB south Lopez. Roaring

And here comes another screaming Growler over us. S Lopez. June 4 11:59am

Another one just flew over. Still very loud.

ANOTHER ROARING GROWLER over S. Lopez. 11:39, June 2.

Another screaming bellowing Growler over the south end of Lopez. June 3

At Iceberg Point

F\*\*\* The navy

F\*\*\* The navy

Growler flying over south Lopez

Growler Jets flying every 10minutes in packs of two. Deafening Thunderous noise. Loudest jets on the planet. Overflying Camano Island heading east. High Alert? Way more flights since we bombed Iran.

Growler screaming over Mud Bay, Lopez. 11:41am June 23. Sudden, loud, startling.

Growler screaming over South Lopez. 11:03am. Very loud. Deep roaring. A helper for yard work just said "How can you put up with that noise?"

Growler SCREAMING over us. Coming from NW going over Lopez toward Anacortes. SO LOUD!!!! Cannot hear any household sounds. June 18, 11:32am. South Lopez. Why are you flying over Lopez?

Growlers overflying low and extremely loud again and again. One plane then two or more!

Here comes ANOTHER ROARING AND SCREAMING GROWLER. A roar that shakes the floor. S Lopez. 11:09am June 2.

Here we go again. ANOTHER Loud Growler over South Lopez. 11:57am June 2. Very disruptive. Our yard helper is complaining about the noise.

Huge rumble from Ault. More growlers taking off? Promises to be an offensively noisy day. Was hoping to walk Shark Reef but won't if the growlers are out ruining the environment and soundscape. S Lopez 6/16.

i haven't been tracking all the exact times...but all of there have been multiple very loud passes by jets. scaring my animals and making conversation impossible

I will continue reporting. The skies are filled with jet roar over South Lopez. Why is the Navy flying over Lopez? In truth they should NOT be flying over populated areas. Creating a war atmosphere. Painful to be outside. June 5

June 18, 1:28am. South Lopez. DEEP THUNDEROUS ROARING GROWLER JET OVER US. Cannot hear the music I am playing and my concentration on my work is interrupted. Still roaring. Still roaring. Why are you flying over Lopez?

June 4. Another LOUD GROWLER?!! S Lopez

Loud Growler roaring over South Lopez. 11:09am June 26.

Loud jets overhead. Growlers are horrible noise machines. Today at higher than normal elevation....but deep bone rattle rumble persists.

"Low loud growler

Flying south over south Lopez

Multiple Growlers overflying low and loud!!!

Multiple pane flyover

Multiple, very fast, loud, and low flying growler aircraft

NASWI engages in more outrageous jet noise without any care for those who live on the ground, in the air, or in the sea. This pathological recidivist behavior and consciousness needs to be addressed ASAP.

Over 100 decibels

Roaring low over south Lopez

"S Lopez

Many jet noise incidents today

This particular one is lasting a long time"

"Several other Whidbey jet noise incidents this morning

SCREAMING GROWLER OVER MUD BAY, LOPEZ. August 4, 10:31pm. Now the long roar as it moves away. Drowns out everything. Earsplitting!

Could even hear some over the weedeater and using ear protection "

So loud I thought the lawnmower was broken but turning it off it was the Jets

Sometime around this time 2 low growlers going NE over Lopez

South Lopez. The jet noise spreads in the skies. 11:32am. June 11.

Southend Lopez. Skies are filled with jet noise. It is truly unpleasant to live here.

The growler jet noise is insane today!

This is an exaggeration, but this growler eastbound back to would be felt like it was at treetops in the last 10 years. I have not heard them fly that low over our neighborhood here but at least they don't drop bombs on us yet.

This time a growler sounding like the sky is being ripped apart. Loud and ugly. S. Lopez.

We seem to be getting a parade of Growlers spreading their horrendous noise over south Lopez. Here is another. June 3. 11:42am

Wednesday, June 4. South Lopez. It has been a noisy growler week so far and here it is again. LOUD LOUD ROARING Growler over S. Lopez.

Eagle Cove

11:24am. June 16 southend Lopez. Huge roar!!!! growler activity at NASWI.

ANOTHER rumbling vibrating jet roar from Whidbey. June 23 11:16am. I can't report all of them, but ALL OF THEM invade my home with loud noise. S Lopez.

Disturbing rumble as I am trying to concentrate

Sounds like jet testing

83db

83db inside

"Couldn't get return to main screen to work

Think I put in so many Whidbey navy noise submittals this morning, must have thought I was a bot just clicking away

Sadly these were all loud noise occurrences from navy Whidbey and there were more"

Flying growlers lid growler noise from sailsault

Growler flying over South Lopez

I hope you are not starting up again! I couldn't hear my podcast!

Lopez island feels like a war zone

"More growler noise

South Lopez "

Noise blast from Whidbey

"Now growler flyover

South Lopez"

"Several Growler flights this morning

Just now two in succession flying SW over Lopez. Less noise as these two were much higher than usual Growler flights"

Shark reef is beautiful park. Too bad the Navy jets have to destroy the experience

Two growlers over west side of Deception Pass Park. Measured noise over 90dBa.

11:10am July 15 S Lopez. Screaming growler over us.

59 dB. Low over south Lopez

89db

Another rumbling blast from NASWI. July 28. 11:40am. South Lopez

Excruciating

Excruciating again

extremely loud

"Growler flying over south Lopez

Can't refresh the screen fast enough to record all the Navy jet noise. Some flying over at same time loud noise coming from Whidbey."

Growler screaming over us. Mud Bay, Lopez. 11:14am, July 17. Drowning out phone call my husband is on.

I am too busy to go outside and try to see how many Growlers there are but it SOUNDS like several are roiling around. The air inside my house is filled with jet noise of all types. I am distracted from my work. Southend Lopez 11:06am

It appears South Lopez is now "flyover country". I feel that we have more growlers over us than ever before. Touring? Trying to impress us? I say "GO AWAY". Growlers do not belong over populated areas. 7/25, 11:06am. Growler screaming right now.

Navy's out being incompetent and inconsiderate. Enormous sonic weapons flying over our homes around 11:15 on Jul 17.

One flight directly overhead over 100 decibels, second flight not directly overhead was 83 decibels, they could save people's hearing by not flying directly overhead,!!

"Painful to ears. If its painful it must be damaging our wars.

Flying louder than ever and every day during the week now. "

Pt Colville walk. Nice quiet foggy morning then thunder of growler engines started Very loud, deep, ongoing. Then another. Quite disturbing. We had to stop walking in order to figure out what we were hearing, in case it was a boat in trouble or....?

Registered a max db of 84.5 at my location in Anacortes (high school) just now from a Growler flyover.

S. Lopez. July 29 11:56am. We have had several noisy Growlers over us this morning, including this one now. Deep, long roaring noises.

"Several flyovers happening along with jet engine test blasts

South Lopez"

Several very loud blasts of noise from Navy Whidbey today.

The Navy has to take that we to have our job to do and their flying over Lopez prevents us.

The traitors are up torturing citizens with their sonic weapons again. I wish someone had the guts to hold them accountable.

Two flights, 110 decibels each flight

Two unnecessarily loud and low jets right over the Little Mountain area of Mt. Vernon at 11:35am.

"Very loud constant noise from Whidbey

Has gone on for two minutes "

At it again this morning after a late night last night

80dBa at Deception Pass Park

Rumbling vibrations from NASWI this morning. 11:30am. S Lopez

Way to ruin a perfectly lovely morning in the garden. :(

Flight over flight. Why do they fly once Lord. It's not on any flight path

Lopez under attack

Low flying military aircraft disrupting my morning

"Several navy jet noise incidents this morning

Some during night"

These yahoos are flying circles over the town, afterburners hot, circling and circling and and and and.....

#F\*\*\*thenavy

#F\*\*\*thenavy

"2 growlers very loud headed towards Olympics

S Lopez"

64 dB. Second pass roaring low over south Lopez

71 dB. Roaring low over south Lopez

A growler is ripping the sky open over Mud Bay, Lopez. The noise is deafening. DEAFENING. My apple watch noted the noise as TOO LOUD, and I am inside my home! The Navy is a terrorist organization, and I mean that. They have no conscience. 11:07am

ANOTHER Growler over South Lopez. Very loud and annoying. Each jet this morning has successfully blocked out all other sounds of our household. This is home invasion. South Lopez. Aug 7 11:01

ANOTHER GROWLER ROARING OVER SOUTH LOPEZ. WHY? The loudest jet in the Navy and it has to fly over populated areas? When will our so-called leaders get honest, that is, develop a conscience, and do something about this? 11:22am. August 11.

ANOTHER loud growler over Southend Lopez 8/13, 11:37am

Another screaming growler over South Lopez. 11:49am Aug 8. Persistent interruptions all week and now today also!

As loud and low as they want to be evidentiary. Ear splitting

DEAFENING!!! GROWLER SCREAMING UPON APPROACH AND THEN TURNING OUT A THUNDEROUS ROAR. South Lopez 11:26am Aug 13.

DEAFENING!!! GROWLER SCREAMING UPON APPROACH AND THEN TURNING OUT A THUNDEROUS ROAR. South Lopez 11:26am Aug 13.

Extremely loud and disruptive flight overhead, please stop the noise assault on your people.

Extremely loud and painful daily torture, it's just constant flights and rumbles and whines as they throttle

Extremely loud flyover of the Mt. Vernon area around 11:55. Lasted for many minutes.

"Flying over south Lopez

Headed SW over Straits"

Growler ROARING over Mud Bay, Lopez. WHY WHY WHY? This is a residential area. The noise is deafening. 11:57am Aug 7.

GROWLER SCREAMING OVER SOUTH LOPEZ. August 14. 11:07am. This has been an offensively noisy day of thundering, roaring, screaming Growlers over us.

"Growler

South lopez"

Jet noise from all directions. Jet over us now. The jet roaring is unceasing. Interrupted a phone call just now because I could not hear my friend. Why are we allowing such noisy jets that penetrate a home? South Lopez. 11:37am

Lopez village. Out walking . Suddenly a slowly rolling thunder, then the huge growler jet roar. Still roaring as I write this. Is this really where tourists want to come? Not peaceful! August 18 11:10am

Sounded extremely low

Must be lots of growler activity at NASWI this morning. Frequent thundering rumblings walk right into our home as our doors and windows are open. S. Lopez. Aug 5 11:19am

63 dB. Third pass south Lopez

65 dB south Lopez

F\*\*\* The navy

Growler

Guess we aren't getting a lunch break today

It's the usual routine—jets thundering overhead, rattling homes, startling wildlife, disrupting the calm across our parks and beaches. Then off they go, only to circle back for another pass...again and again, like a very loud, very unwelcome boomerang.

JET NUMBER 15

On and off Whidbey jet blasts

12:38, June 23. Lopez. Huge rumbling roar from Whidbey.

12:53pm. 6/4 Growler ripping the sky apart over Mud Bay, Lopez. Horribly loud. Like holding a weed-eater next to your ears.

12:59pm. Screaming growler over south Lopez.

Coupeville Ledgewood Beach. Growler noise measured at 93.5. too loud for a neighborhood wanting peace and tranquility. My pets are very disturbed by the noise also.

2 growlers extremely low, headed north, going slowly

63 dB loud south Lopez

A depressing amount of my day dreaming is taken up wishing I had the power to permanently ground the Navy jets. Lacking that power, I suppose we have to hope the Navy will be reasonable, which is a lost cause.

Another Growler on top of the one I reported a minute ago. 12:38pm. Roaring over Mud Bay. I was going to take a break from work and take a stroll outside, but why go out and get tortured by jet roaring?

Another very loud rumbling jet roar from Whidbey. June 23. 12:45 pm. South end Lopez

Can't even talk outside: growlers overhead and engine noise from Ault simultaneously

Die t flyover

Direct excruciating flyovers several times this AM

Either there are two growlers one right after the other, or one is circling

around. LONG CONTINUOUS ROARING. UNENDING. Still roaring. South Lopez June 4

Extremely loud. Hurts eardrums. Measured 86decibels.

Flying closer to homes than usual, this feels really dangerous.

Flying directly over Port Townsend

F\*\*\* The navy

"F\*\*\* THE NAVY!!

You are causing \_unnecessary pain\_ and you don't care."

F\*\*\* you and your F\*\*\*ing jets F\*\*\*ing terrifying my animals simply trying to enjoy the fresh air. You are a menace to society

Growler flyover

Growler noise from many directions

"Growler overhead flying SW

Another growler noise coming from out over Straits"

"Growler overhead

Very loud

Can also hear jet noise at Navy Whidbey "

Growlers (2) headed out over straits going over South Lopez

Hunter Bay neighborhood, Lopez. Roaring screaming searing Growler jet over us. June 10

I thought it was going to land on the home we were visiting. It was unbelievable.

"I was outside in our garden, two jet accelerated overhead...it actually made me nauseous

it was so loud....we are being terrorized on the south end of Lopez Island!"

Immensely loud flyover of the Mt. Vernon area just now. Impossibly loud. Any entity other than the military would be barred from doing something like that, and the military should be barred from doing this in populated areas too.

It takes a sick mind to believe that we are not being adversely affected by

Growler jet noise as we have lunch. It is a huge stressor to be eating and subjected to the result of an entity that is unconscious of the destruction of the environment.

Lopez Village. Roaring Growler overhead.

Lopez Village. Two growlers next to each other roaring over Lopez Village. Why????? June 13, 12:10pm.

Lopez. Cousins Road. Screaming Growler.

Multiple low flying growler aircraft disrupting my afternoon at extreme loud noise

Multiple low flying growler aircraft with gear down

Outrageously too loud! We need to leave the house and drive elsewhere to escape the noise. NASWI has no conscience or care about what they are doing. They are bereft of a moral consciousness.

"Rattling windows

South Lopez"

Roaring over South Lopez. June 2. The sky is full of roiling jet noise.

S Lopez 12:58 Vibrating rumble from Whidbey. June 23 . Very loud and deep . Persistent.

Screaming over South Lopez again. Growler jets are too loud. Why are they flying over South Lopez? 12:10 June 2

South end Lopez. 12:35pm. June 26. Another Growler screaming in the skies.

The Navy are out torturing civilians again. I can't even see the jets, but the whole sky is filled with evidence of their cowardice and cruelty.

Two Growlers side by side overflying low and loud

Two in a row. Had to cover our ears.

Very painful, multiple over flights for the past hour

ANOTHER HUGE RUMBLING ROAR FROM NASWI. June 17 12:50pm. South End Lopez.

flying very low overhead

Last week the jets were over here daily. Thursday, Friday the worst. Back

again today. It is like living in a nonstop, unrelenting thunder storm.

S Lopez. LOUD LOUD Jet rumble from NASWI. June 17

South end of Lopez. Long deep vibrating jet engine rumblings from NASWI. June 18. I think the only reliable time I can think of when it is quiet here is on a Sunday night.

2 growlers over Deception Pass Park, 85 dBA.

7/22 12:50pm. Noisy sky from Growlers growling around. Distracted.

Growler 87dBA over Deception Pass Park

"Several growler flight yesterday

A couple this morning over south end of Lopez"

So much for an quaint island experience

12:51pm July 24. SCREAMING again. Growler approaches, then turns into the growling roar. Still roaring. Still roaring. Commercial planes are infrequent and their noise is not deep, fading quickly. Not so with growlers. S Lopez.

2nd growler pass in less than an hour this one had a max db of 79.5. Near the high school in Anacortes at about 12:15.

56 dB. Roaring low south Lopez

64 dB. Roaring over south Lopez

"Another low loud growler

S Lopez"

ANOTHER SCREAMING GROWLER OVER S.LOPEZ. 12:39pm. July 15. It has been a very noisy morning. The noise is like having a coal train running through your front yard, like having a leaf blower go off in your living room, like an explosion just outside.

As predicted, two Growlers just made their SECOND overflight ... this one lower and louder than the first! Standing by for their additional "attacks"...

Came in low overhead, did a circle and came back in even lower overhead, well over 100 decibels on the meter. Painful to be under them when they fly over

Can't you give us a break? I have the windows closed on a beautiful day

and I still have to read the subtitles on the tv!! You are so loud!!!!

Continuous circle, flying lower and in a tighter circle than usual. Unable to do any normal activities.

Direct flyover growlers

Direct growler flyover

Ear shattering all day, 5 days a week now

It's 12:51 in the morning and there are F\*\*\*ing war machines flying over small residential neighborhoods on Whidbey island. Does common sense simply not play a role here, folks?

It's no longer late night. It's early morning now and it'd be nice to be able to sleep! This week's schedule says nothing about early mornings!!

Growler flying over south Lopez

Growler roaring over South Lopez. LOUD LOUD LOUD!! July 28. 12:39pm

Growler roaring over South Lopez. 12:05pm

Had to seek cover due to dangerous levels of warplane noise while weeding in my yard today. Multiple growers going by. Dangerous to civilians below this activity.

Hellish noise near OLF Coupeville just as we were starting our Zoom conversation. As a result we had to sign off.

House shaking and my house is well built!

"I thought schedule had a typo when I read ""early morning""! I read further, saw this was on the schedule for Mon - Thurs. Mon night was horrible, flying too low, too late; the noise is harmful to our bodies & spirits.

Growler engine noise- wow

More growler engine noise

The planes were numerous & flying lower than usual. We knew that because they were not flying the flight pattern that goes directly over our house! I can't imagine what it was like in the flight path. We couldn't sleep until after midnight.

We left Whidbey."

INSANELY LOUD jets over the Admiral's Cove area. Sitting here trying to

get midday work done and it's pointless. Jets scheduled from morning until after midnight. Peak tourist season and they're buzzing the rooftops of Coupeville. This must stop!

It's amazing how incompetent the US Navy is. Can't even publish an accurate flight schedule or flight paths. Can't keep their transponders working. Can't justify their actions without lying. Pathetic.

Loud Growler over Lopez Village. July 30, 12:04 pm

"Lunch break is over at Whidbey

Back to jet noise after brief but needed noise break for this of us on Lopez"

"Many others in the past two hours

Wasn't able to report these"

Navy is out terrorizing the Mt. Vernon region again. It's 12:50 now, but it's been going on for a while. Extremely loud. Would be painful to be outside without earplugs.

Near OLF Coupeville another night of Growler jet noise and particulates torture by them flying continuously with a few breaks ending at 12:15 PM.

Painful to ears must mean damage to ears. Growlers flying louder than ever and every day of the week now.

S. Lopez. It sounds like Growlers are just racing around, or circling or something. The jet screaming and roaring seems to be coming from different directions. It is noisy, annoying and distracting. 7/14 12:24pm

SCREAMING GROWLER OVER SOUTH LOPEZ!!!!!!!!!!!! July 15 12:03. Now the scream is turning into a deadly ROAR, and it keeps roaring. Still roaring. Why are Growlers flying over LOPEZ? Sightseeing? Waste of our dollars. Still roaring

SCREAMING!!!! Growler screaming over South Lopez. July 24 12:20pm

Southend Lopez. So loud. Growler noise fills the air. July 28. 12:28pm

Summer of hell. Way too many jets. Constant noise. Not a single FCLP in Oak Harbor. We can hear & feel in our bones the roar of Growlers across Penn Cove while still in Oak Harbor. This antiquated jet belongs in the desert, away from humans.

The jets flew at night way past my bed time by at least 3 hours with continuous cycles. NASWI knows that they are harming us. This time it is

an an intentional infliction to cause emotional harm or distress which is the makings of class action suit.

Too loud for pastoral residential communiy! What is the Navy thinking about, clearly it is not anything living near OL F Coupeville. Please stop flying here!

"Too loud

Too low

Too long

Abusive"

Two Growlers BLASTING over Saratoga Passage shattering the calm! If It's SOP for the Growlers, they will circle and pass over head a couple more times.

Very and loud growler over south Lopez

We are being overflown by multiple Growlers in a constant shattering jet exhaust blast. Circling west Camano at very low altitude. Extremely frustrating

Went out and flipped off the two jets that just flew over my house. I know they can't see me and it wasn't even cathartic. I have nothing but disdain for this organization. I hope all your jets fall into the ocean

Went to go for a hike to festered out at Bowman's Bay, too many planes to count were flying almost the entire two hours. Many passenger aircraft 6+, low flying f16s that forced us to plug our ears because the noise was painful and growlers.

Eagle cove

Was shocked to be hearing the Growlers all the way down here in Langley. No mistake. The sound is well known, and I verified the midday schedule.

Growler 83dBa over Deception Pass Park

same old

Deafening take offs

#F\*\*\*thenavy

12:03pm Aug 8. The Growlers keep coming. Right now screaming over South Lopez.

12:44pm. Aug 4. Growler roaring and screaming over South Lopez. LONG LONG LONG noise.

80 dB. Another assault by USN upon U.S. citizens!

93db

94db

AGAIN. Aug 8. 12:20pm LOUD ROARING GROWLER over South Lopez. If San Juan County describes these as peaceful islands, they are NOT!!!! I bought this property in 1992. It was relatively quiet then. NOW NOT PEACEFUL. NOT FOR A LONG TIME NOW.

All day it's been like a war zone over my portion of Lopez Island. Multiple low flying growler aircraft generating extremely loud noise over the islands.

Another loud growler over S Lopez. Aug 11. 12:57 pm

ANOTHER SCREAMING GROWLER coming over S. Lopez. Now over us... now turning into a deep roar. So loud that my husband cannot hear the person he is talking to on the phone. That's what a Growler does, the noise penetrates EVERYWHERE. 12:05pm Aug 20.

Growlers over Mud Bay, LOPEZ. EAR-SPLITTING. Screaming and roaring. I am lucky I am inside...because it is bad enough inside my home, must be deadly outside. 12:58pm. August 13.

Loud growler again over South Lopez. 12:58pm Aug 12

Loud Growler over S. Lopez. Aug 15. 12:37pm

The Navy didn't fly in my area much last week and it was wonderful to be able to go outside. Right now they've had a few flights over the Mt. Vernon area and I'm back to having to wear earplugs indoors.

"Very loud long blast of noise from Whidbey

Had one of these earlier too but wasn't able to report at that time"

More rumbling from Whidbey. This is disconcerting because we are getting clouds and it makes me pay attention as to whether this is thunder. Probably not, but the noise from Whidbey is distracting me. S. Lopez. Aug 5 12:55pm.

More rumbling from Whidbey. This is disconcerting because we are getting clouds and it makes me pay attention as to whether this is

thunder. Probably not, but the noise from Whidbey is distracting me. S. Lopez. Aug 5 12:55pm.

Deep rumbling vibrating roar from Whidbey. Just moments after the one before. Annoying. S Lopez Aug 5 12:27pm

Obnoxious and annoying as always.

Prolonged rumbling vibrating roar from NASWI.. Loud, deep, thundering and threatening. Still going on. Sounds like they launched the whole fleet at once. S Lopez. Aug 5, 12:25pm

South Lopez. What is going on? Repeated short rumbles and vibrating waves of noise from Whidbey. Engine run-ups? This is aggravating. 8/5 12:57pm It is continuing. This is like a coal train running along the front of my home.

"Engine runups at Ault now

Several growler planes flying around earlier this AM"

Growler flying by South Lopez

Growler flying over s Lopez

Growler Flyover near s lopez and jet test noise from Whidbey

Growler overflights ALL day long! Many are producing extremely loud exhaust noise, seemingly intentionally. It appears to be planned to impose maximum "offense".

Growlers are back too soon!! Roaring around the area.

Navy's out there making Mt. Vernon worse living on the SeaTac tarmac.

South Lopez flyover

"South Lopez, returned home

Sounds like I should be hitting repeat, repeat, repeat on Whidbey jet noise as the sounds are all around and happening every few minutes."

1:05pm. S Lopez. Growler roaring over us. Loud and rough.

1:24pm June 23. S Lopez . Another huge jet roar from Whidbey.

1:26pm. June 4. Another screaming Growler over South Lopez.

1:46pm, June 24. LOUD LOUD LOUD GROWLER over S. Lopez. And the roar just keeps going. Hurts my ears.

"74 dB roaring low over south Lopez. It's been continuing this day.

No break from 830p and still going after midnight on a weeknight. We can't open the windows or sleep. Outrageous lack of consideration for the community that supports you.

On and off all evening, 7/21, until 12:30 AM 7/22, loud, sleep disrupting roar of jet engines. Impossible to shut out sound with ear plugs: sound penetrated bones and muscles.

Another one just came over. About as loud

WHY????"

89.7db

Again Jets flying all day. Bone rattling LOUD. Hurts my ears every time. Jets headed east over top of Camano Island.

"Another loud growler flyover

South Lopez

Growler headed SW towards Olympics"

ANOTHER LOUD GROWLER over S. Lopez. So loud cannot hear the TV tennis match.

ANOTHER loud Growler over South Lopez. My teeth are on edge. 6/4. 1:04pm

Another roaring growler over South Lopez. June 4

Early afternoon, S. Lopez. LOUD LOUD jet roar

Flyover

Flyover growler

Growler is ripping up the sky over South Lopez. Now it turns to a long roar. Interrupts us. June 18, 1:35.

Growlers overflying loud and low

Has been going on for days now

Huge jet roar from NASWI . Afraid to ride my bike outside. S. Lopez

I hate the Navy. I HATE the Navy. I HATE HATE HATE the Navy. GTFO you scum. Enormously loud and disruptive flights over the Mt. Vernon area right now.

It is one thing to moan about the growler Roaring when I am indoors & working & the doors and windows are open. The noise invades the whole house. But it is another thing to be outside and to have your body vibrating from the deep roars. S Lopez.

Jet testing blast noise from Whidbey

June 11, 1:50pm. SCREAMING Growler over Mud Bay, Lopez. I am inside and my ear drums are blasted. Scream turns into a roar, long and drawn out. Must be flying low.

June 4, 1:17pm. There is no other way to describe the Growler noise as LOUD.. ROARING. THUNDER-Y. SHRIEKING. VIBRATING. Go fly over Mar a Lago, why don't you? Our environment here is degraded every day of the Navy's presence. S. Lopez.

Long lasting loud sound

Lots of growler Noise from Oak Harbor

Loud growler over South Lopez. 1:26pm, June 30.

Loud long blasts of noise from Whidbey

LOUD roaring jet over South Lopez. drowned out the TV.

"Loud

Long"

Low growlers flyover south Lopez

"Lunch break must be over

Loud steady noise from Whidbey"

Mud Bay, Lopez. One minute after a growler screamed over us, here is another. Are they just having fun or what. This is NOT FUN. Those were TWO screaming growlers flying over a residential area. 1:51pm. June 11.

Multiple growler flyovers

Navy using sonic weapons against citizens of Skagit again. It's ear splitting loud out there right now.

One right after another. Huge deep percussive rumbling etc roar from Whidbey . The floor vibrated. South Lopez 6/23, 1 pm

Riding my bike by Cousins Road Lopez when I got confused by a lot of noise. Thought a big truck was barreling up behind me, but could not see

it, but turns out it was a Navy jet roaring. Don't like being distracted like that.

"Right near gas powered weed eater and growler flying over south Lopez is still heard and loud

Many other Growler jet noise incidents today. Not able to devote most of my day submitting growler noise incidents."

S. Lopez. Outside doing chores and annoyed by a very loud growler roaring in the skies. it WAS a nice afternoon.

Several growler flyovers

Several other times also

South Lopez

The jet noise is coming fairly constantly now. 1:22pm. June 23. Now here is another thundering roar. S Lopez.

"Using pressure washer on turbo mode

Even over that Growler is still loud"

"Very loud and that is from inside a house

Caused windows to rattle for at least 20 seconds

No afternoon napping allowed on Lopez today"

"Very loud growler over south Lopez

Heading across Straits"

Very loud this time

Very very low growlers flying to NE over south Lopez. Watch notified of danger being in loud environment. I was in my yard pulling weeds...

Vibrating house.

Eagle Cove. Extremely loud

Is there a button that says virtually continuous Growler related jet noise?

And numerous whale watching vessels just south of my location, so presumably cetaceans directly affected.

Eagle cove

Frequent loud rumble and vibration, making house shake.

Has been going on for a few hours and has just gotten worse.

North Whidbey middle school !

7/22 1:30pm S. Lopez. Growlers continue to roar in the skies. Threatening & distracting noise. Trying to do computer work & I hear the noise & I have to look around. Is the washing machine spin cycle going crazy? Is a truck coming up the driveway?

89d

All morning and afternoon. Makes it impossible to be outside!

Drowned out phone conversation.

Feedback in my hearing aids 98277-9138

Growler engines from Ault have been going on nonstop ever since waking today. Grrrrr

Multiple passes again. Any conversation outside had to stop

South end Camano. Noise so loud my guest left when kids were playing outside.

"South Lopez

Several jet noise incidents coming from navy Whidbey and growlers today"

2 growlers tight formation Colin from the east headed west . Ears covered because the sound hurts.

A huge plane (Growler) flew very low down East Sound by Orcas Island, WA.

After less than an hour of peace since the last episode of Growler overflights, they are at it again. Multiple Growlers are BLASTING along west side Camano. Last night Growlers were overflying at 11:00 PM. Now another is passing over!

AGAIN, ANOTHER SCREAMING GROWLER OVER SOUTH LOPEZ. 1:48PM. JULY 15.

Again, ruining a summer day. Last night was HORRIFIC . . . sleepless, hot with necessity to close windows. Our houseguests find it unbelievable that we have to endure this.

another LOUD LOUD LOUD LOUD JET OVER SOUTH LOPEZ ON THE HEELS OF ONE A MOMENT AGO.1:58pm July 22. THE NAVY ATTACKS

RESIDENTS.

ANOTHER SCREAMING GROWLER OVER MUD BAY, LOPEZ. July 24 1:49pm

ANOTHER SCREAMING GROWLER OVER SOUTH LOPEZ. MAKES ME VERY ANGRY THAT THE NAVY DISRUPTS THE DAYS WITH DEAFENING NOISE. These loud Growler jets have NO PLACE over populated areas. Rep Larsen turns a deaf ear, but still yaks about the environment.

Directl flyover

Ear shattering Growler noise from practice field. Multiple Growlers looping with full afterburner maximizing noise!

Extremely loud and painful, over 110 decibels on the meter, multiple passes overhead.

Growler jet noise near OLF Coupeville. Most likely, we leave the house to escape from this horrendous noise. We suffer too much.

Growler(s) roaring over South Lopez. I cannot take the time to report each time. Another loud miserable day filled with jet roaring. July 28, 1:01

Growlers overflying our area until after midnight last night and have been overflying us again, pass after pass for the past several hours. They are very low altitude, flaps down, throttle up, producing the MAXIMUM NOISE possible.

Impossible to be outside. Had to come in from working in the yard. Right over our house even though that is not their declared flight path

Is Anacortes Washington in the Whidbey Naval flight path now? There are multiple deafening flights every day flying low and flying loud. What's going on?

Just about had to drop the garbage I was carrying outside when 2 Whidbey warplanes screamed by directly overhead. Needed to cover my ears to protect myself, my hearing. Anacortes near the ferry terminal weekday afternoon.

LOTS OF JET NOISE IN THE SKIES. Very noisy and bothersome. Headachey. July 22, 1:51pm South Lopez

Loud growler noise over South Lopez. 1:02pm July 17

Loud Growler Roar over South Lopez. 1:51pm July 16.

LOUD LOUD LOUD EARSPLITTING GROWLER OVER SOUTH LOPEZ July 22

1:57PM

Low lowlow

Multiple flights over the last hour, disrupted activities and caused pain

Multiple Growlers circling well out over Saratoga Passage. Extremely loud

Multiple overflights well in excess of 100 decibels on the sound meter, this is horrendously painful to have to be underneath and it is every single day over and over.

Once again NASWI demonstrates their stupidity by flying during lunch time. I cannot hear the TV in my living room with this horrendous noise. If this were only about training they most certainly could fly elsewhere. Think Gestalten denkins.

Please, please give us a break. This is just too much. Please, I'm begging you to stop.

Right over hospital!

Roaring Growler again over S Lopez. July 28, 1:11pm

Shook the house and us.

Single jet circling over Camano island.

"Single jet fly in low and slow coming from the east headed west

Extremely loud. Have to yell to be heard. "

"South Lopez

This jet noise much louder, seems like engine test

Going off again"

That one hurt. A new high pitched whistle.

They're flying DIRECTLY over the hospital! Insane . Totally off the flight path!

Three in a row. It hurt our bodies.

"Time.is approximate.

Transport plan flew VERY LOW (600') going north above East Sound on Orcas Island and then veered west. It appeared to be a plane from Ault

Field travelling in airspace that is DEFINITELY NOT part of an approved flight pattern."

TO LOUD!!!!!!!!!!

Two growler jets passed overhead the noise measured at 102.1 dB today at 1:21pm at Coupeville, WA, 98239, US. Too loud for a neighborhood . The growlers have been flying loud for 3 or more day so loud to be painful to the ears.

Very painful noise

Why post a schedule when you fail to follow it? As usual, no respect for community.

Woke my mother up from her surgery recovering. 💔 this is very very bad!

"Back at it for several hours.

Ended after midnight last night "

Roaring over Lopez Sound constant since 11 am. interfering with activity outside as well as alarmingly audible indoors as well -- our innate responses to to duck as we feel attacked. Oh woops, here they are back again before i could finish typing.

Can't hear anyone in the house

3 Growlers in close formation passed overhead at low altitude and high speed. They flew SE to NW, circling N. Their flight pattern suggests they will be making repeated overflights of our neighborhood generating EXTREME noise and stress!

64 dB. Low over south Lopez

ANOTHER GROWLER over South Lopez. VERY VERY VERY LOUD!!!!!!!!!!!!!!  
1:33pm

ANOTHER ROARING GROWLER OVER SOUTH LOPEZ. Are we the preferred flight track now???? Running growler jets over populated areas. Move the Growlers!!!! 2pm

F\*\*\* you , c\*\*\*\*\*cker 😂😂😂😂😂😂😂😂😂

Growler overhead loud enough I could not hear the Zoom I was on. LOUD!!!! South Lopez. 2:26pm August 13.

Growler ripping up the sky again. S. Lopez. Long long roar. LONG LONG

DEEP ROAR. Still going on. So loud it drowned out my phone call. 1:48pm.  
Aug 19

Hellishly too loud, a desecrator of all living beings with their noise, cancerous microparticles, PFAS, etc.

I have tennis on the TV. When I can hear a Growler roar over the TV, it is too loud; the jet noise is invading my home. This one is rolling and rolling around in the sky. Long noise, Long roaring. 1:32pm August 6. South Lopez.

Major flights multiple jets

South Lopez. SCREAMING GROWLER OVERHEAD. 1:19am Aug 18

South Lopez. 1:36pm. LOUD LOUD LOUD Growler roaring. 8/20/25

The Navy jets cannot stay away from Lopez, apparently. Roaring jet over Lopez again, now. 1:04pm Aug 13. I report as many as I can because doing so lets me express my anger and frustration that living on Lopez is like living in a war zone,

"USN at war against US Citizens, children and the elderly.

Less than 100' over house.

79+dB"

There is rumbling roar all over the skies and in our home. Cannot tell where it is coming from. Do the low clouds deflect/reflect/echo the noise of jets from Whidbey? This has been going on most of the day. Southend Lopez August 5, 2025 1:34pm

Horrible, relentless, still going . . .

Prolonged loud rumbling, roaring, vibrating. S Lopez. It is a very noisy and annoying day. Aug 5 1:23pm

Richardson, Lopez. Admiring the beauty of this location and suddenly huge rumbling roar from Whidbey. Too bad. It really put off my friend.

Rumbling and vibrating roar from NASWI. South Lopez. August 6. 1:15pm

South Lopez. ANOTHER rumbling vibrating roar. 1:17pm. Aug 6. I try to report each incident as I am able because I want to communicate the daily aggravating times.

"Flying higher today

Not as loud"

F\*\*\* The navy

Hour after hour of uninterrupted Growler landing practice. It just completely spoils a beautiful day and makes working outside very unpleasant.

Maybe while I wait to pick up my granddaughter on a hot day . Instead of windows being down I can just turn on car and use air conditioning

2:54pm. 6/23 S. Lopez. Jet noise blasts are coming continuously, one right after another. About 7 right in a row. What's going on? Floor is vibrating. Running up the engines? Launching some of the fleet? Very disconcerting. Like an earthquake.

76 dB. Low on Lopez. I had to stop a phone call

92db

Again. Another loud Growler over South Lopez. I am so tired of the explosive noise. The disruption of concentration. The loss of normal household and yard sounds. The noise of war. June 3 2:40pm

ANOTHER GROWLER ROARING OVER S LOPEZ. June 24 2:05pm.

ANOTHER ROARING GROWLER over South Lopez. The noise is huge. Fills our home.

Crescent Harbor Elementary

Engine runups at Ault.....the vibrations really hurt my eardrums

Growler flyover

Growler roaring over S. Lopez. 2:45pm

Growler SCREAMING over Mud Bay, Lopez. SCREAMING SCREAMING. DEAFENING. 6/24 2:03pm. Now ripping the sky.....now roaring. Why are you flying over Lopez?

Growlers flying over south part of Lopez

Growlers overflying making horrific exhaust noise several time today.

I would say by this noise the runway is done ! Too bad they don't alternate between the two ? Ault field !

Inside house and jet noise is very loud

It's like a war zone over my house, one growler after another, some with gear down.

June 11, South End, Lopez. Navy abuse continues. Long noisy morning and now an afternoon of Screaming Jets and blasts. Loud roar in the skies. 2:27pm

"Lots of growler flights today

Shortly after noon there was jet noise and growlers flying in several different locations."

Low growler flyover south Lopez

Measured 95 decibels inside a structure, severely painful outside. I'm sure above what OSHA classifies as dangerously high noise levels without ear protection

MORE JET ROARING OVER S LOPEZ. 2:09pm. June 2

More really loud noise from Whidbey. Windows in house are rattling.

Oh my god that is loud. That is SO LOUD. It's insane that this is allowed over a populated area!

Outrageously loud. Seemed purposeful to be as obnoxious as possible. Or else the pilot has poor control of the jet? Such a waste of our young Navy personnel. Top Gun wannabees are late to the party. Just one little drone can bring them down. Sad

Overflowed by Growler making shattering noise

Painfully loud

Repeatedly flying extremely low over residential neighborhoods. Was enough to trigger vehicle alarms, panic animals and damage eardrums.

Roaring growler over South Lopez. June 6.

So loud and repeated overflights, causing ear pain and dangerous working conditions outside. Hazardous to children playing in the area.

South Lopez. a few minutes ago. Returned home from a trip to the Village to pick up friends. Opened the car doors and SCREAM AND ROAR, a loud growler was filling the air with jet noise. NOT a good welcoming party.

Southend Lopez. Inside with a friend. Doors and windows open, and WHAM Loud roar of growler invades the house. Stopped conversation.

There's another loud Growler over S. Lopez. Roaring. Thundering. 6/24, 2:20pm

"War zone down here on the south end of Lopez Island.....loud bursts overhead and

extended activity ... time to move elsewhere!

Thank you!"

Eagle Cove

They are using the north / south runway while the other is being resurfaced . Why on the regular do they not alternate runways ?

Another growler over south Lopez

Several times earlier today also

2:40pm. S Lopez, July 14. Again, growler jet noise from Whidbey is too loud, Pervades our home.

Pair"

AGAIN, ANOTHER LOUD GROWLER SCREAMING AND ROARING OVERHEAD. 2:07pm, July 15. South Lopez.

Again, LOW. War games over a town! SHAME!

ANOTHER GROWLER SCREAMING OVER SOUTH LOPEZ. July 22. 2:16pm AGAIN DISRUPTING MY HUSBAND'S CALL WITH HIS DOCTOR. Cant' hear.

Another jet roaring over South Lopez. 2:30pm July 23.

Back again. F\*\*\* the navy and their war games.

Cape Saint Mary area, SE end of Lopez Island, Washington

Cape Saint Mary area, Southeast end of Lopez Island, Washington

Direct flyovers.

"Directly over house, within 200'.

78.2 dB

Small kids playing next door."

For the past two days there has been excessive aircraft noise all hours. The engines sound more like rockets as opposed to aircraft engines.

Friends over for a meal on back deck. Too loud to carry on conversations.

Jets flying over home relentlessly. Flight path over Polnell Point / Skagit bay has gotten so much worse over the last several years.

Growler buzzing South Lopez again. Very noisy and echo-ey in the skies. The roar just keeps going, echoing around the skies, filling the air with jet noise. July 22, 2:09pm

Growler SCREAMING OVER MUD BAY, Lopez. 2:01pm. July 22. Interfered with my husband's zoom call with his doctor. Simply could NOT HEAR ANYTHING in our home. This is egregious invasion of our home by the Navy.

"I have lived here in this neighborhood in Anacortes for 30 years and I have never before heard so many planes day after day

If we are now in an official flight path of the Whidbey Island Naval Station we should be notified."

incredibly loud and low overflight

is this how it's going to be for the foreseeable future?

Notice the training sessions have been running all day until midnight or later. Think seriously about giving us a break from the extreme noise. Maybe move to the desert.

Southend Lopez. The sky is full of growler noise. It is so discouraging to have the sunshine, and to be out on the patio for a work break, and to have all that NOISE pounding into my head. July 24, 2:30pm

This is too much

"Trying to enjoy a relaxing time on the lake, over they come over and over again for the entire 3 hours time we were trying to enjoy peace and quiet on the lake.

Low, loud, no conversation possible."

Two flights overhead, again over 100 decibels on the meter at ground level, extremely painful to be outside when flying overhead

Very loud growler over south Lopez

VERY VERY VERY VERY LOW!!!!!!!!!!!!!!!!!!!!!!

South end of Camano. Severe non stop rumble. I have to leave the house. Because of the noise but I don't think there will be anywhere I can go to getaway.

2:20pm. S. Lopez. Loud rumbling from NASWI. Growler take-off or engine run-up? Whatever it is, it is TOO LOUD.

2:45pm. July 14. S Lopez. AGAIN. More rumbling noisy interference in our lives from NASWI. Growler jet noise.

84dbA over Guemes Channel

Loud! Some of these seem louder than most of the previous ones.

The growling has been going all morning and again now in the afternoon.

54 dB south Lopez

81.4dB.....less than 200' over house

ANOTHER LOUD GROWLER OVER LOPEZ. 2:53pm. August 13. GRRRRRR.

ANOTHER loud growler over South Lopez. 2:31 pm Aug 20. I am angry and annoyed. This place sounds like a war zone. Perhaps it is.

ANOTHER ROARING GROWLER OVER SOUTH LOPEZ. LOUD LOUD LOUD. 2:09pm

Aug 19. One after another. Growlers over South Lopez. Screaming and roaring. 2:17pm. ALL AFTERNOON. CANNOT BE OUTSIDE.

Biggest issue with the Navy is they refuse to publish a useful/accurate schedule and they won't turn on their transponders. If I'm caught outside for a louder flyover, it's instant headache and sometimes vertigo. Just let me PLAN!

Good job boys. Super loud, super low, terrifying. Now you know how to terrify people and animals, so please stop.

Growler noise ripping up the sky. Loud and long. S. Lopez. Aug 12. 2:39pm

Growler over S Lopez AGAIN. 2:44pm August 13. Again, I could not hear the Zoom I am on.

I made a mistake. It was quiet and I needed a break from work. I was walking outside, enjoying warmth and birdsong, when BOOOOM, here comes a growler. So loud that my head was filled with the roaring. South Lopez. 2:25pm 8/20

Multiple Growlers passing very low and very slow, with MAXIMUM exhaust volume, literally shaking windows. The Navy seems to have no concern for the population under NASW flight patterns!!

Non stop fly overs of Lopez. They could at least fly over the middle of the straits but no they have to fly over populated areas and sea lion colonies!

So very much hate the Navy. They've been out flying around the Mt. Vernon area and I can't hear or concentrate on anything else.

South Lopez. ANOTHER SCREAMING GROWLER OVER US. So loud and ear piercing! Drowns everything out. Aug 19 2:13pm

"Very, very, very low and loud growler flying to east over south Lopez

Several other Navy Whidbey and growler jet noise incidents today. This one was the loudest and lowest."

Drowned out conversation.

Several other times this afternoon

3:56 pm. Sunday, June 29. Jet with a GROWLER SIZED ROAR over Mud Bay, Lopez. Started with a scream as it approached, then turned into a deafening roar. SUNDAY! Outside enjoying an early BBQ and we are stunned by the bone-shaking ear-splitting roar.

62 dB. South Lopez

84 dB roaring over Aleck Bay

Again, a loud roaring growler over S. Lopez. The noise fills our home. Glad I am not outside.

Cape St Mary area Lopez Island, WA. Noise hurt my ears.

Direct growler flyover plus other growler engine noise

"Extremely loud. I had to come inside as it hurt my ears.

"

Growlers to the south heading N, plus growler noise from Ault

Horrible fly over noise, especially for a pastoral residential country area.

I am so tired of all the jet noise. The skies are full of it. South end Lopez. 6/17.

Many other growler flights going over south end of Lopez Thursday afternoon

RIDICULOUS... Growler made a deliberate pass down the west side of Camano generating the MAXIMUM amount of jet noise possible. WTF!!!

Roaring growler over South Lopez. Annoying, Distracting.

Rumbling and Roaring of Growler flights. June 17. S. Lopez

South Lopez 2 growlers low flyover headed SW across Straits

What we are having right now is a parade of growlers over S Lopez. I hear the scream of this one, now it is roaring over us. The roaring continues & gets deeper & louder, still roaring. Still roaring. These jets are too loud for a populated area.

Directly overhead two jets in formation.

80db

Can't work outside. Several long stretches of flying these past few weeks. Almost impossible to get anything done when they're running so much and you never know when you're going to get caught in the noise.

Drowned out conversation. Lasted long time.

Growlers circling for landing practice and the noise is terrible.

#F\*\*\*thenavy

3:09pm. S Lopez. 7/14. Just trying to get work done at my computer & my thoughts are interrupted by LOUD BOOMING JET NOISE from NASWI. The Navy, sends its noise into my home without my permission. Arrogant Navy with its lies about its noise level.

3:47pm. 7/22. Loud growler over South Lopez.

3:53pm. South Lopez. Growler ripping the sky apart again. No hyperbole...that is really what it is like. Still screaming and roaring as I write. Flying over us now. Deafening. July 16.

"85db++

Long roaring"

ANOTHER GROWLER ROARING & SCREAMING OVER SOUTH LOPEZ. It is deafening outside. They are flying over us with frequency. Finally I am coming in from outside because I do not want to put up with noise that even headphones do not diminish. 3:33pm 7/15.

Cape Saint Mary, Southeast end of Lopez Island, Washington

Cape Saint Mary, Southeast end of Lopez Island, Washington.

Cape Saint Mary, Southeast in Lopez Island, Washington

Cape St. Mary Southeast end of Lopez Island, Washington

"Continuous roar

90db"

Disruptive inside the house. Insane outside.

Extremely loud growlers flying in the Keystone area

"Extremely loud has continued for almost 4 minutes

S Lopez "

Extremely loud, seem to be flying extra low and in a tighter circle.

Flying, lol, over our house and letting their afterburners release over our homes

Freedom isn't free. It costs folks like you and me. And if we don't chip in we'll never pay that bill. Freedom isn't free. No, there's a hefty f'n fee. And if you don't throw in your buck o' five who will?

F\*\*\* The navy

Growler roaring over south lopez. 3:30pm

Growlers are roaring over South Lopez again. Lots of noise in the sky. Lots of noise invading my home. This is a whole lot like being at SeaTac. July 24, 3:56pm

Here we go again. ANOTHER GROWLER ROARING OVER SOUTH LOPEZ. July 24, 3:50pm

Horrific! All day every weekday. Louder and more frequent than ever.

Jets flying past my house are extraordinarily loud. They have been flying past midnight the last two nights. I have to shut all my windows just to have a phone conversation in my house. It is horrible.

Just had a series of flyovers that happened so quickly I couldn't count all of them and here comes another one. Probably at least 6-8 aircraft overall. The latest one registered 92db.

LOUD ROARING GROWLER OVER SOUTH LOPEZ. 3:23PM, JULY 15.

Now the sky is filled with growler jet noise from two different directions. Very loud with deep roaring. July 15. Southend Lopez. 3:58pm

"Plane after plane

Deafening"

"Roar continuous

79db"

Several jets passed over rattling windows and completely drowning out all conversation indoors.

Sky is booming with noise right now. Growler in the vicinity! S Lopez. July 21.

So loud it registered on my iphone

South Lopez. The air is full of growler jet roaring. Outside and inside. 3:35pm.

The total bags of horsesh\*\* in the Navy just blasted the whole Mt. Vernon (and surrounding) regions with their sonic weapons.

Third time today with flyover in Anacortes above or close to 80db. This time it maxed at 78.5 db.

Two loud growlers just roared over. Interfered with a phone conversation. Aleck Bay Road Lopez.

You are always loud, but you are not always this loud. I don't know what makes some jets noisier than others but this is horrible. I feel like I'm living in a war zone.

They have been going at it for the last couple of hours. I'm sure they will continue well into the night

3:01pm. July 14. S Lopez. OK. We have had a noisy morning and now it is a noisy afternoon. It gets my nerves on edge. Growler engine rumbling from Whidbey.

Terrifying

#F\*\*\*thenavy

3:04pm more growler rumbling over S. Lopez. Screaming as it comes closer. .... Now roaring. Sounds like a freight train.

3:13pm. Aug 4. S Lopez. Screaming roaring Growler over Mud Bay.

3:17pm Screaming growler over us. Too loud! Ear splitting. South Lopez.

3:30pm Aug 6. S. Lopez. Roaring Growler makes a very noisy sky.

58 dB. Roaring over south Lopez. Earlier I saw two jets in formation.  
WHY?

ANOTHER loud and roaring growler over S. Lopez. Aug 6 3:50pm

Another loud growler ripping up the sky, the noise blotting everything else out. Lousy Navy. Don't trust them. 3:29pm Aug 7. Southend Lopez

"Deafening!

Even louder. This is a nature preserve. What do they care

Extremely loud and disruptive. Woke my mother who is recovering from surgery! 🤔

Growler(s) roaring over South Lopez Aug 5, 3:43pm. Smoke in the air.  
Cannot see them but it sounds like there might be two. VERY VERY LOUD .

Growlers roaring over S Lopez again. Aug 4, 3:52pm

Huh. Direct fly over the sea lion colony!

I was in downtown Mt. Vernon for a 2pm Dr visit and the jets were SO LOUD! I had to walk through the parking lot with my fingers in my ears. I still have a headache.

Is that what the end of the earth will sound like ??

Jets are loud but themselves so they now fly in PAIRS.

More jet roars are rolling into my home. 3:12 pm August 7. S Lopez. Would you call it kindness to let folks know that moving to Lopez is moving into a war zone? Or what? I wish someone had told me.

Multiple flights over the Mt. Vernon area. Had to come indoors. Even earplugs aren't enough.

Multiple times today, beginning at about 10:30 am, flights of Growlers have overflowed our neighborhood, low with maximum exhaust noise.

Out on a boat observing Sealion Colony at Whale Rocks when my guest exclaimed what the b lank is that noise. Navy jets

Roaring growler over South Lopez. Aug 5, 3:58pm An incredibly noisy day.

South Lopez. Growler over us again. So loud. So Loud. Not a good idea to live on the south end of Lopez due to the Navy Abusers considering it their fly-over territory. 3:09pm 8/20/25

Super low and extremely loud. Frightened dogs and children here. Really

sounded like it was going to crash into our house.

The Navy jets sure have sucked today. My mother has dementia and just moved in with us, but she keeps freaking out about the noise. If I can't get her to remember the explanation, she won't be able to live here.

TWO GROWLERS FLYING OVER MUD BAY. I had the misfortune to be outside. BLASTED MY EARS!!! Why is it necessary to fly over Lopez? Over a populated area? August 4. 3:40pm

TWO VERY LOUD GROWLERS OVERHEAD

War zone at the pickleball courts.

WITHOUT EXAGGERATION, WEST CAMANO HAS COME UNDER ACOUSTIC ATTACK!! In the last 30 minutes a series of Growlers have over-headed Camano at very low altitude, wheels down, flaps down, and BLASTING exhaust noise. This is intentional behavior!!

For a pastoral community overlooking the Olympic Mountains, this is a deep sickness of the Soul perpetrated on nature that needs to become healthy for all living beings.

In car, air on and music. Still felt and heard the jet. Very loud. Picture taken

Direct flyover

Growlers circling for landing practice.

Growlers creating havoc and disrupting a peaceful day. No rest from these bas\*\*\*\*s. F\*\*\* The navy!

I'm attempting to read and concentrate on the text of The Harmony of the Creative Word by Rudolf Steiner. With the Growler jet noise in the background it is impossible. The Asuras forces of death and destruction permeate the environment.

So hot !!!! Have to shut windows !! Oak Harbor

4:12pm. July 25. Loud growler roaring over South Lopez now. There have been several times this afternoon when the skies have filled with jet noise.

4:20pm June 17. S Lopez. Loud roaring jet over South Lopez. So noisy. Noisier than the blower cleaning the driveway.

63 dB. Roaring low over south Lopez

Direct dbl growler flyovers

Double screaming low direct flyover

Excruciating. Seems Constant these days. days. Hearing loss

F\*\*\* the navy

Growler flyover

Growlers over south Lopez

Incredibly loud

June 30. 4:14. This afternoon is full of jet noise. The prolonged roaring of Growlers as they fly over South Lopez.. Now it sounds as if we have two at once, different directions.

Multiple growlers in different locations S Lopez

Navy just did an unnecessarily loud attack on the population of Mt. Vernon.

One growler right after another and another heading over Straits to Olympics from Lopez

South Lopez. Loud roaring growler over us. Very noisy. The engines sound rough.

The unbearably loud Navy flights wouldn't be so horrible if they could publish an accurate schedule and flight paths so we'd know when not to be caught outside. Is that too much to ask?

Too loud as we are beginning to make dinner. What is NASWI thinking about other than destroying the environment under the pretext of protecting us? If this were only about training, the Growler jets could fly elsewhere, in a very unpopulated area.

67 dB. Roaring over dough Lopez annoying breakfast

Very loud Growler over South Lopez. June 17, 4pm

Irritated today by jet noise in the skies. Not loud, but like distant thunder. S. Lopez

Lasted for a long time. 95 seconds and I can still hear it.

"Many Growler flights and jet noise this afternoon

From low rumbles to disrupted activities to extremely loud"

Growler directnoverfly

87dBa over Guemes Island

Flying over our house all afternoon. At least 5 separate incidents between 2:30 PM and 4:10 PM. Here comes another one - REALLY!

Growler landing practice annoyingly loud

Low cloud cover and the pilots are intentionally throttling up with disregard. Flights are constant loops over Anacortes and SJI. STOP! For the love of god STOP!

Many passes by jets this month that mean we have to run inside or plug our ears to avoid hearing damage.

Turning off transponders doesn't mask the noise and just makes you look sneaky.

4:08pm. LOUD LOUD ROARING Growler jet over S. Lopez.

7/24 4:21pm. This is NOT the day to be outside. Growlers flying all over. Here's another. The scream as it nears, the roar as it passes and the roar as it keeps on going. Might as well live next to train tracks or SeaTac with this noise. S Lopez

"88db

Continuos roar "

89db

92db

"94db

"96 db

Cover ears

Normal 30-40db"

Afternoon- tearing ripping screaming from the skies- interrupting work call- had to give up it was so terrible. Anacortes near the ferry on a Wednesday afternoon. Military abuse of civilian population

Completely unable to carry on a conversation with my sister from out of town inside my Anacortes home due to navy warplanes tearing up the skies .horrible invasive harmful noise. Weekday afternoon.

"Crazy loud growler overhead

Also Ault engine noise"

Deafening! Livestock are going beserk. Cannot hear family members 3 feet away!! STOP

Flying blast furnaces when flying over populated areas they travel in pairs so it's twice as loud. What did I do to deserve this

For goodness sake, can you please give us a break?!

I can't hear my clients talk! I'm a grief counselor. This is insanely loud!!!!

Jet noise has been filling the skies most of the day, July 31. South Lopez. Not directly over us, but we are getting thundering roars from Growlers not that far away. Very annoying to be outside

July 23 4:08pm. S Lopez. GROWLER ROARING AND SCREAMING OVER SOUTH LOPEZ. So loud, and it just keeps going. War over Lopez.

July 24. 4:34pm. ANOTHER GROWLER roars over South Lopez.

"Land, Land, land

Land all aircraft"

Low cloud cover and the pilots are intentionally throttling up with disregard. Flights are constant loops over Anacortes and SJI. STOP! For the love of god STOP!

Low cloud cover and the pilots are intentionally throttling up with disregard. Flights are constant loops over Anacortes and SJI. STOP! For the love of god STOP!

Low cloud cover and the pilots are intentionally throttling up with disregard. Flights are constant loops over Anacortes and SJI. STOP! For the love of god STOP!

Low cloud cover and the pilots are intentionally throttling up with disregard. Flights are constant loops over Anacortes and SJI. STOP! For the love of god STOP!

Low cloud cover and the pilots are intentionally throttling up with disregard. Flights are constant loops over Anacortes and SJI. STOP! For the love of god STOP!

"Low cloud cover and the pilots are intentionally throttling up with disregard.

Flights are constant loops over Anacortes and SJI.

STOP! For the love of god STOP!"

More jets, more rattling, more inability to do business.

Ridiculously loud and disruptive flights, why do you attack your own people. Please stop the acoustic assault.

S. Lopez. Morning & afternoon we have been pounded by Growler noise. Same again right now. 4:04pm July 15. Hope I can sit in our garden in the early evening to chat with friends. Probably a vain hope. Depressing to be on Lopez & worry about that..

South Lopez under attack by Navy growlers. It has been a bad day. Right now screaming and roaring growler over us. I am afraid to go outside, expecting more growler roaring that is so deafening. 7/15/ 4:55pm.

STOP FLYING AT OLF COUPEVILLE. YOU HAVE BEEN FLYING MOST ALL OF THE DAY. STRAIGHTFORWARDLY, GET OFF OF WHIDBEY ISLAND AND FLY WHERE IT IS ADVATAGOUS TO THE CITIZENS WHO LIVE HERE!

The length of jet noise is absolutely unacceptable and disturbs people's ability to go about their daily activities. The noise has gone on all day today and often goes until midnight. It's out of control and not right.

"The noise was unbearable and went on for hours.

My nephew a retired pilot out of Whidbey received a partial disability due to noise when he retired and it was common. By issuing a disability caused by noise you are admitting to the problem. "

THEY JUST KEEP SCREAMING OVER. S. Lopez. Another growler screaming and roaring over us. We must be the new flight path. The noise invades our home, blocks conversation. Louder than the rickety spin cycle of our washing machine. 7/24 4:12pm

They started at noon and there hasn't been 5 minutes of silence since.

"This sh\*\* is not patriotic

It is noise terrorism"

"This sh\*\* is not patriotic

It is noise terrorism"

very loud disruptive flights overhead

We are experiencing one flyover after another. Well over a dozen flights by now. My db meter batteries have died because it has been on so long.

Heart is racing. Please make it stop!

What the hell. Jets flying low over the hospital. Just so disturbing. SO INCREDIBLY LOUD!!!!!!!!!!,

While attempting to perfect OLF touch-and-go landings, NASWI's destruction far exceeds their unconscious harmful expectations.

Widespread disruption to Downtown Anacortes activities

You have been causing extreme trauma to my way of life. I have been in bed the last few nights unable to go to sleep due to your night activities. It is totally unacceptable. YI just cannot believe you get away with this level of noise at night!!

Big rumble, then the scream of the Growler coming at us. 7/22. S lopez.

WHY LIMIT THE COMMENTS TO AN ARBITRARY NUMBER.....or is it based on fear of the truth?

Again, the difference is there are no sound except the Jets... All day. Just nature and the Navy

4:30pm and more of the same crap. Just publish an accurate flight schedule so I know when it's not safe to go outside!! That's really all I ask. Don't make me afraid to be without my earplugs.

And again at 4:45pm. They've been flying pretty much nonstop over Mt. Vernon all day. It's impossible to take these earplugs out.

Loud jet noise disturbed me. Anacortes ferry dock . Aug 14. 4:45pm

More unbelievably loud jets over Mt. Vernon at 4pm. It's been horrible all day.

Saturday, Aug 2. LOUD ROARING GROWLER suddenly invades our home. Wow, that jet arrived suddenly. South Lopez. 4:57pm

Scumbag Navy flying around being exceptionally loud today. It's painfully loud. Unbearably loud. If any other organization tried to do this, they'd be in jail.

Somewhere up there is a growler making aggravating NOISE! I am doing computer work and do not want to get up to see where it is. It is enough that there is a lot of NOISE and ROARING coming into my home. South Lopez. 4:55pm, Aug 19

Trying to work with my therapy client - can't hear them!

Two jets roaring over Mud Bay, Lopez. Sunday, Aug 10. 4:03pm.

54 dB. Annoying over south Lopez

Cannot have a conversation outdoors or indoors

5:05pm. June 23. S Lopez. Long and loud and deep roar of Growler over us. So loud I could not hear the news show I am watching.

82 dB. I can hear over the mower. South Lopez

Booming Navy jet over South end Lopez. June 10. 5:03.

Engine testings

F\*\*\* the Growler

F\*\*\* The navy

Growler screaming over South Lopez. SCREAMING!!!!!! Stopped conversation. June 17 5:33pm

Growlers circling making constant roaring, earsplitting noise.

It's a full moon tonight . If they fly they will be infringing on my Religious Rights ! Oak Harbor !

Lots of jet noise over Southend Lopez today, June 30. Right now a growler is blasting us 5:15pm.

Loud growler roaring over South Lopez. The sky is full of jet roaring. The noise is loud and long, as if the jets are rolling over us. Very intrusive.

Multiple passes of single Growlers off SE corner of Lopez between 2pm and 5:30pm. Extreme & sustained noise levels. Sound of air ripping & crackling like a rocket launch. Notable disturbance to avian life in the immediate area of Chadwick Hill.

Obnoxious!

Outside a while ago. Incredible loud Growler thundering over South Lopez. June 2.

Screaming jet over south Lopez. At a dinner with friends and noise was louder than conversation. Home invaded by the Navy! June 17.

So all that noise from Whidbey of jet engines is now resulting in jets over South Lopez. Deep thundering roaring. I think I have to close doors and windows to try to reduce the interference of the noise, 6/23 5:19pm.

Two extremely large, extremely loud military aircraft flying right over the top of Port Townsend. Very sad.

Very very low growlers flying flying west over south Lopez

Fly overs

This incredibly loud noise has been a constant stressor to all residents. Choosing to continue flights as late as 1 am is inconsiderate at best and unhealthy at worst for the people they claim to be serving.

We are stuck in the house in nearly 90° temperatures with no air conditioning because the Jets are too loud to be outside. It's 82° in here. This is so wrong!

5:12pm. Another loud loud loud jet growler over south Lopez.

87db

94db

Are you trying to give me a heart attack?

Coming east from Whidbey Island turning over the top of Camano and heading back west.

Deafening Growler over South Lopez. 5:10pm. Unlike commercial planes these Growlers have a long loud entry, a deep threatening roar, and a long loud rumble as they pass out. It is now 5:12 and it is still disturbing the air. Ruined conversation.

ENOUGH

get F\*\*\*ed

Growlers have been rumbling all afternoon, but a few minutes ago a very loud one swooped over. I am sick and trying to nap, no place in my house is quiet today

Jets seem to be further north than established flight paths. Incredibly loud.

Near OLF Coupeville. Noise way too loud. Please stop.

"Non stop engine noise from Ault field growlers shaking our house. No break in the noise at all

Lord only knows what they're doing over there"

Once again intricate flight patterns burning out tax dollars over Lopez. Where would they be going?

One after another VERY loud Growlers during afternoon, still continuing. Lost count, but probably about 3 dozen so far. Never heard this many on one day. Latest was 90db. Couldn't converse with spouse inside house. Literally was 1 jet after another.

Roaring low over south Lopez. At least 5 times today

South Lopez. Again

Southend, Lopez. July 24, 5:44pm ANOTHER roaring Growler over South Lopez.

STOP DESTROYING THIS AREA THAT IS FOREVER DAMANAGED BY YOUR JET NOISE, CARCINOGENIC EXHAUST MICRO PARTICULATES. PRACTICE KILLING SOMEWHERE ELSE.

That was incredible completely off the flight path right over our house right by the hospital absolutely incredibly loud and disturbing

Very loud!!!!

WTF you fly over the hospital a few hundred feet and it sooooo F\*\*\*ing loud. WHY???? Can't you fly over the sea ? It's absolutely screwed up. I can't believe we are wasting our time and money with this. Disgusting

You can't hear each other talk on the patio!! It sounds like we are being invaded

Years ago I built a shelf inside the east wall of the barn. I quickly learned not to put lightweight objects there. The noise from the NAS caused so much vibration, the objects quickly wound up on the floor!

5:50pm. Loud Growler over South Lopez. Hoped for a quiet conversation on our patio. Ridiculous thought. There is NO PEACE on Lopez. Jet noise unpredictably interferes...and often. The Navy is flying over Lopez with frequency.

Low rumble, noticeable inside.

64 dB. Roaring low of south Lopez

ABSOLUTELY UNACCEPTABLE !!'VERY VERY LOUD!!!! Do the pilots know flying over the hospital is not on the flight schedule

Do the pilots know where to fly? They are WAY off the flight ✈️ path. Maybe they are not trained well enough to be flying!

Extra loud Growler over South Lopez. 5:24pm. Totally stopped

conversation. Hurts the ears. Aug 7. When will someone with honest sensibilities stop this?

Flying to right over the hospital. Very very very loud!!!!!!!!!!!!'n

Grower landing practice began at 5:00PM, shattering an otherwise perfect summer evening! There are multiple Growlers looping continuously, so NO relief noise relief, as one plane completes its pass the next is beginning its.

Growler noise roaring over Mud Bay, Lopez. DEAFENING. WHY IS IT NECESSARY TO FLY OVER POPULATED AREAS????? AUGUST 12, 5:13PM

HOLY MOTHER WTF IS GOING ON!!! Multiple Growlers FLYING SO LOW IVER LOPEZ VILLAGE - 4 maybe more! So much NOISE!!!! I have been reporting Growlers and Prowler for decades and this was the LOUDEST FLY OVER I HAVE EVER EXPERIENCED! My ears hurt!

Insanely loud over the hospital

The jets were flying over the hospital and low over neighborhood homes.

They're flying right over the hospital over and over and over. What an awful thing for a patient to be disturbed by such sound.

Another growler flight

Growler flying over south Lopez

Many other Navy Whidbey jet noise incidents during the afternoon. Sorry I was not able to take time to send in separate reports

58 dB. Loud rumbling on south Lopez.

6:34pmS Lopez SCREAMING Growler over Lopez. Conversation stopped.

6:53pm S Lopez. More screaming jet noise. Interrupting dinner conversations with guests. Invasive.

ANOTHER Growler overflying low and slow and extremely LOUD

EXTREMELY \*\*\*\*\* LOUD

Beyond loud

Growler jets at dinner preparation time with their hellish noise. NASWI is under the grand delusion that they are protecting us within the failed pretext of training Growler pilots. They most assuredly can train elsewhere and end this destruction.

Growler screaming over South Lopez. So loud I cannot hear the show I am watching. The Navy should not be flying such LOUD LOUD jets over populated areas. 6/23 6:49pm. This is not a brief noise. It goes on and on and on and on. Still roaring.

Here we go again, another screaming roaring growler over South Lopez. June 17. Disturbed dinner.

June 30. 6:09pm. Loud Growler roaring again over South Lopez.. Disturbs our conversation .

Just want to report another loud Growler roar over the South end of Lopez. Just too loud and disturbing during dinner.

On our patio with friends, enjoying some good weather and snacks and WHAM, a roaring Growler over South end Lopez. Stopped conversation.

SUPER LOUD

The Navy schedules FCLP at dinner hour during a heat wave. Have to close our windows to save our hearing. Noise is painful. This is not 'late afternoon' as reported.

Three growlers traveling eastbound 2000 feet extremely loud

Crazy rumbling ask afternoon long. Should I be reporting the twenty times instead of just the once. Plus fuel tankers

Much of the day in Anacortes near the ferry. Occasional screaming overflights and lots of sinister deep thunder from the south- from Whidbey- creepy war sounds all day.

this has been a very very long day of unpleasant jet noise on Lopez Sound, halfway up the island and still noisy. Now here it is 6:30 and we cant even eat our dinner in peace. This is unnatural, unpleasant and uncivilized.

70 dB. Roaring over south Lopez

Very loud flyover south Lopez

Woke my mother in the hospital!!!!

89db

Again circling over top of Camano and heading back to Whidbey Island. All my island friends are noticing the ramped up flying hours.

All week, late, late, late into the night.

Extremely loud Growler jet fly over. For one who has cancer, I would like to know from NASWI how this outrageous noise contributes to one's healing. My thought is the Navy doesn't really care. Now they have returned.

Extremely loud, the practices this month, for whatever hellish reason, have been lower, louder, longer and in a tighter circle. This is so dangerous for the community living below this misplaced, incredibly disruptive activity!

I am going to do everything I can to make this STOP!!

Repeated low overflights by Growlers occurring. EXCEEDINGLY loud as if intentional. Why are they out of their MOA so often???

The entire day from morning until now, 6:00 PM has been one long continuous barrage of growler jet noise from Naswi! I am sure the noise will continue until 10 or 11 pm tonight. This assault on our lives is repeated every day. F\*\*\*THENAVY

This has become beyond ridiculous!!!!!! These mother F\*\*\*ers are flying constantly!! How is this even legal????

We eat dinner with the Growler jets outrageous hellish noise interrupted it one cannot and should not be dining under these conditions. NASWI has no concern about this as they operate lie of protecting us.

"WTF???"

This is not on flight schedule!"

Every night 4 nights in a row is too much when they fly either to after midnight or sometimes 1. I get up at 5:30 to go to the athletic club for run and take aerobic class for 2 hours and when I get home I have to take a nap to catch up with the sleep

Time may be off by a few minutes.

Time may be off by a few minutes.

About 8 minutes of continuous rumble and disrupting a community gathering where the speaker had to stop talking at one point.

Insanely loud

Maybe they should just land on the hospital and just wipe out all the patients since it seems like they could care less that anyone's there who

might be suffering or healing from surgery or even being a doctor trying to concentrate on a surgery

One and 1/2 hours so far of excruciating noise and percussion of the ground beneath us. Though a heat wave we had to close all windows. A blight on all that is good on Whidbey Island.

Sounds like ten growlers?! What is going on. It's terrifying to sound like we live in a war zone

Noise was loud enough to disrupt a Zoom meeting I was participating in - in my home office with windows closed.

Ear splitting

More jet noise

"Short blast

"And more

This overflight, south Lopez, is very loud"

F\*\*\* The navy

Loud roaring Growler over South Lopez. 7:14pm. Ruins our little time on the patio. Still roaring. And here comes ANOTHER growler screaming over us. Are they chasing each other? Invaded!!!! Have to go inside!!

Noisy roar of Growler over Anacortes ferry dock. Great intro to time in the San Juans. Ugh.

Coupeville, WA, 98239, USA 7:15PM 7/31/25. The Growlers are again today too loud. We have been subjected to this noise day after day and into the late night.

Helicopter landing practice? Over and over. Go away! It's obnoxiously and our working class neighborhood just wants a normal evening after work.

we just had to come inside as we could not hear ourselves. This has been continual and is still happening.

Again!!! Not on the flight schedule???

Direct flyover

F\*\*\*ing navy destroying the climate, peace and quiet, ozone and world peace. The noise will go until 11 or 12 tonight and we will be subjected to

more noise tomorrow and the next few days. #F\*\*\*thenavy

Growlers practicing landing drills

Grrrrrrrr!!!!

It's been nonstop, almost airplanes on aloop one after the other since around 1 pm today.

"More flyovers

Near OLF Coupeville, Grower jets are disturbing the peace and quietude of this pastoral setting. NASWI's destructive orientation and lack of environmental consciousness is profoundly obvious.

Seriously!! When is this going to STOP!!!

So far the jets have flown about 2 and a half hours with no let up. Clearly this has nothing to do about protecting us. If it were they would have long ago flown somewhere other than here.

Too low

This needs to stop

"All day today, 8-9 hours or more, lengthy periods of of vibrating roar where dishes and furniture rumble. it is unpleasant to be outside. This is stressful for we humans. The constant roar must be damaging marine wildlife. its a shame.

Time may be off by a few minutes.

Drowned out the school fund raiser

2 growlers came from south directly overhead with the most extreme noise imaginable! They circled over and over the west end of Lake Whatcom 8 times going west out over Bellingham and back. It produced shear terror over the lake.

Low flight path with loud jet noise with multiple planes and multiple passes. NOT A NORMAL FLIGHT PATH IN OUR NEIGHBORHOOD. It was scary!

Time may be off by a couple of minutes.

"Constant loud noise from Whidbey

Just stopped, can hear the birds again.

Started again, on and off, loud rumbling roars. "

Growlers have just begun circling over mid- Whidbey creating constant intense noise.

Loud blast of noise from Whidbey

Really hoped for a quiet night after the noise last night. More jet noise tonight

72 dB. Yet another roar over south Lopez

8:49 growler screaming over Mud Bay, Lopez. Outside and had to cover my ears. Too loud for safety. Why flying low over Lopez?

"I cannot keep up with it. I can make a comment every 10 minutes. I'm sitting here at the bottom of discovery Bay listening to growlers in coupeville in Oak Harbor.

F\*\*\* the military industrial complex"

"Loud roar again from Whidbey

Truly need ear protection as the sound is very loud

Stopped. Relief. "

More loud roars from Whidbey

NASWI Growler jets are at it again with their outrageous Growler jet noise. Last night, after I went to bed, they flew from 10 to 10:30, which woke me up, and for the rest of the night, it was impossible to sleep well. This is called protecting us!

F\*\*\*you

"South Lopez

Many times with jet noise this evening "

AM INSIDE MY HOME IN THE FOREST & HEARING THE GROWLER'S NOISE AS THE PLANES PRACTISE AT OLF COUPEVILLE. REALLY ANNOYING.. KIND REGARDS, CLANCY DUNIGAN

Blasted freaking jets.

I have commented several times tonite, but it is still going on!!!

It's like they are buzzing their homes or friends as we have Navy pilots in our neighborhood. The fly low and turn right at this housing development where several pilots live.

"There is a no fly!!!!!!

Brinnen is on fire!!! You idiots!! No one needs more stress!! Cancel practice!!!!"

8:15 PM and the Growlers have just begun the noisy landing practice. Terrible way to begin the evening! We can expect Growler overflying well into the night. Last night Growlers flew until nearly midnight.

8:25pm. S Lopez. Loud jet blasting through the skies. It has been a tough day with lots of jet noise intrusion. Cannot believe that Rep Larson thinks this is OK. He talks about the environment, in his emails, but it seems that is hot air.

Extremely loud US Navy growler rumbling over our neighborhoods, making life miserable

Keeps going even at this time

Once again NASWI Growler jets near OLF Couville destroy this pastoral environment with horrendous noise and carcinogenic micro exhaust particulates. All in the name of training and protecting us which is bullsh\*\*.

This is not on flight schedule???

This is ridiculous, its been all day but now there is a screaming jet sound. We are inside! Who are these teenagers running jets up and down pretending to be at war with us down here. Please do something, lets not just be whining. This is awful.

Too f..king loud. NASWI in there illusion to train here and "protect us" has repeatedly destroyed the very thing they profess to preserve. Isn't it about time to wake up NASWI and use a place that is significantly better to do your flights?

"WTF!!

No notice ! Contacting my congressmen!"

It is getting louder and worse

rocking the furniture again, cannot go outside. And its loud enough to make our furnlture vibrate inside

Starting shortly before 9 pm. Low, loud rumble with vibration in the floor of my home. H

"How do people put up with this. They should be in arms." response "the Navy doesn't care, they do whatever they want"

An otherwise peaceful Tuesday evening Anacortes near the ferry- trying to meditate and do some breathwork for heath. Disrupted by the sounds of warfare. Navy Warcraft practicing their trade, wrecking peace and harming health in western WA.

Growlers making roaring engine noise. Overflying and circling.

Hearing both landings and overhead flights

Military helicopter low over a dense family neighborhood. Not okay!

Need to close window to enjoy my evening

Unable to hear conversation of the person sitting next to me. Unable to fall asleep. This is so bad. Its relentless and incompatible with life.

#F\*\*\*thenavy

#F\*\*\*thenavy

8:21pm August 19. We have had growlers flying over South Lopez all day....most days. LOUD LOUD LOUD. Disrupts conversations, interferes with other household and yard activities. Right now: TOO LOUD!!!!

8:30pm. Another evening walk with deafening growler jets. Roaring and ripping up the sky. South Lopez

8:31pm. South Lopez. LOUD GROWLER ROARING. Aug 5.

8:47pm. ANOTHER LOUD ROARING GROWLER OVER SOUTH LOPEZ. Is this going to be the deal for the whole evening? Time to sleep! Aug 5.

An evening walk, all quiet and THEN THE GROWLER COMES ROARING .

8:10pm Aug 12. Very loud.

Are you F\*\*\*ing kidding me!!! It's 8:30 on a Monday!!!! WHAT THE F\*\*\*!

Around 8:25pm. Out walking and suddenly assaulted by LOUD GROWLER suddenly over South Lopez. Seemed to be moving from East to West. I was in the trees and could not see much. But so loud as to hurt my head. August 11.

Bedtime for our children. Too loud to fall asleep.

Could not hear conversation inside our home.

EXTREMELY LOUD. AND FLYING OVER THE HOSPITAL. WHY??

F\*\*\* you fascists

Growler roaring over South Lopez. 8:17pm.

"It has been hot as F\*\*\*!

Finally able to open windows!! And now this!!!!"

It's getting worse every minute- louder and louder. My kids can't fall asleep.

Not only touch and go noise from Whidbey tonight. Twice Jets flew right over my house in PT. What's going on? No restrictions on these guys anymore?

Ridiculously loud, as well as vibration of walls and windows. More like a rocket than jet engine. Unacceptable for an urban area to have to be subjected to this. Time to move to the desert away from urbanized areas.

Right over the hospital for over an hour now. How are patients supposed to rest?

They're flying right over the hospital again 😞

Way too loud. No living thing is being protected here. NASWI needs to raise their consciousness that their emphasis is about the destruction of this environment and conduct war against those living here. PRACTICE ELSEWHERE!

Just came in from a walk after a hard day of work. Wanted to hear the wind in the trees. Instead I heard the blasts & boom of jets flying out of NASWI. I felt for the people who lived closer, who must be hearing deafening roars. South Lopez, 8:30pm

Just came in from a walk after a hard day of work. Wanted to hear the wind in the trees. Instead I heard the blasts & boom of jets flying out of NASWI. I felt for the people who lived closer, who must be hearing deafening roars. South Lopez, 8:30pm

Are you kidding me? It's 12:28 in the morning on what's now a Tuesday. Great time to practice the bombing run guys, really winning hearts and minds

Extremely loud jet noise.

Extremely loud noises tonight. Sounds like a young punk kid revving his jet engines. It's midnight! It sounds deliberate and malicious. These young wet

behind the ears pilots need to go somewhere else to train. I feel unsafe in my own house.

HORRIBLE NOISE CONTINUOUSLY UNTIL 12:30 am TIL EARLY MORN. HOW CAN PEOPLE WORK WHEN THEY DONT GET ANY SLEEP. PLUS ITS SO HOT THIS WEEK AND PEOPLE WANT TO OPEN THEIR WINDOWS BUT CANT! MON THRU THURS THE JETS ARE FLYING UNTIL EARLY MORNING. TORTURE!!!

56 dB. We had to stop the movie. Annoying.

Growlers appears every day usually about 10 AM or noon. The flight durations were short. The noise caused stress.. But I'm happy the duration of flights was relatively short. Growlers are outmoded. A drone can take one out.

Non stop war on nature.

Sleep disrupted !! PTSD 😞

58 dB. Third pass over our house in 10 minutes on South Lopez

9:04pm. June 2. Roaring over us again. Growler again. S. Lopez.

9:09pm. S Lopez. Not sure what this Growler (or more than one?) is doing but we have some roaring thunder in the air that sounds like a mega blower. It just keeps going and going.

9:24pm. Growler roaring over South Lopez. Why are growlers flying over Lopez? Why do Growlers fly over residential areas at night, when it is time to be falling asleep? We are we collateral damage?

Another extremely loud low direct overflights

Direct overhead flight VERY low

Horrible sound tonight!

I'd rather die than listen to this sh\*\* constantly!!

Recedivist behavior assumes that they are protecting us, unaware of their environmental toxins, including Growler jet noise and its carcinogenic microparticles, etc.

Several loud Navy Whidbey jet noise incidents this evening.

South Lopez. Noisy Growler roaring in the skies. 9pm. June 9. Ruins a nice walk listening to the evening bird song.

Two growlers flying low over s Lopez

What you do has no Beauty!! It's so F\*\*\*ING SAD!!! You destroy peace and calm!!!

Growler engines at Ault

Repeated flights tearing through the sky starting after kids have gone to bed for school and now cannot sleep.

3rd night in a row, unable to sleep

About this level of noise now for the last 45 minutes

After 10 pm and there is this intensely creepy roaring that ebbs and flows in the heavens- horrible disquieting sounds like end of the world. This is Anacortes on a Wednesday evening, near the ferry terminal. Disturbing trying to sleep.

Day in, day out, night in, night out relentless noise disrupting sleep, thoughts, work. How can anybody live like this?

Disrupted me going to sleep. They go later and later

Fly over Lopez at 8, rumbling, drowning out everything it's 9 15 and they won't stop

F\*\*\*you ruining our picnic

Growlers circling conducting landing drills and disturbing an otherwise beautiful night.

Growlers have been disturbing our neighborhood all day long with continuous low overflights... and they continue at this hour. Multiple Growlers looping doing landing drills.

Growlers landing practice constant.

Growlers still going at it

Growlers still going at it at Ault

Jet noise in Port Ludlow interfering with sleep. Have to work tomorrow.

Running the growlers at one in the morning is inexcusable. If this is required for training then it needs to be moved away from urban areas. Have some respect for the taxpayers.

what is a plane doing so close to residences at 1:45 in the morning? It woke me up.

Can't remember the exact time but it was in the middle of the night. Could not believe how loud it was and how long I could hear the noise. Insane.

Two jets Equal 4 engines. And twice as loud

Loud enough

Loud enough to shake the walls of our home, all evening.

Multiple flight passes this evening have cut the route short and are flying close inland and overhead, making it impossible for my family to fall asleep.

Past two nights of unrelenting Growler noise from 9pm to 1am. Couldn't sleep, dog stressed and hiding under the bed. Reminds me of living in Virginia Beach during the Vietnam War. Sucks

Quiet all evening until 9:15 PM when several Growlers suddenly began circling conducting landing practice. Very disturbing!!

Sleep?

Starting the beginning of June 2025 the jets flight paths are venturing further south. Traditionally they don't come more south than Marrowstone point. Tonight July 14 1 growler flew directly over our home. This woke me from a sound sleep. NO Thanks!

The jets are visible and LOUD from South Whidbey. At 9:30 pm. It's too loud! This is very late and is disrupting people and wildlife

this has gone on for several nights and continued well past 10 PM. The growlers are flying low and very loud.

This is extra hard during a heat wave. We cannot open the windows. This is oppressive.

Too late at night for practice!

Trying to go to sleep. These jets are way too loud and they are not even flying over my house right now!

Unable to sleep due to continuous noise. This is adversely affecting the health of people in our neighborhood: raising blood pressure and heart rate. QUIET!

Unable to sleep for past several nights (weeks, months, years) due to constant LOUD jet noises am & pm. The negative health impacts are mounting. I moved here for health reasons. Unfortunately my move

coincided with the Navy's increased flights.

Unable to sleep or concentrate due to constant jet noise.

Woke up a baby.

WTF!! Like some cynical performance, the Growlers have begun circling conducting landing drills. This is the fourth night in a row the Growlers have decided to destroy the quiet. Just as civilized humans are preparing for sleep. Again, not to night!

Ignore the time. Pretty constant for a couple of weeks it seems. Very late at night. Been living in this spot for almost 40 years and this is my first complaint. It's not usual and it's pretty bad. disrupting sleep. Can see them quite close overhead.

4 Jets went directly over my house in about a 20 minute timeframe. I didn't think they were supposed to go this far south. It's been happening a lot more frequently over the last few weeks.

40 minutes of continuous flyovers and still going

9:19pm South Lopez. LOUD LOUD LOUD GROWLER roaring over us.

9:27pm July 21. S. LOPEZ another BOOMING GROWLER BLAST invading our home.

9:29pm July 21. ANOTHER THUNDEROUS GROWLER BLAST FROM WHIDBEY. VIBRATING OUR HOME. THERE IS NO SLEEP TONIGHT APPARENTLY. I KNOW THIS IS WHAT COUPEVILLE EXPERIENCES. LOPEZ GETS IT TOO.

9:33 pm and the navy is destroying the peace. 35 years of listening to this F\*\*\*ing racket . F\*\*\* The F\*\*\*ing navy

9:48PM July 21. VIBRATING ROAR FROM GROWLER ENGINES. THE UNTRUSTWORTHY NAVY INVADES OUR HOME.

9:52pm. July 21. ANOTHER ROARING AND VIBRATING BLAST FROM GROWLERS ON WHIDBEY. South Lopez.

9:59pm. July 21. South Lopez. All windows and doors closed in an attempt to minimize GROWLER ROARING FROM WHIDBEY. Useless, the vibrations still invade us. The deep roar still comes in.

Almost ready to go to bed and there is a loud Growler roaring over South Lopez. Not a good sign...

ANOTHER BOOMING GROWLER BLAST from Whidbey. 9:25pm. South Lopez.

Are you kidding me!!! It's right when people are settling down to sleep!!!! AS\*\*\*\*\*S!!!!

BOOOOOOM. That is what I heard at 9:24pm as I was hoping to fall asleep after a tiring day. Growler jet roar vibrating over to us from Whidbey. South Lopez. I am awake now, and submitting this noise report.

Can not even talk

Can't sleep!!!!

currently wearing noise cancelling headphones for gun ranges, inside my house, with double paned windows closed. Still extremely loud, so loud that I can't focus or sleep. NAS Whidbey: Get your sh\*\* done earlier and don't torture civilians at night

Extremely loud and anxiety producing, unable to sleep even with ear plugs and sound machine. This is awful!

"EXTREMELY! LOUD!!!

This is awful!!!!

I couldn't even prepare my animal!!! Not on flight schedule!! You mother Fs!!!!"

Flying extremely low over the hospital and high school. Clearly these pilots don't know how to fly properly

Flying low with wide turns directly over Terry and S Ebey Rd. This is well outside of their flight path

"Good god!!!

This is non stop!!!"

Growler activity over coupeville growler activity between discovery Bay and the Olympics completely surrounded by Jet Noise. Sickening.

Growler roaring. South Lopez. 9:14pm. Aggravating since it means we cannot sleep with windows open on this lovely night.... If we can get to sleep.

Growlers overflying low and loud. Nearly 2200 hours. Silence.

Hideously loud. Extreme damage to wild animals.

HOW IN THE F\*\*\* IS THIS LEGAL???? I grew up here! This is the worst I have ever heard!

I am autistic and have sensory issues. These jet noises are causing extreme stress and shaking the house.

I cannot take it anymore! The sleep deprivation is awful!! STOP!!!

It is shaking the windows.

It's been devastatingly loud here at night for the past 2 weeks. It's impossible to sleep with all of the rattling and shaking, in addition to the extremely loud noise. More than 1 week in a row is unacceptable. Utilize other options.

Jeezus!!!! Really!! WTF!

Jet noise again tonight. It seems like it's every night anymore. And again, we have to close the windows when fresh cool air would really be better for sleeping. This continues to be an intolerable situation.

Loud, waking baby, I hate it

Much too loud to sleep

My patients can not sleep in the hospital.

Near OFL Coupeville, deafening cycles of Growler jet noise demonstrates the brutality of not being able to think that living beings live on the ground and in the Sea. Intellectual deficiency and empathetic impairment abound. Hey, Stupid, please stop!

NEAR OLF COUPEVILLE, IT IS OUTRAGEOUSLY TOO LOUD. STOP PRACTICING INDUCING PTSD ON ALL OF US.

No! No! You're not starting again are you? How can you do this to us?

Of course!! It's bedtime!!

Off the flight path again! So loud.

OK, that guy who just flew by my house is so freaking loud!! You woke up the dog and gave me a heart attack!! Can't he cool it? Does he have to be that loud? The other pilots aren't that loud, not that I'm excusing them either.

Once again, it's almost ten at night and these d--- jets are still flying! This has been many days in a row now for putting up with this and it's infuriating. We can't open the windows to have fresh air and last night I

had to get my earplugs.

Relentless and terrifying. Why are the woodland animals and the residents here being tortured like this?

"Still flying at this time.

Very inconsiderate "

STOP!!!! It's making me ill!

The As\*\*\*\*\*s are at it again!#F\*\*\*thenavy

The noise from the growlers carries across the water. Flying these aircraft for hours on end creates a continuously very loud noise destroying the serenity of our town. How this has been ignored in the EIS proves the lack of understanding and caring.

"There isn't an updated schedule

Please keep the schedule updated so we can be prepared "

This has gone on for a week or more, every single night! The Navy needs to give the people and other species of this community a rest from this endless barrage of noise.

This is awful!!!!!! It sounds like we are at war!!!!

"This is BULLSH\*\*!!

Loud as F!"

This is BULLSH\*\*!!!!!!

This is not on the schedule!!!!!!

"This is outrages!!!! Jeezus!!! It is so loud!!!

THIS IS SO F\*\*\*ING LOUD!!

VERY LOUD

Very loud. Flying over hospital at this time of night is very disturbing

Very loud. Very stressful.

We can't sleep.

Why do you assault us with so much noise

Woke my children

WTF!! Not on flight schedule???

You must be joking, this is torture

Again for many hours today

AGAIN TONIGHT!!! started at 9 pm and no idea how late it will go this time. Is this my new normal life. How are we to sleep??? Makes me want to scream.

All day and they are still at it

Another night of aircraft noise. How many nights must this go on?

Free Palestine, As\*\*\*\*\*s!

Here they go again tonight. Louder than last night. Where is our peace and quiet? No evidence of that this summer.

Loud and starting close to 10pm. Hard to sleep

Severe flights starting at 9pm. Summer night and had to close the windows.

We could actually hear the jets starting their engines before they even took flight and we are on the south end of Camano.

Another couple of fly overs, try sleeping with this noise

Another night of this. Getting ready to go to bed and will have use ear plugs because of th noise.

Does anyone get the point? The navy base is obsolete and runs around spending tax payer dollars. They know the Jets don't belong here, but no one in their administration is willing to admit the truth.

It's been going on for hiurs

Ongoing, constant wooshing roar rumble

"They're at it again. The went until midnight last night.

Difficult to sleep "

Very noisy, vibrating the floor

When will testing end. Seems careless to the people in this area trying to enjoy their vacation and nature. It is too many hours and extremely disruptive and annoying

With two fans running for white noise, the rumbling and vibrations are

STILL ridiculous.

It is such a hot summer night we have to have the windows open but the jet flights are so loud we can't sleep. Trying to get the kids in routine for school and they can't sleep because of jet noise.

"100' over house, 95+ d B

GD U S N war on US citizens

Your time will come."

71.2 dB. Wonder what the USNC officers, and pilots, think when their children and elders suffer this destruction of their future hearing.

Extremely loud and low flights in the last 15 minutes. We have had nearly 4 weeks of quiet, in Port Townsend at least, and it has been so calming. But now I see we're back to it. I have also complained directly to the Navy.

Peaked at 92db. Stayed at over 85db for like half a minute.

People have to work tomorrow :(

Sleep time!!!!

STOP FLYING NEAR OLF COUPEVILLE!

Terribly loud

They are so low. I hope people are safe.

Too loud to hear any conversation.

Trying to sleep for work in the morning and the planes are keeping me awake

Two flyovers in the last ten minutes, very low and very loud with the jets seeming to accelerate. It's going on 10:00pm, what the hell NAS Whidbey.

Very load growlers right over my house. Entire pack of coyotes started yipping. It was 10 at night. Really???

Way to LOUD!!!!!!' And over the hospital

This loud sound has been on and off all day today (Aug 27) since at least 11am and it's now 10pm. There is nothing noted on the schedule on the Navy's website. It's very loud and disruptive.

Constant rumble

On and on and on and on... Neighbors don't do this to neighbors

What is the point of this constant noise? I don't see any wargames scheduled for tonight. Is this just another amusement for Dear Leader and the navy to swing some dicks around?

10:15 PM and the Growlers are STILL conducting landing practice. The Navy seems unconcerned for our wellbeing.

46 dB. It's 10 pm. Trying to go to sleep

Activity disrupted: Sleep !!!!!

Even with ear plugs and windows closed the Whidbey jet noises won't allow me to sleep

10:08pm South Lopez. What is a Growler doing roaring over Lopez at this time? Has the Navy no sense? Woke me up and I am so mad I am reporting it. June 16.

55 dB it's almost 11 PM. Trying to go to sleep on south Lopez

"Brilliant.....105 dB ...50' over residential homes of the elderly and children.

Next time try the East and West strategy .....sure fooled Iran."

Continued loud jet noise

Extremely loud growler noises from coupeville I'm 12 miles from that location

Growlers Round 2. 87dB. hoe many children still awake.....doesn't matter to USN Comm@nd

Guess what time it is? Growler time! 10:47 pm when my grandkids are in bed trying to sleep. They can't open their windows because the noise is overwhelming. F\*\*\* younavy pilots, I hope your families are struggling to sleep somewhere! F\*\*\* The navy

It's very late to have Growlers overflying our neighborhood. Ridiculous!

My wife just gave birth and cannot sleep. It's too loud!

Really loud the last half of an hour

Shouldn't you be in LA supporting fascism and attacking some civilians?

Thanks for terrifying our visitors

Thanks for terrifying our visitors at 1042pm!

Trying to unwind in the quiet evening I have built my life around when we were buzzed by a low flying slow cruising extremely loud and invasive military aircraft . We need these moments of quiet to restore our faith in humanity .

Unusual flight path of EA-18 Growler. Low and extremely loud. Vibrates body. Heading east over Camano towards Whidbey NAS.

Way closer and louder than normal, scared everyone in the house. After 10pm!

WTF. We are being shaken from our bed by Growlers overflying our home at 10:30 PM. Multiple Growlers maximizing jet exhaust noise. They just keep buzzing our neighborhood at very low altitude. This is INTENTIONAL harassment. No other explanation!!

Still having noise from Whidbey

S Lopez. Just trying to sleep and BOOM comes a thunderous Growler roar, vibrating its way into our home from NASWI. So mad I got up to report it. 10:04 pm June 11.

Sounds like multiple aircraft are flying and doing laps above my house. I just want to sleep

And another night with Growlers looping and circling making a constant miserable roaring, making sleep difficult to impossible.

At 9:45 PM the Growlers began circling conducting landing drills. There seem to be multiple Growlers generating the constant roar typical of landing practice. We had Growler noise and overflying until after midnight last night. Hoping not tonight!

Camping outside after performing day of volunteer labor. Would really like to sleep but jets are keeping us awake - two nights now. Really not making us want to visit this location anymore.

Disrupted sleep until after midnight

Disrupted sleep until after midnight

Growlers flying all evening and still going at it

It's hard to sleep with the windows closed when we are having a heat wave but the jets are too loud and fly so late at night! I feel extra sorry for working families with children.

Rude awakening

Second night in a row of sleep disruption.

Second night of disrupted sleep time. Seems to be getting louder the later it gets.

"Some of the flying practice tonight is passing too close overhead our house. My family can not hear the TV and my dog is shaking with fear. Now it is 10:30 and we can't sleep.

Please adjust routes to fly further from homes so we can live our lives."

The planes have been too loud for the last hour, and they are keeping me awake. One of them flew way too close to my house. It made the whole thing vibrate.

Too loud to sleep.

Woke me up.

10:00pm. July 21. South Lopez. The roaring & vibrating thunder still comes from Whidbey. Lots of jet noise in the air, despite windows being closed. The Growler noise is the loudest, yet Growlers are placed in populated areas. Senseless and mean.

10:20pm July 21. S Lopez. The deep and threatening rumbling of Growler jet engines continues. Reminiscent of earthquakes I have experienced. There is no sleep.

10:40pm South Lopez. Huge loud roaring from Growler over us. Sound like it is going to land on our roof. At this hour, is this what the Navy thinks is okay??

11 at night and people trying to sleep. Jets scrambling all over the sky shaking houses and terrifying children

11 PM and the Growlers are STILL flying! All day long lots of Growlerjet noise. How inconsiderate are these people?

1-1/2 hours non-stop. 100+ decibels every minute or so.

2 EA-18G jets flying night missions. Woke me up. So unnerving.

78dB 10:26:p.m. Why the Puget Sound, where thousands of people, elderly, children are trying to get some sleep. NO EXCUSE FOR THESE EXERCISES HERE SO LATE AT NIGHT! There must be thousands of acres within 100 miles of the base .....why s

Again late night. Excruciatingly loud. Woke us up.

Cape Saint Mary area, southeast end of Lopez Island, Washington ....late at night trying to sleep. Extremely loud.

Check the time. Any normal business in town would be fined but no not the Navy.

Crazy low flight over house. Woke family.

"Direct flyovers. Several extremely low and low

Super loud and they are zigzagging over our house"

Even by the standards of Growler noise over Whidbey, it's difficult to describe just how loud the jets are over the Admiral's Cove community tonight. Every single weeknight until well past midnight lately, an entire month of summer nights ruined.

For God's sake, give us a break! I was sound asleep and that jet sounded like it was coming right through my window!

F\*\*\*ing growlers flying until 11 pm ! Disturbing children as they try to sleep. The F\*\*\*ing navy is not a good neighbor and they don't care about the people, animals or environment that they are supposed to be protecting!

Get bent, you incompetent scum! It's 10:30pm and you bas\*\*\*\*s are out brutalizing the whole county.

Go torture someone else, preferably the naval bases.

Growlers are exceptionally noisy tonight. They have been flying many hours here. Coupeville, Wa 98239. They flew yesterday and were quite loud and days before. This is more than annoying. We can't hear inside our house.

Growlers flying all day. Polluting the air, water and land with dumped jet fuel, fire suppression chemicals, and god only knows what else we will find out about later.

Growlers just made a very low overflight apparently to show they're not concerned about noise complaints ... and they just made a second overflight of our home. They seem to be queuing up to make additional passes. Ridiculous!!

Growlers still at it

Horrible noise over and over passing nearby. Intolerable!!!

I have just written congressmen... this is just awful! My cat just bit me ! He hates this F\*\*\*ing terrorist noise!

I so very much the Navy would GTFO. They don't even follow their own rules. They're cowards who invented the myth of their own heroism. It's 10:15pm on a Tuesday and they're still out there making me wish for mechanical malfunctions.

I thought they couldn't fly over the hospital. Patients are being awoken

I was re-awakened two or three times (repressed memory) from falling asleep by the loudest jet noise I've experienced yet. It sounded as if the roof of my house was in danger of blowing off! I thought the jets must have been only tens of feet above.

It's the middle of summer and it was a very warm day. Can't have windows open to cool down house when the jets fly because of how loud they are. Our house was over 80 degrees at 10pm. Felt like we were suffocating trying to sleep.

It's 10:45PM and Growlers have just now begun circling for landing practice. This cannot be justified! Presumably this will again continue until the early morning hours. Outrageous and inconsiderate.

Jet does not seem to be in any pre-established approved flight path. Further north and disruptive.

Late night training is intrusive and debilitating as it interrupts our sleep.

Loud passovers now

More than an hour and still going. This is bordering on psychological torture.

Multiple low fly overs earth shattering at bedtime

Noise so loud it woke up the whole family. 10:18pm

Now it is disrupting and very loud

Please pass on to the powers that be that this level of activity causes an incredible amount of anxiety and stress. It's just constant and debilitating. Stop

So disruptive. Can't sleep. Please stop flying over civilians.

Super loud and low.

Super loud. Late night 10:38pm again.

The As\*\*\*\*\*s are still flying at 1030 pm. # F\*\*\*thenavy

The planes are louder than my white noise machine. How am I going to get any sleep tonight?

This is awful!! Can't sleep. Just stop it, will ya!!

"This is more than extremely loud!! WTF!

Also Jet noise about half hour earlier

"Another day of jet noise

I feel sick from the stress of it!

I just contacted our senator! STOP!

I'm terrified my house or someone else's house will be hit!

"This just woke me up again!!!

This is ridiculous!! My god! STOP "

This noise event has been going on all day. Morning to night, same thing yesterday, growlers destroying the fabric of our lives. Complete inundation of our senses. F\*\*\* The navy

Trying to go to sleep and the growlers are roaring roaring roaring

WAY TOO LOUD!!!! Why so late complete sh\*\*

We are literally being ATTACKED by Growlers. They are overflying west Camano Island low slow and loud. Harassing practice. WTF NAVY ??

"What in the actual F! This should be illegal!!

"what is the approximate number of US citizens ages 60+ and 12- affected by the 90+ dB of the Growlers flying over the Islands of Puget Sound

Still flying 10:57 p.m."

"WTF!??

Just woken up again by the growlers!

I have to f-ing work tomorrow !

I'm so over this sh\*\*!!!! STOP!"

Wtf, why, please save the environment money and your people and stop

these absurd flights

I thought I moved south enough for this... trying to go to sleep on a work night, and the constant rumble is infuriating.

It's 10:21 pm. My grandson asked me to report the jets because they are so loud.

Morning, July 14. Near Lopez Village. I can hear the big growler rumbling from NASWI. Jet taking off? Very deep rumble. How is it that I can hear it from so far away? Growlers are TOO LOUD for this region.

These flights are repeated and loud. They are now flying out of their pattern and over Camano on touchdown flights. Family members asking me to report. None of us can sleep with the flights going.

Too few words allowed. What is USN Command afraid of?

10:12pm. July 21. ANOTHER RUMBLING VIBRATING ROAR FROM WHIDBEY. This is continuous. What business does the Navy have that requires late night disturbance? S. Lopez.

10:26pm. S Lopez, July 21. This is a VERY LONG RUMBLING VIBRATING ROAR. JUST GOING ON AND ON. WINDOWS CLOSED BUT THAT DOES NOT DO ANY GOOD AGAINST THIS KIND OF PERCUSSIVE ONSLAUGHT.

10:32pm July 21. S Lopez. AGAIN. More rumbling, vibrating thunder from Whidbey.

10:55pm/ July 21. S. Lopez. The house is shuddering again from the Growler Vibrating waves. The Navy is an abuser.

Another night trying to drown out the constant thundering & rumbling vibrations with fans and music.

Crazy wild most nights. Tonight is mild. at 10:15. Is my tinnitus a result of hearing this racket year after year? Is the sky blue?

Growlers still at it

Port Ludlow daily peace gives way to nighttime stress, the new normal

Shame on you, Navy

Stressful

The past two days there was nothing all day until they started at 9pm, right when people are going to bed so they can get up for work. Unbelievable.

Deep rumbling and vibration throughout house has been happening on and off for at least the past few days, day and night. What prompted me to submit this report is the current level of noise/shaking is causing neighbors dogs to bark. Unending.

Deafening loud flight overhead, why do you hate your own people so much. Please stop the acoustic assault.

Jets flying all day and up to 10pm that's a bit much!!

WHY?!? it's 10PM and Growlers are passing over residential neighborhoods, very loud very low.

11:14 at night on a school and work night, over a residential area, in the summer when people need to have their windows open, when you have other options for locations that do not disrupt the public and a nature preserve . . shame on you. Do better.

"11:16 p.m. NO SLEEP FOR THE CHILDREN IN PUGET SOUND.

THANKS USN NAVAL COMMAND. Brilliant way to fulfill your FALSE oath to protect....."

Camping at Deception Pass. Jets flew over campground all day until after 11pm. Hard for families camping in tents to escape. Neighboring site said they knew about the possibility of jet noise but couldn't comprehend just how loud they really were.

"Growlers

88.2 dB ...11:30 PM ....wow. The false promise to protect and defend the children of Puget Sound.....bet the children of USN Command are sound asleep about now."

Jesus Christ!!! The whole damn day!!! Give it a rest!!!

Well past municipal quiet hours. Not that laws seem to mean much to the government any more.

"11:30p..

Thank you Navy Whidbey for allowing us to have quiet. Relief is felt after many days of frequent, very loud jet noise occurrences. I'm more productive, sleep better, and much less tense. Being able to hear the natural sounds is wonderful.

Another night requiring the TV turned up high to hear shows or shouting

required to have a conversation. Another night unable to sleep until midnight! Many planes. Constant noise.

Constant low flying jets every 10- to 15-seconds means that my family and I cannot sleep.

Every time I managed to fall asleep, the planes start rumbling again and wake me up! The sound fills the whole sky.

Growlers. Still. Flying

I can't get to sleep

I have no idea why you have to run those airplanes day and night and now after 11 keeping me up. Why are they so close to residential areas? My whole house shakes.

it's almost midnight and your planes are making it impossible for me to get to sleep. There's 24 hours in a day you don't have to fly at bedtime over a residential area.

It's midnight!! Give us a break!!

Midnight Slumber disrupter!

Nonstop extra low flying rounds for the last several hours with ZERO break. It's a work night but I cannot go to bed until I can take the dog out. We can't open our windows. This is not the right place for these training flights.

People do have to work tomorrow. This is quite disruptive. Shame on you.

Several nights in a row, Growlers starting flight ops after 9pm and continuing until near midnight. Even with our windows closed, which sucks to have to do during the summertime, the noise from their activity kept me from being able to sleep.

Sleep disrupted

We are simply trying to sleep

1 at night. Are we at war again?

11:04pm. July 21. ANOTHER DEEP RUMBLING VIBRATING ROAR FROM GROWLERS AT WHIDBEY. NO SLEEP. IT IS A VIBRATING ROAR THAT I FEEL IN THE FLOOR, I FEEL IN MY BODY. THIS IS NOT GOOD. I AM VERY ANGRY.

11:12PM. JULY 21. S Lopez. Another vibrating rumbling roar. Cannot believe engine run-ups are scheduled at night, & the accompanying jet

noise in the air indicates jets are flying. Why? What is the benefit of jet practice when folks need to sleep?

11:29..p.m. What kind of USN Command would harm children this way

11:46pm July 21. ANOTHER BOOMING ROAR. ALMOST MIDNIGHT. HOW IS IT THAT THE NAVY IS ALLOWED TO TRESPASS WITH SUCH NOISE IN A POPULATED AREA? WHY IS THE NAVY IMMUNE FROM SIMPLE THOUGHTFULNESS?

11:55pm July 21. The NOISE continues. Just another BLAST of growler engine impacting us. It just slams into our home and shakes us. Like having a dump truck rolling along the living room.

Coupeville, WA, 98239, US 7/24/25 11:10PM. The Growlers are so loud it is earshattering! They have been flying every evening and past midnight. This loud noise is unsafe for mental health and hearing.

2 hours and counting. 100+ decibels every minute or so. I don't understand how they can do this to people.

All day with the jets. Mid-afternoon to almost midnight, absolutely crazy that this is allowed during the height of tourist season on Whidbey.

And another!!! This time coming from the east flying west over Camano.

As soon as I got home tonight at 9:30 I heard the Jets and they have been nonstop since then. It destroys all sense of peace and serenity and instills anxiety to live with this. They don't belong here.

"Awaken again by the loud roaring jet. It comes from the west circles our house and heads back east. We have never experienced this late at night thunderous intrusion.

11:30 pm. "

Come on guys! It's almost 1130! Give it a rest

Continued very loud and disruptive

Extremely loud. This plane is flying way too close to the residences way too late in the evening.. it's 11:15 and nobody could sleep through this. Night after night I'm tired of it.

Flight schedule says this is going on pretty much 24 hours ???? WTF!!!!

Flying off course, right over our house, no breaks, constant circling, can't even take the dog out, work night, so awful.

For God's sake! Knock it off! Just when I think you are finished, another round comes. This is just too much. All day and all night.

Give it a rest!! It's late!! People have to get up in the morning and one jet is so flipping loud, it would wake the dead!!

Give us a f\$&@ing break! People have to get up in the morning

Growler noise continues

I can't sleep with that racket. I need to get to sleep. I can't with all that noise.

Impossible to sleep Ear splitting continuously

Just trying to sleep

Never stops

OMG!!!! STOP!

Over and over EA18G growlers circling over the top of Camano island. It's 11pm. Can't sleep.

Please stop this now. It's giving me a headache and it is destroying the sleep of wild animals in the area.

sett up the tent in my yard, planning a relaxing evening with my beau, who's big heart is struggling with life issues. I had everything perfect. Except for the growler factor, A simple pleasures.. Let us have a moment of peace and quiet . Please

STOP!!

STOP!! I have to work in the morning!! It's so loud I cannot sleep!

STOP!! My blood pressure is ski high!

The jets have been flying so very low and loud! It's summer time, we want to be able to leave our windows open and be outside. My cousin and her 3 year old are here visiting from Atlanta and they cannot sleep!

This is awful!!!!!!!!!!!!

This is TWO WEEKS of complaints-- Jets EVERY NIGHT above my home until after midnight. EVERY NIGHT. Way to torture your civilian population! Being in the heat of summer, and having to choose between sweltering with windows closed, or hearing damage.

Update the schedule so we know when to expect flying!!!!!!

WTF! So loud!!! My pet is not happy:(

Every night? This needs to stop it's obscene

It's warm and we have to have windows open. Flights are so loud and several flew off path. It's nearing midnight. No one can sleep.

Nearly midnight and can't sleep from jet noise. Port Ludlow. I can't even imagine what the people on Whidbey are dealing with.

11:30 pm disrupting sleep. It shouldn't be this loud in Port Ludlow, they have to be flying outside of designated areas. Turn on your ADS-B you bas\*\*\*\*s.

11:43pm. July 21. S Lopez. ANOTHER ROARING VIBRATING THUNDER BOOM FROM WHIDBEY.

Difficulty falling asleep even with all windows in house closed. Was warm day so uncomfortable not letting air in.

"Growler noise flying and from Ault

11:30 PM. Why?!"

How ironic that this disruption and horrible noise resulting in lowered quality of life comes from a military group that is supposed to protect us. But WHO can protect us from THEM?

The constant rumbling and vibrations are nerve-wracking. WHY is our military torturing us? WHY won't they move this operation to Southern CA? This is insane.

The summer of sleep disruption

This has beeb going on for a while now - continual rumbling with no end.

On a project on School Rd. Lopez when slammed by Growler noise overhead. If school had been in session the class would have been stopped. As it was, the noise hit us outside workers without ear protection. August 12, before noon.
